Red Tory Blues A Political Memoir

Tony Tremblay

Red Tory Blues A Political Memoir:

Red Tory Blues Heath Macquarrie, 1992 *The Right and Radical Right in the Americas* Tamir Bar-On, Bàrbara Molas, 2021-11-22 Studies of the right and radical right have proliferated since the rise of European nationalist and populist parties in the 1980s Yet the literature on the right and the radical right has a largely Euro American bias and has been limited by partisan academics that focus on the left The Right and Radical Right in the Americas hopes to be a pioneering work that examines the history and contemporary manifestations of the right and radical right throughout the Americas From interwar Canada to contemporary Chile the right and radical right have come in diverse ideological currents Those ideological currents have undergone historical changes and the strategies of the right and radical right need to be contextualized in respect of country and region The right and radical right also have distinctive meanings throughout the Americas and in different epochs

Rogue Tory Denis Smith, 2013-11-19 Winner of the Dafoe Book Prize Winner of the University of British Columbia Medal for Canadian Biography 1995 marked the 100th anniversary of that most charismatic and enigmatic public figure the thirteenth prime minister of Canada John George Diefenbaker Beloved and reviled with equal passion he was a politician possessed of a flamboyant self fabulizing nature that is the essential ingredient of spellbinding biography After several runs at political office Diefenbaker finally reached the Commons in 1940 sixteen years later he was leader of the Progressive Conservative Party In 1958 after a campaign that dazzled the voters the Tories won the largest majority in the nation s history the Liberal party was shattered its leader Lester Pearson humiliated by an electorate that had chosen to follow John Diefenbaker s victory promised a long and sunny Conservative era It was not to be instead Dief gave the country a decade of continuous convulsion marked by his government s defeat in 1963 and his own forced departure from the leadership in 1967 a very public drama that divided his party and riveted the nation When Diefenbaker died in 1979 he was given a state funeral modeled at his own direction on those of Churchill and Kennedy It culminated in a transcontinental train journey and burial on the bluffs overlooking Saskatoon alongside the archive that houses his papers the only presidential style library built for a Canadian prime minister Canadians embraced the image of Dief as a morally triumphant underdog even as they were repelled by his outrageous excesses He revived a moribund party and gave the country a fresh sense of purpose but he was no match for the dilemmas of the Cold War of Quebec nationalism or the subtleties of the country s relations with the United States This compelling biography illuminating both legend and man and the nation he helped shape was among the most highly praised books of the year

[The Canadian Experience of the Great War](#) Brian Douglas Tennyson, 2013-05 Although the United States did not enter the First World War until April 1917 Canada enlisted the moment Great Britain engaged in the conflict in August 1914 The Canadian contribution was great as more than 600 000 men and women served in the war effort 400 000 of them overseas out of a population of 8 million More than 150 000 were wounded and nearly 67 000 gave their lives The war was a pivotal turning point in the history of the modern world and its

mindless slaughter shattered a generation and destroyed seemingly secure values The literature that the First World War generated and continues to generate so many years later is enormous and addresses a multitude of cultural and social matters in the history of Canada and the war itself Although many scholars have brilliantly analyzed the literature of the war little has been done to catalog the writings of ordinary participants men and women who served in the war and wrote about it but are not included among well known poets novelists and memoirists Indeed we don't even know how many titles these people published nor do we know how many more titles were added later by relatives who considered the recollections or collected letters worthy of publication Brian Douglas Tennyson's *The Canadian Experience of the Great War A Guide to Memoirs* is the first attempt to identify all of the published accounts of First World War experiences by Canadian veterans

The Age of Consequence Charles J. McMillan, 2022-04-07 Since the election of Pierre Trudeau in 1968 Canada has had nine prime ministers a series of minority governments as many as sixteen leaders of the opposition and a turnover of party leaders in provincial governments This rotation shows the vibrant nature of the Canadian political system which combines a measure of continuity and stability with change and policy innovation *The Age of Consequence* provides an insider's account of Canada's political environment over the last fifty years Focusing on the key personalities leaders and political parties of the era Charles McMillan reveals the reality of policy change in a world in flux bound by institutional constraints and propelled by personalities that advance or derail policy initiatives Choosing four policy themes economic competitiveness social justice national reconciliation and constructive internationalism the book traces Canada's policy evolution As a federation Canada's political system is shaped by policy initiatives leadership campaigns national elections the planning and machinery of governance and the strengths of its various leaders from John Diefenbaker and Lester B Pearson to Justin Trudeau Based on McMillan's personal experience as senior policy advisor to Prime Minister Brian Mulroney as well as on interviews policy papers and memos *The Age of Consequence* sheds light on how public policy is made the conflicts facing senior members of the government and the unique burdens placed on prime ministers

The Canadian Encyclopedia James H. Marsh, 1999 This edition of *The Canadian Encyclopedia* is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our

country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada **Margaret**

Laurence Donez Xiques, 2005-09-24 Margaret Laurence The Making of a Writer is an engaging narrative that contains new and important findings about Laurence s life and career This biography reveals the challenges successes and failures of the long apprenticeship that preceded the publication of the The Stone Angel Laurence s first commercially successful novel Donez Xiques demonstrates the importance of Margaret Laurence s early work as a journalist in her development as a writer and covers her return to Canada from Africa in the late 1950s She details the significance of Laurence s Vancouver years as well as the challenges of her year in London prior to settling at Elm Cottage in Buckinghamshire when Laurence stood on the verge of success The Margaret Laurence known to most people is a public figure of the 1960s and 1970s matriarchal matronly and accomplished The story of her early years in the harsh setting of the Canadian Prairies during the 1930s years of drought and the Great Depression and of her African years has never before been chronicled with the thoroughness and

vividness that Xiques provides for the reader Appended to this powerful new biography is a short story by Margaret Laurence that has never before been published and two other stories that have not been widely available They indicate the range of her concerns and show a marked departure from her fiction in *The Tomorrow Tamer and Other Stories* and *A Bird in the House* Readers will benefit from the extensive research in this full and vibrant portrait of one of the most revered writers of twentieth century Canadian literature

Canada's Department of External Affairs: Coming of age, 1946-1968 John Hilliker, Donald Barry, 1990 The second volume of the official history of the Department of External Affairs *Coming of Age* covers a period of remarkable expansion and achievement in Canadian external relations

Blue Thunder: The Truth About Conservatives from Macdonald to Harper Bob Plamondon, 2013-11-25 An unparalleled portrait of the Conservative Party and each of its nineteen leaders *Blue Thunder* rollicks through 141 years of Canadian Conservative leadership A sprawling page turning expos *Blue Thunder* draws upon a wealth of public and private material that Plamondon has enriched with fresh insights Make no mistake *Blue Thunder* is no hagiography This is awarts and all portrait that examines in compelling and revealing detail the lows as well as the highs Along the way myths are exposed blame is assessed and heroes are chosen More analytically Plamondon boldly sifts from the record what today s Conservatives need to learn from the past to be successful in the future A captivating entertaining and definitive look at the accomplishments and failures of Canadian Conservative leadership *Blue Thunder* is a must read for anyone who follows Canadian politics today and an invaluable reference source for decades

The Fiddlehead Moment Tony Tremblay, 2019-12-05 For many Canadians the small province of New Brunswick on Canada s scenic east coast is a nice place to visit but no place to live plagued for generations by outmigration and economic stagnation In *The Fiddlehead Moment* Tony Tremblay challenges this potent stereotype by showcasing the work of a group of literary modernists who set out to change the meaning of New Brunswick in the national lexicon Alfred Bailey Desmond Pacey Fred Cogswell and a formidable group of local poets and cultural workers collectively New Brunswick s Fiddlehead School sought to restore New Brunswick s literary reputation by adapting avant garde modernist practices to the contours of the province opening it to the contemporary world while also encouraging writers to make it their subject The result was a non urban form of modernism that was as responsive to technical innovation as to the human geographies of New Brunswick By placing New Brunswick writers and critics at the forefront of Canadian literature in the midcentury modernist project Tremblay adds an important new chapter to our understanding of Canadian modernism *The Fiddlehead Moment* is the first critical examination of this group s considerable influence Whether through Bailey s ethnomethodology Pacey s critical ordering or Cogswell s editorial eclecticism in the *Fiddlehead* magazine and *Fiddlehead Poetry Books* authors in New Brunswick Tremblay argues had a profound impact on writing in Canada

Canada's Department of External Affairs, Volume 2 John Hilliker, Donald Barry, 1995-04-04 In 1946 with its own minister for the first time the Department of External Affairs embarked on a period of impressive growth and assumed responsibility for a

broader range of foreign policy issues than ever before Under the expert guidance of Lester Pearson for a decade the department enjoyed popular and parliamentary consensus about international interests The election of the Diefenbaker government in 1957 deprived the department of Pearson s experienced ministerial direction and exposed it to new priorities and new ways of doing things At this time foreign policy consensus began to erode As well there was pressure to respond to the administrative revolution inaugurated by the Royal Commission on Government Organization the Glassco Commission appointed in 1960 After Pearson returned to office as prime minister in 1963 questioning by the public and also by the governing party and the cabinet became more fervent Coming of Age concludes in 1968 as indications of a challenge to the principles underlying Canadian foreign policy emerged from a new generation of ministers a challenge that would produce major changes after Pierre Trudeau became prime minister *The Red Tory Tradition* Ronald Samuel Dart, Ron Dart, 1999

Canadian Books in Print. Author and Title Index, 1975 *Diefenbaker and Latin America* Jason Gregory Zorbas, 2011-07-13 John Diefenbaker s Latin American policy was based on his vision of Canada s national interest which placed a strong emphasis on the achievement of greater autonomy in foreign policy for Canada vis vis the US and the expansion of Canadian exports to the region Though Diefenbaker was often accused of being driven by anti Americanism instead his Latin American policy was based on his vision of Canada s national interest For Diefenbaker an enhanced relationship with Latin America had the potential to lessen Canada s dependency on the US while giving Latin American countries an outlet for their trade commercial and financial relations other than the US This new approach implied that Canada would formulate and implement policy that focused more on Canadian political interests and goals It was not a matter of charting a totally independent policy from the US in Latin America true policy independence was impossible to achieve Nor was it the case that Canada would necessarily set itself in opposition to the US when it disagreed with its policies For Diefenbaker the goal was to pursue a foreign policy that was aligned with but not subservient to the US **The Dalhousie Review** Herbert Leslie Stewart, 1992 **The Blaikie Report** Bill Blaikie, 2011-10-14 Bill Blaikie has a unique insider s perspective on political life in Canada As a United Church minister reflecting on three decades in the House of Commons he tells the too often overlooked story of Canada s Christian left and in particular of the New Democratic Party s roots in the social gospel and its ongoing influence This lively book is peppered with personal anecdotes and political personalities and events from Canadas recent history Foreword by Lloyd Axworthy former minister of foreign affairs Includes a colour photo insert *Acadiensis*, 1992 [Le ministère des Affaires extérieures du Canada, Volume II](#) John Hilliker, 2017-06-07 Le minist re entretint des relations particuli rement troites avec les dirigeants politiques sous la direction de Lester Pearson qui apr s avoir t sous secr taire d tat pendant deux ans devint ministre des Affaires ext rieures en 1948 la fin des ann es 1950 le consensus en mati re de politique trang re fut entam plusieurs reprises L lection du gouvernement Diefenbaker en 1957 confronta le ministre de nouvelles priorit s et fa ons d agir Malgr le retour de Pearson comme premier

ministre en 1964 la contestation s'intensifia dans le public comme au sein du parti au pouvoir et dans le Cabinet. On demandait au ministre de procéder à la révolution administrative enclenchée par la Commission royale d'enquête sur l'organisation du gouvernement. La Commission Glassco instituée en 1960. La remise en question des principes régissant la politique étrangère canadienne se fit de plus en plus sentir alors que les attentes du public volaient plus rapidement que jamais et qu'une nouvelle génération de politiciens se voyait remettre les clés du pouvoir avec l'élection de Pierre Trudeau en 1968. Publié en français. **Canadian Book Review Annual**, 1992. **Expanding Our Political Horizons** James John Guy, 1997.
