Hartland,1972-08-01 Primitive Paternity, Vol. 1 Edwin Sidney Hartland,2015-06-15 Excerpt from Primitive Paternity Vol 1
The Myth of Supernatural Birth in Relation to the History of the Family In the year 1894 in the first volume of a study of The
Legend of Perseus 3 vols London D Nutt 1894 5 6 I examined the world wide story incident of Supernatural Birth Summing
up the results of the inquiry I suggested that the incident and the actual practices and superstitions corresponding to it
originated in the imperfect recognition or rather the non recognition in early times of the physical relation between father
and child At that time I was not in a position to carry the conjecture further It remained however in my mind as a subject for
investigation During the period that has since elapsed large contributions have been made by explorers missionaries and
scientific anthropologists to our knowledge of savage and barbarous peoples in many parts of the world In the light of these
contributions I now venture to lay before the reader the case for the conjecture I made sixteen years ago The beliefs customs
and institutions of tribes in a low degree of civilisation are our only clue to those of a more archaic condition no longer extant
They are evolved from them and are in the last resort the outgrowth of ideas which underlay them About the Publisher
