Primrose Switchback:

The Primrose Switchback Jo Bannister, Bannister is as good at creating suspense as she is at creating characters San Jose Mercury News Shad couldn't be guilty of murder could he Rosie Holland newspaper's advice columnist for the Skipley Chronicle becomes worried when her gardener Shad is discovered unconscious and bleeding near a dead body When he is put under hypnosis he confesses to the murder Rosie finds it impossible to believe that Shad could have been involved and vows to discover the truth As she delves deeper into the events surrounding the night of the murder she realises that in this bizarre set up of twisted humour and warped ambition nothing is as it seems

The Primrose Convention Jo Bannister, Bannister is as good at creating suspense as she is at creating characters San Jose Mercury News When the publisher of the Skipley Chronicle hired Primrose Holland as his newspaper's advice columnist it was either the best decision he ever made or the worst For Rosie a pathologist who quit her job at the morgue to come to this local weekly in the spirit of adventure is larger than life in every sense But the reason her breezy column has doubled the Chronicle's circulation is the same reason she's a tough employee she's not afraid to speak her mind and speak it loudly Faced with letters from readers about everything from inadvertently eating a slug to the etiquette of finding your mother in bed with a younger man Rosie's advice is always unorthodox frequently hilarious and prone to land her in hot water But Rosie never gets in as much trouble as she does when she volunteers to help Fiona Morris look for her brother Philip who disappeared while birdwatching in the Hebrides Fiona and Rosie set off for Scotland to look for Philip along with two recruits another of Rosie's readers birdwatching expert Arthur Prufrock and his gardener reluctant psychic Shad Lucas Perhaps they should have known better especially the psychic For Rosie's no nonsense approach to this particular problem is about to prove very dangerous Jo Bannister's novels are consistently praised for her piercing characterization and nail biting suspense and with *The Primrose Convention* she turns these skills to an eminently likable new cast and a smart delightfully cozy premise Praise for Jo Bannister's *Castlemere* series The author's superb character work starts with the three officers These decent cops can handle a sensitive confrontation with a grieving father as well as a brutal piece of action on the wharves *Castlemere* is just the sort of hard luck town that can keep them busy for a long time The New York Times Book Review on *Charisma* Under a satisfyingly action filled whodunit she's buried a piercing tale of conflicting loyalties that makes her coppers flare into bold relief as if they'd finally got the case that would show what they were made of Kirkus Reviews starred on *A Taste for Burning* Taking her already accomplished characterization to new levels of depth and intensity Bannister creates deeply suspenseful situations resolves them with panache and melds the various themes into an extremely satisfying whole Publishers Weekly on *No Birds Sing*

Broken Lines Jo Bannister, FALSE CONNECTION Detective Superintendent Frank Shapiro finds himself weaving down a dark and twisted trail of human foibles that begins with his own Sergeant Donovan After interrupting a robbery and receiving a blow to the head for his efforts an angry Donovan races after the suspect only to witness a terrible

car crash Donovan saves Mikey Dickens's life then arrests him But Mikey the son of a local crime boss is released on a technicality And when he is later found beaten suspicion falls on the hotheaded Irish sergeant The young man eventually dies and Shapiro and Inspector Liz Graham are certain of one thing not only is Donovan's career on the line but his life as well Someone is going to pay for Mikey's death And Donovan has disappeared convincing and believable Solidly readable divertingly different Kirkus Reviews Deeply satisfying The New York Times Book Review

The Going Down of the Sun Jo Bannister, The idyllic peace of a remote Scottish anchorage is shattered by an explosion aboard a luxury cruiser which kills the woman on board and brings to an abrupt end the restful holiday which Clio Marsh prescribed for her detective husband Harry Was the wreck of the Skara Sun an accident Was Alison MacAllister murdered by the penniless young man sailing with her or by the rich older one to whom she was married The local police investigate Harry Marsh investigates No one who knows Clio would expect her to mind her own business The savage beauty of the wild west coast forms a backdrop to and ultimately plays its own role in the developing drama as Clio discovers that even deadly Corryvreckan can be friend in the face of human treachery

Striving with Gods Jo Bannister, Clio Rees is a doctor who has given up her practice to write murder mysteries It never occurred to her that she might become the central figure in one a very real one that required more imagination to figure out than anything she had concocted for her fictional stories She is called by the police and asked to identify the body of a young man who turns out to be one of her closest friends Suicide says the police Murder says Clio Rees She decides to investigate and her trail leads to a man she had known rather well in medical school a man who is now one of the gods of the medical establishment and who is on the threshold of achieving what has heretofore been impossible the design of an artificial implantable kidney What was his connection with the dead man As the answers begin to take ominous shape she discovers that there will be another victim Clio Rees

Death and Other Lovers Jo Bannister, Light like a great pink chrysanthemum bloomed far away over the distant perimeter hanging high in the quiet air Others would describe it as a fireball and speak of the deep booming roar as the fuel tanks full to capacity at the start of the plane's long run exploded But no sound reached inside the little office double glazed and already ten miles away and Flynn's abiding impression was of a great flower blossoming halfway down the sky After long shocked moments Inspector Harris found a voice and to his great credit it was a voice without hysteria saying something sensible John you were watching was that an aircraft The sergeant nodded slowly The shock that had wiped the expression off his face seemed also to have kicked him temporarily into slow motion An aircraft An aircraft At last and with an effort he dragged appalled eyes away from the fading pink light and they found Flynn The one we pulled him off

A Taste for Burning Jo Bannister, OUT OF THE ASHES A pyromaniac hands the police force of Castlemere a case that becomes more personal and more devastating than any other Chief Inspector Frank Shapiro respected for his quiet authority and sound judgment is suspended from the force pending an inquiry into an arson investigation he led eight years earlier Now it falls to Inspector Liz Graham and Sergeant Cal Donovan

to probe the recent fires that have turned Castlemere into a hot zone As the fire bug draws closer to creating his ultimate masterpiece Shapiro s son becomes a suspect The investigators including an unofficial Shapiro must probe the dark side of parental love and the desperate lengths one will go to protect one s own Excellent Poisoned Pen A satisfyingly action filled whodunit Bannister s coppers flare into bold relief Kirkus Reviews Bannister does some excellent character studies in this work Mystery News *Shards* Jo Bannister, They ve been inseparable partners ever since the day Gil Todd a renowned British reporter for over thirty five years hauled a drunken Mickey Flynn out of a New York City bar and helped him become one of the worlds most respected photo journalists But their odd couple relationship as well as Flynn s life is threatened when he is shot while covering a demonstration in Holland A shard of bone becomes lodged somewhere in his spine leaving Flynn faced with a life of immobilizing excruciating pain Refusing to accept that his career may be over Flynn agrees to do what may be his final shoot the photographing of a terrorist training camp run by the Popular Front for the Liberation of Palestine But is he being used as a pawn by the terrorists or by Israeli intelligence And who is the mysterious Sinbad known only by the terrifying ingenious bombs he leaves behind It s a good thing for Mickey Flynn that he s got grit determination and Gil Todd on his side Or is it **Sequels** Janet G. Husband,Jonathan F. Husband,2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series

Charisma Jo Bannister, Fatal Attraction The first victim is a young prostitute an easy accessible target for a killer s lust The second victim is another young girl The killer is skilled seasoned enjoying himself The combustible detective team of Liz Graham and Cal Donovan is put on the case as suspicion falls on a charismatic traveling evangelist staging a week long revival meeting Who would benefit more from a town s tragedies than he Oddly the surfacing of a chum long believed dead from Donovan s childhood may have some connection Among them though wearing a mask of decency a killer is once again deciding who lives and who dies for the most passionate of motives and by the most dispassionate of means Superb character work New York Times Book Review powered by Bannister s three diverse and forceful police characters a strong supporting cast and the stark urban wasteland which possesses a dark beauty all its own Publishers Weekly A Highly readable series Booklist
