Boojums All the Way Through N. David Mermin, 1990-03-15 Boojums All the Way Through is a collection of essays that deals in a variety of ways with the problem of communicating modern physics to both physicists and non physicists The author is Professor David Mermin a well known theoretical physicist who recently won the first Julius Edgar Lileinfeld prize of the American Physical Society for his remarkable clarity and wit as a lecturer to nonspecialists on difficult subjects David Mermin's wry humour is clearly apparent in most of these articles but even those that are more serious are characterized by a liveliness and commitment to finding startlingly simple ways of presenting ideas that are traditionally regarded as complex This book will appeal to physicists at all levels to mathematicians scientists and engineers and indeed to anyone who enjoys reading non technical accounts of new ways of looking at modern science
