THE VALLEY Of EEBARAL Virginia Henley-Miller, 2025-03-06 It was a day that was going to be like no other for the two young ladies They were not only going to find a beautiful meadow but in that place they would also find a mythical being that would ultimately change both their lives forever Rainbow on her way to the Lands Before Time found herself in this beautiful meadow As she looked around there they were the young women she was to protect Most times it was to be only one maiden but she was given two Not knowing about her future for sure now Rainbow wasn't so sure she would be following the rest of her herd to the Lands Before Time As Rainbow was making ready to continue on her journey

she assured them she would keep in mental touch with the maidens after she was gone She left the meadow with a heavy heart but moved on not paying attention until it was near dusk and she was close to the land of mankind She had to find shelter until full night for during twilight hours unicorns can be seen by man She had only a little while then there they were three strapping young lads her saviors who safely hid her from sight Rainbow thought she could almost communicate with the youngest of the trio there was just something different about the young man It was with a confused heart that she left the three of them behind as she continued to what she did not know She felt that she would have a future with her maidens along with the lads they would be a part of it Onward to the Valley of Eebaral they must go The place held many wonders for all to find the mythical beasts along with the human ones From the marvels of the caves in the meadow to the dense forest and its magic in the beyond All in Eebaral

The Light of Life Harold Anderson-Pugh,2024-02-12 I've been told that this work *The Light of Life* is a very timely and meaningful piece of work giving the reader something to reflect on and think about with poignant reminders of time and change and sharp feelings of regret as the term itself invokes a spiritual connection and reasoning One might ask oneself Who puts the light in life Where do we find knowledge understanding and wisdom as light is knowledge and darkness is ignorance We slow life down when sharing our words and thoughts through our emotions and feelings in the light our Creator made and gave to the system of this world For if one never talks about the light who then will know about it That there is light in everything we experience and find our way through and no matter how much darkness we endure it will never overpower the light as seen in Christ the blessed light of life

entertainment news Holly the Multi-Colored Girl Marcia Puzzanghera, Dan Cooper, 2012-03-31 Holly the Multi Colored Girl is a story about a girl who doesn't fit in because of the way she looks. Holly is ignored by her classmates because she is different, but when Holly rescues Violet, the children learn that we're all the same inside, no matter how different we may look on the outside. Holly therefore is a children's story told in simple terms that children can understand about how foolish it is to judge people by the color of their skin rather than the content of their character.
