down *The System of Liberty* George H. Smith, 2013-04-22 Liberal individualism or classical liberalism as it is often called refers to a political philosophy in which liberty plays the central role This book demonstrates a conceptual unity within the manifestations of classical liberalism by tracing the history of several interrelated and reinforcing themes Concepts such as order justice rights and freedom have imparted unity to this diverse political ideology by integrating context and meaning However they have also sparked conflict as classical liberals split on a number of issues such as legitimate exceptions to the presumption of liberty the meaning of the public good natural rights versus utilitarianism the role of the state in education and the rights of resistance and revolution This book explores these conflicts and their implications for contemporary liberal and libertarian thought **Pirate's Alley** Suzanne Johnson, 2025-10-16 After vanquishing undead serial killers and discovering the dark secrets of her family history wizard sentinel DJ Jaco must now stop the coming preternatural war in Suzanne Johnson's *Pirate's Alley* Wizard sentinel DJ Jaco thought she had gotten used to the chaos of her life in post Katrina New Orleans but a new threat is looming one that will test every relationship she holds dear Caught in the middle of a rising struggle between the major powers in the supernatural world the Wizards Elves Vampires and the Fae DJ finds her loyalties torn and her mettle tested in matters both professional and personal Her relationship with enforcer Alex Warin is shaky her non husband Quince Randolph is growing more powerful and her best friend Eugenie has a bombshell that could blow everything to Elfheim and back And that's before the French pirate Jean Lafitte newly revived from his latest death returns to New Orleans with vengeance on his mind DJ's assignment Keep the sexy leader of the historical undead out of trouble Good luck with that Duty clashes with love loyalty with deception and friendship with responsibility as DJ navigates passion and politics in the murky waters of a New Orleans caught in the grips of a brutal winter that might have nothing to do with Mother Nature War could be brewing and DJ will be forced to take a stand But choosing sides won't be that easy At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Pirates: A History** Tim Travers, 2012-05-30 More than just a history of the real pirates of the Caribbean *Pirates A History* explores piracy from ancient times to the present day from the bloodthirsty Viking raiders who terrorised northern Europe to the legendary female Chinese pirate of the 1920s Lai Choi San In this history we see how thin the line was between a royally chartered privateer and a pirate most notably epitomised by Francis Drake Then there were the Renegades Europeans captured by the Barbary corsairs who converted to Islam and became pirate captains in their own right Some were simply cut throat drunkards but many pirate ships were run on surprisingly progressive democratic principles The golden age of piracy is examined afresh and the colourful characters of the era brought to life Accounts of Blackbeard Black Barty and William Kidd illustrate the truth behind the legends of the Jolly Roger The Real Story of the Pirate Alpheus Hyatt Verrill, 1923
