constantly by Princess Smartypants character throughout the whole story she seems dresses appears and behaves more like a child than a lady favours pet monsters over men and tends to have more fun playing around than being responsible or at least behaving according to the position she is put into It seems that for her this childlike lifestyle is the key to living happily ever after in a world such as hers one of responsibility and that she stands for the message that the child inside is what leads to happiness if lived to the full with devotion This paper aims to elaborate on this thesis and its proof given in several elements of the children s story Princess Smartypants and the Fairy Geek Mothers Babette Cole,2017-05-18 Princess Smartpant s long lost Fairy God Mother Doris needs her help In Fairy tale land Fairy God Mothers are being made redundant and replaced by Fairy Geek Mothers All traditional Fairy God Mothers grant everyone three nice wishes But the Fairy Geek Mothers have their own website where people can buy wishes online what could possibly go wrong Well in Fairy Tale Land it s the fairy tales which are suffering For example Princess Beatrice has bought a wish to magic an ugly wart on her sister s nose and her sister is annoyed to say the least Meanwhile Goldilocks has a sore tummy because certain bears have wished for her porridge to go bad If the fairy tales don t get fixed children will never know the real ones Can Princess Smartpants help Doris find a way to make fairy tales good again **How Picturebooks Work** Maria Nikolajeva,Carole Scott,2013-02-01 How Picturebooks Work is an innovative and engaging look at the interplay between text and image in picturebooks The authors explore picturebooks as a specific medium or genre in literature and culture one that prepares children for other media of communication and they argue that picturebooks may be the most influential media of all in the socialization and representation of children Spanning an international range of children s books this book examine such favorites as Curious George and Frogand Toad Are Friends along with the works of authors and illustrators including Maurice Sendak and Tove Jansson among others With 116 illustrations How PicturebooksWork offers the student of children s literature a new methodology new theories and a new set of critical tools for examining the picturebook form
