Price Of A Dream The Story Of The Grameen Bank:

The Price of a Dream David Bornstein,1996 An inside look at the world s most highly acclaimed antipoverty program which has been replicated in 500 locations around the United States and whose visionary founder has been compared to Gandhi Martin Luther King Jr and J F K This is the story of how the Grameen Bank is changing the lives of millions of people by giving people the means to change their own lives Photos Microcredit and Poverty Alleviation Tazul Islam,2016-04-22 The attempt of the Grameen Bank to alleviate poverty and enhance the skills and productivity of its rural women clients provides the fascinating backdrop to this important study of micro credit institutions Tazul Islam examines the real extent to which the Grameen Bank s credit alone policy has been successful in securing the Bank s financial sustainability its practical role in alleviating poverty and its actual impact on the productivity of its clients This book concludes by considering alternative policy options that hold out the possibility of increased poverty alleviation **Microentrepreneurship**

Development in Bangladesh: Achievements and Shortcomings Md. Mahmudul Alam,Rafiqul Islam Molla,Mohammad Muntasir Hossain,2010-01-01 Micro entrepreneurial activities play a pivotal role in rural economic development in the third world countries As a result in Bangladesh poverty alleviation through rural centric micro entrepreneurship development has been focused for more than thirty five years Over 600 registered and thousands unregistered microcredit organizations including globally prominent institutions like Grameen Bank BRAC ASA BARD ActionAid CARE etc are operating here with their own reputed models However the micro entrepreneurship development and its achievements in the country are still lagging behind a satisfactory level due to a number of prevailing factors This book examines its major achievements and shortcomings from the perspectives of the structured institutions non structured institutions and non institutional factors and government s policy guidelines influencing development of micro entrepreneurship and makes recommendations for overcoming the shortcomings **A War on Global Poverty** Joanne Meyerowitz,2023-06-13 When the United States joined

the war on global poverty economists policymakers and activists asked how to change a world in which millions lived in need Moved to the left by socialists social democrats and religious humanists they rejected the notion that economic growth would trickle down to the poor and they proposed programs to redress inequities between and within nations In an emerging women in development movement they positioned women as economic actors who could help lift families and nations out of destitution Back cover **Empowerment of Women for Promoting Health and Quality of Life** Snehen B.

Kar,2018-05-18 Empowerment of Women for Promoting Health and Quality of Life critically reviews the key theoretical and empirical foundations and policy options for Global Public Health GPH The author presents the lessons learned from a meta analysis of 80 self organized successful women s empowerment case studies across the world that have enhanced the health and well being of their families and communities The information gleaned offers rare opportunities for understanding what works how women empower themselves and how others professionals included can help Additionally Dr Kar designs an

EMPOWER model for empowerment of women for GPH and human development Using an ecological perspective the model defines the domains dimensions and processes of empowerment and is applied to a community based women s empowerment for health promotion initiative The implications for empowerment and GPH policy practice and research are also discussed

Subalterns and Raj Crispin Bates,2013-09-16 Subalterns and Raj presents a unique introductory history of India with an account that begins before the period of British rule and pursues the continuities within that history up to the present day Its coverage ranges from Mughal India to post independence Pakistan Bangladesh and Sri Lanka with a focus on the ordinary people of India and South Asia Subalterns and Raj examines overlooked issues in Indian social history and highlights controversies between historians Taking an iconoclastic approach to the elites of South Asia since independence it is critical of the colonial regime that went before them This book is a stimulating and controversial read and with a detailed guide to further reading and end of chapter bibliographies it is an excellent guide for all students of the Indian subcontinent

Poverty Reduction - An Effective Means of Population Control Mohammed Sharif,2012-11-28 This book contends that high fertility is rational in that it achieves short term economic benefit and long term old age support for families Wider macroeconomic effects are not the concern of the individual family This means that the fertility choices of the poor are not a result of ignorance The objective of this book is to drive home the fact that it is poverty that is responsible for high fertility and that until the problem of poverty is effectively dealt with the problem of high fertility will continue to persist The book concludes with a series of policy recommendations for the eradication of poverty

The Birth of Development Amy L. S. Staples,Amy L. Sayward,2006 A comprehensive

examination of economic globalization Focused on the creation and evolution of post 1945 internationalist ideology The Birth of Development highlights efforts to diffuse the destructive role of the nation state in world affairs by constructing truly international organizations with global agendas the World Bank the Food and Agriculture Organization and the World Health Organization These organizations and the men and women who worked for them pioneered the advancement of the quality of life for all and established an ongoing obligation to promote worldwide economic development As author Amy Staples reveals the results of their efforts were mixed Grounded in archival research conducted in the archives of the World Bank Food and Agriculture Organization and World Health Organization as well as in other archives in the United States Canada and Great Britain The Birth of Development provides a foundational understanding for many of today s debates on economic globalization especially those that involve the World Bank and World Trade Organization Given the current role of international peacekeepers and multinational aid agencies this story is timely and makes clear that the issues that confronted early postwar planners and reformers remain in many ways unsolved even today The Birth of Development is the only comparative study of these crucial architects of the theory and practice of economic development and it contributes significantly to the ongoing effort to view the postwar period as more than simply an East West Cold War It breaks new ground conceptually and methodologically and will be a welcome addition to the literature in the fields of modern diplomatic history and international relations

International Human Rights, Decolonisation and Globalisation Shelley Wright, 2003-09-02 Covering a diverse range of topics case studies and theories the author undertakes a critique of the principal assumptions on which the existing international human rights regime has been constructed She argues that the decolonization of human rights and the creation of a global community that is conducive to the well being of all humans will require a radical restructuring of our ways of thinking researching and writing In contributing to this restructuring she brings together feminist and indigenous approaches as well as postmodern and post colonial scholarship engaging directly with some of the prevailing orthodoxies such as universality the individual self determination cultural relativism globalization and civil society
