

## **RED, WHITE, AND BLUE**

by Libby Martinez

My favorite colors  
are red, white, and blue,  
the colors of the flag  
that flaps,  
and snaps,  
and waves in the wind,  
in front of my *abuelo's* house.

Sometimes we stand  
in the cool green grass,  
put our hand  
over our heart,  
look up at the flag  
and count the fifty stars  
for all fifty states.

My *abuelo* says,  
"This flag belongs to everyone  
who loves this country,  
*América*,  
because this country  
loves each of us."

## **ROJO, BLANCO Y AZUL**

basado en "Red, White, and Blue"  
por Libby Martinez

Mis colores preferidos  
son el rojo, el blanco y el azul,  
colores de la bandera  
que flamea,  
se sacude  
y con el viento ondea  
frente a la casa de mi abuelo.

A veces nos paramos  
en el césped fresco,  
nos ponemos  
la mano sobre el corazón,  
miramos la bandera  
y contamos las cincuenta estrellas,  
una por cada estado.

El abuelo me explica:  
"Esta es la bandera  
de quienes aman a este país,  
los Estados Unidos de América,  
porque este país nos ama  
a cada uno de nosotros".

## Red White Blue Poem:

The Red, White & Blue Poem Susan Fromberg Schaeffer, 1977-01-01      The Red White and Blue Poem Susan Fromberg Schaeffer, 1977-03-01      *Red, White, Blue* Lea Carpenter, 2019-06-04 A dark powerful and subtly crafted novel that traces the intertwined fates of a CIA case officer and a young woman who is forced to confront her dead father's secret past at once a gripping immersive tale of duplicity and espionage and a moving story of love and loyalty Anna is the beloved only child of the charismatic Noel a New York City banker and a mother who abandoned her When Noel dies in a mysterious skiing accident in Switzerland the day before his daughter's wedding Anna consumed by grief grows increasingly distant from her prominent music producing husband who begins running for office One day while on her honeymoon in the south of France Anna meets an enigmatic stranger who will cause perhaps even greater upheaval in her life It will soon become clear that this meeting was no chance encounter this man once worked with Anna's father and has information about parts of Noel's life that Anna never knew When she arrives back in New York she receives a parcel that contains a series of cryptic recordings and videos showing Noel at the center of a brutal interrogation Soon everything Anna knows about her father's life and his death is called into question launching her into a desperate search for the truth Smart fast moving and suspenseful *Red White Blue* plunges us into the inner workings of the CIA a China Ops gone wrong and the consequences of a collision between one's deepest personal ties and the most exacting and fateful professional commitment      **Red, White & True Blue Mallory** Laurie Friedman, 2013-08-01 Mallory is in Washington D C with her fourth grade class She can't wait to see the famous monuments and museums But from the moment she sets foot in the nation's capital there's one thing she doesn't see much of her best friend Mary Ann is spending so much time with the new boy in their class she's forgotten all about being partners with Mallory And when Mallory wanders off to wiggle her loose tooth her tooth isn't the only thing that is lost Will Mallory's trip to Washington turn out to be one she'll always remember or something she'd rather forget      **9-11 is RED, WHITE and BLUE** Linda Glod, 2023-03-30 9 11 is Red White and Blue by Linda Glod is a lively poetry book of and for the young and the young at heart 9 11 is Red White and Blue captures life experiences both joyful and tragic to include memorial tributes Linda's poetry relates the impishness of Mother Nature and the realities of living through the Corona virus pandemic 9 11 is Red White and Blue creates a poetic bridge that connects body mind and spirit through verse on the journey of life      **Red, White and Blue** Robert Gehring Schaefer, 1917      *Greening the Red, White, and Blue* Thomas Jundt, 2014 In popular imagination environmentalism is often linked to Rachel Carson's *Silent Spring* and the political activism of the 1960s and 70s that moved increasing numbers of Americans to insist on a better quality of life open spaces clean air and water beautification campaigns But these interpretations have obscured the significant origins of environmentalism as a moral and intellectual broadside against the growing power of corporate capitalism both domestically and in the postwar liberal international order the United States was enacting abroad In *Greening the Red White and Blue*

Thomas Jundt shows how many Americans came to view powerful corporations and a federal government bent on economic growth as threats to human health and the environment. Fallout from atomic testing, air and water pollution, the proliferation of pesticides and herbicides all connected to the growing dominance of technology and corporate capitalism in American life led a variety of constituencies to seek solutions in what came to be known as environmentalism. In addition to political and legal campaigns to effect change, an alternative form of civic participation emerged beginning in the late 1940s as growing numbers of citizens turned to what they deemed environmentally friendly consumption practices. The goal of this politically charged consumption was not only to protect themselves and their families from harm but also to achieve social change at a time when many believed the government was placing the desires of business before the needs of its citizens. Politicians responded to the growing environmental concerns of middle class Americans but in the end, continual political compromises with corporate power meant weak laws and lax enforcement. Many citizens sought refuge in an alternative green marketplace including organic foods, natural fiber clothing, alternative energy, and everyday products designed to have minimal environmental impact. In doing so, they attempted to create a community for those who shared their concerns and frustrations as well as their vision for a different American Way. Thomas Jundt's work highlights the intertwining of consumerism and environmentalism amidst the growing power of corporate capitalism and government in postwar America. Red, White, and Black Make Blue Andrea Feeser, 2013. Like cotton, indigo has defied its humble origins. Left alone, it might have been a regional plant with minimal reach, a localized way of dyeing textiles, paper, and other goods with a bit of blue. But when blue became the most popular color for the textiles that Britain turned out in large quantities in the eighteenth century, the South Carolina indigo that colored most of this cloth became a major component in transatlantic commodity chains. In Red, White, and Black Make Blue, Andrea Feeser tells the stories of all the peoples who made indigo a key part of the colonial South Carolina experience as she explores indigo's relationships to land use, slave labor, textile production, and sartorial expression and fortune building. In the eighteenth century, indigo played a central role in the development of South Carolina. The popularity of the color blue among the upper and lower classes ensured a high demand for indigo, and the climate in the region proved sound for its cultivation. Cheap labor by slaves, both black and Native American, made commoditization of indigo possible. And due to land grabs by colonists from the enslaved or expelled indigenous peoples, the expansion into the backcountry made plenty of land available on which to cultivate the crop. Feeser recounts specific histories uncovered for the first time during her research of how the Native Americans and African slaves made the success of indigo in South Carolina possible. She also emphasizes the material culture around particular objects including maps, prints, paintings, and clothing. Red, White, and Black Make Blue is a fraught and compelling history of both exploitation and empowerment, revealing the legacy of a modest plant with an outsized impact. **An Introduction to Poetry in English** Eric Doumerc, Wendy Harding, 2007
