Goldsmith,Theo Heras,Susan Corapi,2016-08-11 Reading the World's Stories is volume 5 in the Bridges to Understanding series of annotated international youth literature bibliographies sponsored by the United States Board on Books for Young People USBBY is the United States chapter of the International Board on Books for Young People IBBY a Switzerland based nonprofit whose mission is bring books and children together The series promotes sharing international children's books as a way to facilitate intercultural understanding and meet new literary voices This volume follows Children's Books from Other Countries 1998 The World through Children's Books 2002 Crossing Boundaries with Children's Books 2006 and Bridges to Understanding Envisioning the World through Children's Books 2011 and acts as a companion book to the earlier titles Centered around the theme of the importance of stories the guide is a resource for discovering more recent global books that fit many reading tastes and educational needs for readers aged 0-18 years Essays by storyteller Anne Pellowski author Beverley Naidoo and academic Marianne Martens offer a variety of perspectives on international youth literature This latest installment in the series covers books published from 2010-2014 and includes English language imports as well as translations of children's and young adult literature first published outside of the United States These books are supplemented by a smaller number of culturally appropriate books from the US to help fill in gaps from underrepresented countries The organization of the guide is geographic by region and country All of the more than 800 entries are recommended and many of the books have won awards or achieved other recognition in their home countries Forty children's book experts wrote the annotations The entries are indexed by author translator illustrator title and subject Back matter also includes international book awards important organizations and research collections and a selected directory of publishers known for publishing books from other countries **Trespassing Boundaries** K. Benzel,R. Hoberman,2004-10-28 In Trespassing Boundaries ten contemporary Woolf scholars discuss a broad range of Woolf's short stories Despite being now easily available these stories have not yet received the attention they deserve Complex yet involving they deserve to be read not only for the light they shed on the novels but in their own right as major contributions

to the short fiction as a genre This volume places Woolf s short stories in the context of modernist experimentalism then explores them as ambitious attempts to challenge generic boundaries undercutting traditional distinctions between short fiction and the novel between experimental and popular fiction between fiction and nonfiction Collectively the essays suggest that Woolf s contribution to the short story is as important as her contribution to the novel
