## **Rediscovery Of Creation A Bibliographical Study Of The Churchs Response To The Environmental Crisis:**

*Christianity and Ecological Theology* E. M. Conradie, 2006-10-01 There has been a proliferation of publications in the field of Christian ecological theology over the last three decades or so These include a number of recent edited volumes each covering a range of topics and consolidating many of the emerging insights in ecological theology The call for Christian churches to respond to the environmental crisis has been reiterated numerous times in this vast corpus of literature also in South Africa

**Rediscovery of Creation** Joseph K. Sheldon, 1992-03 With 1700 references this work is of critical importance to pastors theologians scientists and those in the environmental field who wish to explore how the church has responded to the environmental crisis necessary considerable scope *THE CHRISTIAN CENTURY* **Biblical Counsel**, 1993

**The Augustana Evangelical Lutheran Church in Print** Virginia P. Follstad, 2007 This book identifies more than 300 periodicals published by the Augusta Evangelical Lutheran Church its agencies and various related institutions Follstad presents these journals magazines and newspapers and briefly explains their contents when and by whom they were published and where materials are located in libraries and archives in the United States Canada and Sweden Anyone researching Swedish American history and culture the history of the Lutheran Church in the United States and Canada Swedish American church history and the history and inner life of Augustana Evangelical Lutherans will find this a helpful guide **BOOK JACKET**

**Baptist Successionism** James Edward McGoldrick, 1999-11-17 an important contribution it is difficult to see how the historical argument could be any better presented than has been done by James McGoldrick

*Toward an Ecology of Transfiguration* John Chryssavgis, Bruce V. Foltz, 2013-06-03 Can Orthodox Christianity offer spiritual resources uniquely suited to the environmental concerns of today This book makes the case emphatically that it can indeed In addition to being the first substantial and comprehensive collection of essays in any language to address environmental issues from the Orthodox point of view this volume with contributions from many of the most influential theologians and philosophers in contemporary world Orthodoxy will engage a wide audience in academic as well as popular circles resonating not only with Orthodox audiences but with all those in search of a fresh approach to environmental theory and ethics that can bring to bear the resources of ancient spirituality often virtually unknown in the West on modern challenges and dilemmas

**Environmental Stewardship** Robert James Berry, 2006-03-13 Is stewardship a useful way of regarding our relationship with our environment or is it a dangerous excuse for plunder Is it possible for us to be effective stewards This book gathers together expositions of stewardship with criticisms of the concept and adds other contributions written especially for this collection

*The Literature of Theology* David R. Stewart, 2003-01-01 This updated reference guide directs students to over five hundred significant theological resources across a wide area of theological research It details bibliographic sources for encyclopedias dictionaries and electronic resources in biblical studies historical studies theology and practical theology

*Keeping God's Earth* Noah Toly, Noah J. Toly, Daniel I. Block, 2010-05-26 Diversity of life

Water resources Global climate change Cities and global environmental issues We all know being a Christian involves ethical responsibility But what exactly are our environmental obligations This unique volume teams up scientists with biblical scholars to help us discern just not that question What does the Lord require of us **Tao te Ching** Lao Tzu,2021-04-06 Although translations and interpretations of the Tao te Ching abound and new editions are released yearly few accomplish the hard work of linking and bridging the Tao s profound message to the needs of modern readers There may be a profusion of versions but our lives and our world reflect little of the deep transformative potential of this important text Marc S Mullinax s new translation grows from extensive teaching experience and combines a deep understanding of the Tao s fourth century BCE Chinese context with an exciting two part application of that text to contemporary life First each of the eighty one verses is joined by a richly curated array of quotes sayings poems and stories from wisdom traditions around the globe With quotes ranging from Emerson to Pink Floyd and from the apostle Paul to Margaret Atwood the Tao s meaning comes alive in conversation with others Second a brief reflection puts the verse in historical context and highlights the transformative power of Wu Wei the non interfering action perfectly timed to promote peace and prevent injury to bring joy and justice to a hurting world *Emil Brunner* Mark G. McKim,1996 After an essay sketching Brunner s life and major theological contributions the bibliography is divided into parts on works written by Brunner edited by Brunner written by Brunner jointly with others prefaces and forewords and book reviews by Brunner as well as secondary sources For scholars in religious studies Annotation copyright by Book News Inc Portland OR *Hermann Sasse* Ronald R. Feuerhahn,1995 Provides a complete list of Dr Sasse s writings including unpublished essays and works about him All introductory sections are in English and German explanatory sections are likewise bilingual Indexes **Darwinism and Natural Theology** Andrew Robinson,2012-03-15 Can Christianity be reconciled with Darwin s theory of evolution by natural selection What relevance do the biological sciences have to religious thought Does Christian theology have anything to offer when it comes to formulating scientific hypotheses These questions are among those explored in this collection of essays arising from a meeting of the UK Science and Religion Forum held in Cambridge to mark the bicentenary of Darwin s birth and the 150th anniversary of the publication of *The Origin of Species* The volume brings together contributions from a distinguished group of scholars at the forefront of the field of science and religion including Denis Alexander R J Berry John Hedley Brooke Sarah Coakley Celia Deane Drummond David Fergusson David Knight Christopher Southgate Neil Spurway and Kenneth Wilson The essays are organized around the theme of natural theology the attempt to draw theological conclusions from reflection on the natural world The essays cover historical philosophical and theological perspectives and explore some contemporary approaches to natural theology in the context of Darwinism Is It Too Late? John B. Cobb Jr.,2021-04-20 In the fifty years since its initial publication *Is It Too Late* has proven its prescience in ways both significant and dire As the first book length philosophical and theological analysis of the environmental crisis this work introduced a generation to the key elements of

crisis while suggesting ways that religion can be a force for hope rather than an instrument of despair Covering an ambitious range of issues from deforestation to abortion from religious views of the natural world to the need for technological innovation to avoid nature's destruction John Cobb moves deftly from philosophical to theological to scientific learning and integrates these interdisciplinary insights into a compelling vision for what he calls a new Christianity Comprehensive in scope non technical in expression and concise in length *Is It Too Late* provides the scholar and the student alike with a readable and compelling orientation to the philosophical and theological stakes of ecology This Fortress edition includes a new preface in which Cobb reflects on the current situation the specific promises and perils we now face and how his own thinking on matters theological and ecological has evolved in the last half century      **Caring for Creation** Max Oelschlaeger, 1996-01-01 Argues that religion blamed for contributing to the ecological crisis provides an ethical context that will help solve the problem The approach suggests that the environmentally positive aspects in various Western creation stories demonstrate religion      **The Wilderness, the Nation, and the Electronic Era** Elmer J. O'Brien, 2009-07-29 The Wilderness the Nation and the Electronic Era American Christianity and Religious Communication 1620 2000 An Annotated Bibliography contains over 2 400 annotations of books book chapters essays periodical articles and selected dissertations dealing with the various means and technologies of Christian communication used by clergy churches denominations benevolent associations printers booksellers publishing houses and individuals and movements in their efforts to disseminate news knowledge and information about religious beliefs and life in the United States from colonial times to the present Providing access to the critical and interpretive literature about religious communication is significant and plays a central role in the recent trend in American historiography toward cultural history particularly as it relates to numerous collateral disciplines sociology anthropology education speech music literary studies art history and technology The book documents communication shifts from oral history to print to electronic and visual media and their adaptive uses in communication networks developed over the nation's history This reference brings bibliographic control to a large and diverse literature not previously identified or indexed      **The Oxford Handbook of Religion and Ecology** Roger S. Gottlieb, 2006-11-09 Ecologically oriented visions of God the Sacred the Earth and human beings The proposed handbook will serve as the definitive overview of these exciting new developments Divided into three main sections the book's essays will reflect the three dominant dimensions of the field Part I will explore      *Living in the Lamblight* Hans Boersma, 2001-01-08 In recent decades many fundamental Christian assumptions about the nature of God and the world have come under attack No longer can one assume even in many church circles that historic Christian beliefs about the Trinity and providence are generally accepted or understood Scientific knowledge and new technologies have also presented challenges for the church How for example should Christians understand the ecological crisis And how should the opening chapters of Genesis be understood in an age of genetic research and evolutionary science This collection of essays attempts to chart a faithful path for postmodern

Christians exploring the foundational ideas and concepts of a Christian worldview and suggesting their implications for Christian living today Contributors Hans Boersma John Cooper Marva J Dawn Michael W Goheen Christopher D Marshall Arnold E Sikkema John G Stackhouse Jr Rikki E Watts John R Wood      **History of the Telugu Christians** James Elisha Taneti, 2011-03-17 Christian communities in the state Andhra Pradesh of south India and the Telugu Christians in diaspora have passed their stories from one generation to the next by oral traditions as well as in scattered texts These memories have sustained Telugu Christian communities for over four centuries Yet there has been no significant attempt made to compile a comprehensive history of the Telugu Christians until James Elisha Taneti s *History of the Telugu Christians A Bibliography* This annotated bibliography lists more than 700 published and unpublished textual sources related to the history of Telugu Christians from south India Opening a window into the histories of 15 mission societies from the North American region *History of the Telugu Christians* lists monographs journal articles letters reports minutes and the proceedings of missionary conferences unpublished theses dissertations souvenirs and manuscripts The documents selected by Taneti were written or printed in the English or Telugu languages by native Christians and western missionaries Aimed to facilitate research and writing on Telugu Christians Taneti s insightful historiographical analysis and comprehensive list of bibliographic sources offer seminarians historians of Christianity and scholars of India the opportunity to study closely the meeting of East and West and the religious history of India through the founding and evolution of this community      *Ancient and Modern Chaldean History* Ray Kamoo, 1999 This volume presents a depiction of the Aramaic tribes of Mesopotamia it explores the ancient and modern periods the civil and religious influences and the pagan and Christian heritage For the past five centuries the name Chaldean has been applied to Aramaic speaking people of Mesopotamia and was the last term used to indicate Mesopotamian identity The author was inspired by the presence of over a hundred thousand Chaldeans in the United States to produce this reference He cites books and articles that deal with the history and culture ancient and modern periods the civil and religious influences and the pagan and Christian heritage The unannotated entries are arranged first by ancient and modern periods then by form such as English books and non English journal articles
