Primitive Rituals of the Aryan People ,2019 **The Purusha Suktam** Dr. Victor Borde, 2021-03-25 The interpretation of the Vedic text has been a prerogative of the Hindu Brahmins it has always been interpreted from the religious point of view This book s approach is from the socio historical perspective It is a subaltern reading of the Vedic text which not only establishes the fact that Purusha Suktam is an interpolation but also unveils the reasons for its interpolation The authors approach is both emic and etic at the same time a perspective which bringing out unique insights He has used a diachronic approach to trace the history of interpretation thus revealing the various layers of interpretations of this text Beginning with contemporary interpretations he goes down in history pointing out how the orthodox and classical scholars interpreted this text and going further back in time to unravel its origin and usage in the context of yajnas and nature religion **The Elusive Aryans** Shrinivas Vasudeo Pradhan, 2014-08-11 The question of the original home of the Aryans and their migrations to India is only part of the problem of their elusiveness Their subsequent assimilation and nativization in India also contributed to this elusive quality This socio cultural process can be traced through a study of their gods rituals and philosophy Thus changes in the nature and function of vedic gods the appearance of upstart gods in the late vedic period the elaboration of the soma ritual with elaborate supplementary rituals the introduction of the new ritual of Agnicayana the rise of the eschatology of punarjanma rebirth and samsara eternal return based on karma and the ideal of mukti or liberation from life in place of the former ideal of a life of arada atma a hundred autumns are symptoms of as well as a witness to the transformation of the original identity of the Aryans as revealed in the Family Books of the gveda This cultural transformation is no less significant than the Yaska a knotty question of their original home and their indubitable archaeological traces The book addresses itself to both these questions and for that purpose takes another look at some of the archaeological material and Aryan life and thought as reflected in Vedic literature *Journal of Global Religious Vision* ,2002 Global Religious Vision ,2004 *Ecology and Rituals in Tribal Areas* Debashis Debnath, 2003 The Western And
