Principalship Building A Learning Community:

The Principalship L. Joseph Matthews, Gary Monroe Crow, 2010 The Principalship allows readers to gain a broader more complex and accurate understanding of school administrator leadership in today's learning communities while presenting an expansive view of leadership within schools not limited to the responsibilities of the principal but including those of assistant principals administrators teachers and students This innovative first edition text presents a complete picture of the principal as school administrator community builder advocate manager mentor supervisor politician leader and learner The Principalship covers the importance of learning the learning of principals the learning of other professionals and especially the learning of students School improvement is not possible without this across the board learning and exploration and this text places a strong emphasis on this simple but often overlooked aspect of school communities Today's school systems are faced with a number of fresh challenges changing student populations rapidly expanding research knowledge increasing accountability requirements federal and state policy demands and escalating expectations for school services This book will help aspiring school leaders to bridge the gap between traditional conceptualizations of the principal and more innovative functional and multifaceted conceptualizations that respond to the changing conditions and higher demands of contemporary learning communities

The Principalship Marsha Speck, 1999 The purpose of this book is to meet the needs of prospective principals who can help schools become learning communities Each chapter begins with a problem scenario and follows with the knowledge base from which students can develop possible solutions to the problem Reflective activities are provided at the end of each chapter and give the student an opportunity to extend their learning about concepts explored in the chapter
