Oppression and Responsibility Peg O'Connor, 2010-11-01 A look at the importance that shared beliefs attitudes and behaviors have on combating homophobia racism sexism and other forms of discrimination and violence *Why We Lost the Sex Wars* Lorna N. Bracewell, 2021-03-23 Reexamining feminist sexual politics since the 1970s the rivalries and the remarkable alliances Since the historic MeToo movement materialized in 2017 innumerable survivors of sexual assault and misconduct have broken their silence and called out their abusers publicly from well known celebrities to politicians and high profile business leaders Not surprisingly conservatives quickly opposed this new movement but the fact that sex positive progressives joined in the opposition was unexpected and seldom discussed *Why We Lost the Sex Wars* explores how a narrow set of political prospects for resisting the use of sex as a tool of domination came to be embraced across this broad swath of the political spectrum in the contemporary United States To better understand today s multilayered sexual politics Lorna N Bracewell offers a revisionist history of the sex wars of the 1970s 80s and 90s Rather than focusing on what divided antipornography and sex radical feminists Bracewell highlights significant points of contact and overlap between these rivals particularly the trenchant challenges they offered to the narrow and ambivalent sexual politics of postwar liberalism Bracewell leverages this recovered history to illuminate in fresh and provocative ways a range of current phenomena including recent controversies over trigger warnings the unimaginative politics of sex positive feminism and the rise of carceral feminism By foregrounding the role played by liberal concepts such as expressive freedom and the public private divide as well as the long neglected contributions of Black and Third World feminists Bracewell upends much of what we think we know about the sex wars and makes a strong case for the continued relevance of these debates today *Why We Lost the Sex Wars* provides a history of feminist thinking on topics such as pornography commercial sex work LGBTQ identities and BDSM as well as discussions of such notable figures as Patrick Califia Alan Dershowitz Andrea Dworkin Elena Kagan Audre Lorde Catharine MacKinnon Cherr e Moraga Robin Morgan Gayle Rubin Nadine Strossen Cass Sunstein and Alice Walker **Challenging Liberalism** Lisa H. Schwartzman, 2007-05-02 Questions about the relevance and value of various liberal concepts are at the heart of important debates among feminist philosophers and social theorists Although many feminists invoke concepts such as rights equality autonomy and freedom in arguments for liberation some attempt to avoid

them noting that they can also reinforce and perpetuate oppressive social structures In Challenging Liberalism Schwartzman explores the reasons why concepts such as rights and equality can sometimes reinforce oppression She argues that certain forms of abstraction and individualism are central to liberal methodology and that these give rise to a number of problems Drawing on the work of feminist moral political and legal theorists she constructs an approach that employs these concepts while viewing them from within a critique of social relations of power

### **New Frontiers in Forensic Linguistics** Monwabisi K. Ralarala,2019-07-22 The field of

forensic linguistics is a niche area that has not enjoyed much participation from the African continent The theme of language

and the law in this book is one that straddles two important aspects of the legal history of South Africa in particular and how it has impacted on the country's legal and education systems. The declaration by the United Nations of 2019 as The International Year of Indigenous Languages is opportune not only for the launch of this book but for what its research content tells us of the strides taken in ensuring access to justice for all citizens of the world in a language they understand. The contributions by authors in this book tell the story of many African citizens and those hailing from beyond our borders who straddle the challenges of linguistic and legal pluralism in courtrooms across their respective countries. It is our hope that the contributions made in this book will assist in ensuring human rights become a reality for global citizens where indigenous voices have not been heard and that these citizens will be free to give their testimonies in a language of their choice and that they may be heard and understood.

Law Unbound! Richard Delgado, Adrienne Katherine Wing, Jean Stefancic, 2015-12-03

This book offers the best and most influential writings of Richard Delgado, one of the founding figures of the critical race theory movement and one of the earliest scholars to address the harms of hate speech. With excerpts from his classic law review articles, conversations with his famous alter ego Rodrigo Crenshaw, and comments on the vicissitudes of academic life, this book spans topics such as hate speech, affirmative action, the war on terror, the endangered status of Black men, and the place of Latino as in the civil rights equation.
