Prince Of Scorpio Dray Prescott 5:

Prince of Scorpio, 2005 **Prince of Scorpio** Alan Burt Akers, 2005-12-01 Dray Prescott has fought long and hard through perilous lands to claim the hand of the heiress to the mighty Vallia Yet when finally he sets foot in that long sought empire it is not as hero or noble It is as an unknown a mendicant and finally as a condemned slave The combatant fates that have interfered continually with his quest on the planet of the twin suns of Antares have yet more tests for the man they selected as their agent But for Dray there is only one goal already in sight and he would not be turned aside any longer no matter what dangers Vallian intrigues and quasi human mysteries may have in store for him This edition contains maps and a glossary Prince of Scorpio is the fifth book in the epic saga of Dray Prescott of Earth and of Kregen Science Fiction and Fantasy Literature R. Reginald, Douglas Menville, Mary A. Burgess, 2010-09-01 Science Fiction and Fantasy Literature A Checklist 1700 1974 Volume one of Two contains an Author Index Title Index Series Index Awards Index and the Ace and Belmont Doubles Index **The Krozair Cycle** Alan Burt Akers, 2011-12 Kregen that grim and beautiful marvelous and terrible world four hundred light years away beneath the red and green fires of Antares is a world too rich in passion and action to allow a fighting man like Dray Prescott to rest for long Once more then he is launched into fresh adventures but this time there is a hiatus which might easily break a man of lesser fire and spirit The Tides of Kregen Of all the honours that Dray Prescott Earthman has won during his fabulous adventures on Kregen none are valued by him more than his membership in the Order of the Krozairs of Zy The Krozairs are the highest order of chivalry on that turbulent planet dedicated men warriors of stern convictions and unflinching hearts Thus when the Krozairs in their hour of need called on all their far flung members for aid he should have gone But he could not His return from Earth was blocked by the anger of the mysterious Star Lords And before Dray Prescott can achieve redemption he has two armies opposed to him two warring kingdoms naming him outlaw and only the tides of the seven moons as a weapon Renegade of Kregen Never before in his adventurous career under the double suns of Antares has Dray Prescott been in as desperate a situation as he finds himself on his second entry into the city of Magdag Magdag was the scene of one of Prescott s earliest experiences on Kregen and he recalled it with loathing as a city of power lustling slavers of decadent worshippers of the Green Sun As one who had been initiated into the chivalric order of Krozairs he despises all that the city stood for But now Prescott is an outcast Any Krozair any follower of the Red Sun of his former friends will slay him on sight For him there is only one way to recover his home his children his self respect He would have to perform an act of valor so extreme so fabulous that its glory would wash away all that now stains his name Only by reaching to the very heart of mighty Magdag could he hope to achieve such a suicidal triumph Krozair of Kregen Dray Prescott has been condemned by his old enemies whose battle color is the green of the sun Grodno For while among these slavers and conquerors of the green searching for a way to turn the tide of war to his own redemption and his friends advantage he had personally encountered the deadly animosity of Grodno s king had betrayed his

champion and had shattered all he so carefully worked for But he must soldier on For now in addition to the enormous feat that alone would restore his honor he has a blood vengeance to achieve that overrides everything This edition contains the short story Wizard of Scorpio and a glossary to the Krozair Cycle *Armada of Antares* Alan Burt Akers,2006-03-16 Kregen That marvelous world circling the double star Antares in the Constellation Scorpio has been the scene of many an exciting event as its myriad human and non human races struggle with each other for ascendancy But for Dray Prescott Earthman and Prince of Vallia all of the electrifying aspects of his adventurous life on Kregen were to climax when the armies of Havilfar made their move toward his adopted homeland before he had fully solved the secret of their mysterious air fleets Armada of Antares is the culmination of all his experiences on Kregen so far a peril pitched novel complete in itself of an alien world stirred up to a life or death frenzy **The Havilfar Cycle II** Alan Burt Akers,2007-04-01 For the first time ever the books in the Saga of Dray Prescott of Earth and of Kregen are being brought together in omnibus editions In the first Havilfar Cycle omnibus Dray Prescott was launched headlong into a brand new series of adventures upon the planet of Kregen that marvelous and beautiful mystical and terrible world four hundred light years away beneath the Suns of Scorpio Now Hamal the greatest power in Havilfar is bent on conquest and Prescott hates the Hamalese because he slaved in their diabolical Heavenly Mines His mission is to discover the secrets of the Hamalese airboats for his own people This book contains Bladesman of Antares Avenger of Antares Armada of Antares *The Vallian Cycle* Alan Burt Akers,2015-07-08 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light Dray Prescott s happiness with Delia the Princess Majestrix of Vallia is threatened as the notorious Wizard of Loh Phu si Yantong seeks to destroy Delia s father and take control of the empire of Vallia And Prescott is determined to seek the whereabouts of his daughters alienated from him during his forced absence on Earth But the brilliant world of Kregen under Antares will always challenge Prescott with new problems and adventures Dray Prescott knows only too well that he must continue to struggle against himself as well as the malignant fates that pursue him in the mingled streaming lights of the Suns of Scorpio Secret Scorpio Courage and ingenuity has won Dray Prescott a high role in the Vallian Empire and a certain independence from the Star Lords So when a mysterious monster cult begins to undermine the empire and when his own beloved princess becomes a victim of those secret schemers Prescott has to go into action Savage Scorpio Somewhere in the unmapped regions of Kregen lies the hidden city of the Savanti Dray has long sought the locale of his original landing and now the time has come when the search must be completed without delay for the father of his beloved Delia is a victim of assassins Only the Savanti can undo the evil that could shatter all that Dray holds dear in his second planetary homeland Captive Scorpio Prescott has risen high in the empire of Vallia but luck cannot always sustain him All the forces opposed to his lands his princess his emperor and to him personally converge to bring about the darkest hour of his

long career With his back to the wall Dray Prescott faces that time of peril with unflinching will until the cruelest blow of all is struck his warrior daughter Dayra rode in the vanguard of his foes Golden Scorpio When you re down there s no place to go but up That s the way the brave think and if there is anyone on two worlds braver than Dray Prescott he has yet to appear Prescott would never give up Single handedly if need be he would be a deadly threat to the enemies of Vallia But as he sets out on a liberation mission incomparable in the history of two worlds he knows he will never be alone This edition contains a glossary to the Vallian cycle

Savage Scorpio Alan Burt Akers,2007-05-09 Somewhere in the unmapped regions of Kregen beneath the two suns of Antares alpha star of the Constellation Scorpio lies the hidden city of the Savanti The Savanti were the ones responsible for tearing Dray Prescott away from his native Earth for their struggle against the Star Lords And Dray had long sought the locale of his original landing because it would help solve the mystery of his transition Now the time had come when the search must be completed without delay for the father of his beloved Delia was a victim of assassins and only the Savanti could undo the evil that could shatter all that Dray held dear in his second planetary homeland Savage Scorpio is the thrilling novel of a mission that would involve powerful forces far beyond all Prescott s personal desires

Captive Scorpio Alan Burt Akers,2007-05-23 Dray Prescott Earthman of Kregen that wonderful world circling the twin suns of Antares had risen high in the empire of Vallia but luck could not always sustain him When at last all the forces opposed to his lands his princess his emperor and to him personally converged it was to produce the darkest hour of his long career For treason struck at the court while rebel armies marched from the backlands the war fleets of enemy nations were aloft and the uncanny wizardry of a master scientist launched a spell of doom for all Prescott held dear With his back to the wall Dray Prescott faced that time of peril with unflinching will until the cruelest blow of all was struck his warrior daughter Dayra rode in the vanguard of his foes

Secret Scorpio Alan Burt Akers,2007-05-02 The brightest star in the Constellation Scorpio is the brilliant double sun Antares around which orbits the inhabited planet called Kregen Kregen is an Earthlike world but strange far stranger than ours For it is the scene of a conflict between galactic powers who utilize its many human nations and its astonishing variety of humanoid peoples as their battleground Dray Prescott of Earth had been a tool of those powers but courage and ingenuity had won him a high role in the Vallian Empire and a certain independence of his own Thus when a mysterious monster cult began to undermine the empire and when his own beloved princess became a victim of those secret schemers Prescott had to go into action Secret Scorpio launches a new cycle in the magnificent history of Kregen and brings Prescott at long last into direct confrontation with the forces that had once dared make him their pawn
