Priestess Mother Sacred Sister Religions Dominated By Women

Paul Gwynne

Priestess Mother Sacred Sister Religions Dominated By Women:

Priestess, Mother, Sacred Sister Susan Starr Sered, 1996 In this fascinating and path breaking work comparing 12 women's religions Sered investigates how women's religions differ from those dominated by men She then reveals how these religions relate to the special ways women around the world experience reality 19 halftones

Priestess, Mother, Sacred Sister Susan Starr Sered, 1994 In this fascinating and pathbreaking work Susan Starr Sered uncovers describes and analyzes religions scattered throughout the world in which women are both the majority of leaders and the majority of participants How are these women's religions different from those dominated by men What can we learn from them about the ways in which women experience and interpret the supernatural How do women construct religion Looking for common threads linking groups as diverse as the Sande secret societies of West Africa matrilineal spirit cults of northern Thailand Christian Science and the Feminist Spirituality movement Sered asks whether there is anything particularly womanly about women's religions She finds that women's concerns and identity as mothers play a vital role in these female dominated groups Nurturing and concern for others are at the center as are healing arts and ways of dealing with illness and the death of children Religion not only enables women to find sacred meaning in their daily lives from the preparation of food to caring for their families but can offer intense and personal relationships with deities and spirits often through ecstatic possession trance These religions provide women with opportunities to celebrate and mourn with other women as well as forums for advancing women's social and economic rights and security In all of these religions women priestesses shamans or ritual experts embody the spiritual power available to women By examining the shared experiences of women across great cultural divides Priestess Mother Sacred Sister offers a new understanding of the role gender plays in determining how individuals grapple with the ultimate questions of existence In the process it not only highlights the profound differences between men and women but the equally important ways in which we are all alike

Priestess, Mother, Sacred Sister, 1994 This text examines the critical impact of the social rather than the biological aspects of motherhood on women's religions Women's social roles as nurturers healers primary childcare providers and emotional supporters are celebrated in women's religions more so than in traditional religions

Priestess, Mother, Sacred Sister Susan Starr Sered, 1994 This text examines the critical impact of the social rather than the biological aspects of motherhood on women's religions Women's social roles as nurturers healers primary childcare providers and emotional supporters are celebrated in women's religions more so than in traditional religions

The Rowman & Littlefield Handbook of Women's Studies in Religion, Helen T. Boursier, 2021-06-15 The handbook offers interreligious and multicultural perspectives on women's studies in religion in conversation with specific contextualized gender biased justice challenges Contributing authors address 25 current and trending themes from their diverse socio cultural religious backgrounds Themes move across the spectrum of women's studies in religion blurring the boundaries beyond religious studies to include perspectives from ethics philosophy sociology

economics and law as Religious diversity addresses challenges for women s studies through the lens of Wicca Buddhist Asian Trans Pacific Hinduism Judaism Muslima and Christian The handbook is practical contemporary and relevant as it moves theory to practical application in the section on challenging and changing system gender injustice with chapters on sexual violence and the MeToo movement femicide and feminicide a Mohawk response to colonial dominion and violations to Indigenous lands and women and a religio politico witness for love and justice include how to engage the theories of women s studies in religion in the public square through civic engagement to create empowerment for actual practical change It shows the future movement of the becoming of women s studies with chapters digital activism reimagining women s mosque spaces online minoritized sexual identities and spiritual homelessness and charges readers to see hope now by challenging and changing gender injustice

Teaching New Religious Movements David G. Bromley, 2007-05-25 Since its inception around 1970 the study of New Religious Movements NRMs has evolved into an established multidisciplinary field At the same time both the movements and the scholars who study them have been the subjects of intense controversy In this volume a group of senior NRM scholars who have been instrumental in the development of the field will offer pivotal essays that present the basics of NRM scholarship along with guidance for teachers on classroom use The book is organized topically around subjects that are both central to the study of NRMs and likely to be useful to non specialists Part I contains examinations of the definitional boundaries of the area of study varying disciplinary perspectives on NRMs unique methodological ethical problems encountered in the study of NRMs and the controversies that have confronted scholars studying NRMs and the movements themselves Part II examines a series of topics central to teaching about NRMs the larger sociocultural significance of the movements their distinctive symbolic and organizational features the interrelated processes of joining and leaving NRMs the organization of gender roles in NRMs media and popular culture portrayals of the movements the occurrence of corruption and abuse within movements and violence by and against NRMs Part III provides informational resources for teaching about NRMs which are particularly important in a field where knowing the biases of sources is crucial With its interdisciplinary approach the volume provides comprehensive accessible information and perspectives on NRMs It is an invaluable guide for instructors navigating this scholarly minefield

Sexism in Major Religions Paul Gwynne, 2023-11-29 A groundbreaking cross sectional study of the forms and extent of gender inequality in the Big Five religions of the world Sexism in Major Religions A Comparative Introduction provides clear and accessible analyses of the complex forms of androcentrism and patriarchy in five of the world s major religions Hinduism Buddhism Judaism Christianity and Islam With a unique comparative thematic methodology this student friendly textbook bridges the gap between Religious Studies and courses in Gender and Sexuality Studies Feminist Studies Religion and Society and more Following a brief introduction to each religious system covered Sexism in Major Religions defines important terms and concepts in modern religious feminism including sex and gender androcentrism and patriarchy and revolutionary and reform

feminisms Each remaining chapter focuses on one of seven themes representing the main sources and manifestations of religious discrimination against women such as the gender of the deity the duties of the mother and the status of the wife within marriage Throughout the text author Paul Gwynne discusses the formal gender biased teachings and practices distinctive features intersecting areas and core arguments of conservative defenders and feminist critics of each religion Provides students with deep comparative insight into the similarities and differences between major religions on issues of gender equality Offers a fresh and original approach to exploring the forms of sexism across seven distinct themes Presents a timely and accurate account of the landscape of sexism in five of the world s largest religions Includes a dedicated chapter examining the status of intersex and transgender persons in religious systems Designed to broaden students understanding of religions through systematic and impartial discussion Sexism in Major Religions A Comparative Introduction is an ideal textbook for undergraduate courses in Religious Studies and Social Sciences programs as well as an invaluable resource for general readers interested in understanding and reforming sexist features within religious traditions

The Location of Religion Kim Knott,2015-08-12 The ways in which humans interact with their location is an important topic within sociological studies of religion It is integral to the place of religion in secular society The Location of Religion A Spatial Analysis offers an overview of the ways in which religion can be located within social cultural and physical space It examines contemporary spatial theory notably the work of the influential sociologist Henri Lefebvre and the many disciplines that have contributed to the spatial study of religion This volume will be invaluable to all those interested in the role of religion in spatial analysis

To Live Fully, Here and Now Karla Simcikova,2007-01-01 To Live Fully Here and Now formulates a coherent and comprehensive understanding of Alice Walker s spiritual wisdom in the age of heightened global awareness natural devastation and spiritual crisis Simcikova argues that to fully understand Walker s complex and multi layered concept of spirituality we have to move beyond the womanist model to incorporate and or accommodate all the influences that have had a significant impact on Walker particularly her interest in Native American spirituality Simcikova also offers a new paradigm of wholeness unity and interconnectedness for critical analysis of her Walker s latest works This ground breaking book will find audiences across disciplines as it addresses the fundamental ethical question of what it means to be human

Pilgrimage and Healing Jill Dubisch,Michael Winkelman,2022-08-09 Bikers converge at the Vietnam Veterans Memorial in Washington D C Thousands flock to a Nevada desert to burn a towering effigy And the hopeless but hopeful ill journey to Lourdes as they have for centuries Although pilgrimage may seem an antiquated religious ritual it remains a vibrant activity in the modern world as pilgrims combine traditional motives such as seeking a cure for physical or spiritual problems with contemporary searches for identity or interpersonal connection That pilgrimage continues to exercise such a strong attraction is testimony to the power it continues to hold for those who undertake these sacred journeys This volume brings together anthropological and interdisciplinary perspectives on these persistent forms of popular religion to expand our

understanding of the role of the traditional practice of pilgrimage in what many believe to be an increasingly secular world. Focusing on the healing dimensions of pilgrimage, the authors present case studies grounded in specific cultures and pilgrimage traditions to help readers understand the many therapeutic resources pilgrimage provides for people around the world. The chapters examine a variety of pilgrimage forms both religious and non religious, from Nepalese and Huichol shamanism pilgrimage to Catholic journeys to shrines and feast days to Nevada's Burning Man festival. These diverse cases suggest a range of meanings embodied in the concept of healing, itself from curing physical ailments and redefining the self to redressing social suffering and healing the wounds of the past. Collectively and individually, the chapters raise important questions about the nature of ritual in general and healing through pilgrimage in particular and seek to illuminate why so many participants find pilgrimage a compelling way to address the problem of suffering. They also illustrate how pilgrimage exerts its social and political influence at the personal, local, and national levels, as well as providing symbols and processes that link people across social and spiritual boundaries. By examining the persistence of pilgrimage as a significant source of personal engagement with spirituality, *Pilgrimage and Healing* shows that the power of pilgrimage lies in its broad transformative powers. As our world increasingly adopts a secular and atheistic perspective in many domains of experience, it reminds us that for many, spiritual quest remains a potent force.

Priestess Mother Sacred Sister Religions Dominated By Women Introduction

In today's digital age, the availability of Priestess Mother Sacred Sister Religions Dominated By Women books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Priestess Mother Sacred Sister Religions Dominated By Women books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Priestess Mother Sacred Sister Religions Dominated By Women books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Priestess Mother Sacred Sister Religions Dominated By Women versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Priestess Mother Sacred Sister Religions Dominated By Women books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Priestess Mother Sacred Sister Religions Dominated By Women books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Priestess Mother Sacred Sister Religions Dominated By Women books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Priestess Mother Sacred Sister Religions Dominated By Women books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Priestess Mother Sacred Sister Religions Dominated By Women books and manuals for download and embark on your journey of knowledge?

FAQs About Priestess Mother Sacred Sister Religions Dominated By Women Books

1. Where can I buy Priestess Mother Sacred Sister Religions Dominated By Women books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
