Rediscovering Reverence The Path To Intimacy:

Rediscovering Reverence, The Path to Intimacy Matt L Rawlins, 2005 Are you aching for an intimate walk with God One where you know He understands you and what you are going through Where you understand His heart and desire for you and you see His plan unfolding in your life Rediscovering Reverence unlocks the mystery of walking in daily intimacy with God Reverence due the Almighty is rarely taught from the pulpit anymore and a lack of knowledge of this important principle is robbing God's people of the intimacy they desire This roadblock keeps many from discovering a more fulfilling relationship with God today and the glorious future planned for them tomorrow Fear swirls around us insecurity becomes a good friend and terror seems to dwell on our doorstep We sense we need help but we don't know where to turn God tells us He is that dwelling place where we can hide from fear insecurity and terror But if we don't know who He is we won't know where to run This book has its biblical roots embedded in the numerous examples of great men and women of faith whose destinies were released only as they walked in the fear of the Lord The author also shares personal examples of his own journey in fearing the Lord Rediscovering Reverence explores the divine sequence in a reverent and intimate relationship with God Many people understand and long for intimacy with God but few in the West realize that the fear of the Lord is a foundation for that You can't have intimacy without reverence This fast paced and readable book maintains a compassionate and personable tone while challenging the reader spiritually and intellectually Every Christian who yearns to discard his discontented lukewarm lifestyle and pursue a serious and fulfilling life in God should read Rediscovering Reverence

Emails from Hell Matt Rawlins, 1999 The devious ideas and strategies used to bring down leaders of groups organizations even nations are revealed in the intercepted diabolical e-mails of an executive demon to his student trainee Christian Living Language and Deed Frank Schalow, 2022-05-20 This book examines Heidegger's controversial relation to politics as it grows out of his understanding of his predecessors in German Idealism most notably Hegel This way of developing a dialogue between Heidegger and Hegel on the issue of politics provides an important context for questioning the former's link with National Socialism Yet the book does not simply condemn Heidegger for his Nazi involvement nor claim that his thinking is free from dangerous political implications On the contrary a second level of questioning asks whether Heidegger's philosophy can be appropriated in alternative contexts which permit the affirmation of democratic principles Thus the book concludes by examining the import which Heidegger's thought has on cultivating such democratic motifs as freedom of speech and civil disobedience The book is especially of interest to advanced undergraduates graduate students and scholars in the areas of German idealism phenomenology social and political philosophy and the history of philosophy *The Marriage Spirit* Evelyn Moschetta, Paul Moschetta, 1998 The charismatic husband and wife counseling team who collaborated on the hugely popular Ladies Home Journal feature Can This Marriage Be Saved now presents a book which teaches couples how to transcend ordinary companionship to find extraordinary love and joy **Knack Astrology**

Drawing Near John Bevere, 2004 In Drawing Near John Bevere urges you not to settle for the dry shadow of Christianity that knows about God without knowing God The incredible invitation from the Creator of the universe is not just to worship Him from afar with words and rituals but to enter a relationship so meaningful and intimate that you know His heart and He knows yours Often we feel God is distant but Bevere says the cause is not God but ourselves Our focus on possessions entertainment and feel good worship form barriers to Him But when we open our lives to Him in humility and obedience He fills us with His Holy Spirit and reveals Himself to us Prayer transforms

from a dry one way monologue to a loving dialogue between companions each sharing the deepest secrets of the heart In restoring this intimate relationship with God you will form a loving union with Him that fills your life with joy and passion In this book best selling author John Bevere reveals how Scripture repeatedly declares that God desires a close relationship with us When we draw near to Him we find the presence of His Holy Spirit to be the most energizing exhilarating and transforming experience we have ever known It s hard to want something you don t even know is missing Sadly many of us settle for a bland religion of the mind missing out on the burning ecstasy of intimacy with God We ignore God s holiness expecting to be filled with His Spirit without cleansing our lives in order to receive Him But we were created for intimate fellowship with God Drawing from his own journey Bevere shows us the way to rewarding companionship with God Instead of a set of mechanical instructions he gives us a treasure map pointing to God s heart Intimacy can never become a step by step process Bevere explains Rather it is yielding to the entreaty of the greatest lover in the universe and entering an intimate passionate relationship of oneness with Him Book jacket
