Eckhard J. Schnabel

Rediscovery Of Jesus Eschatological Discourse:

The Rediscovery of Jesus' Eschatological Discourse David Wenham,1984 The rediscovery of Jesus eschatological discourse : studies in the history of gospel traditions David Wenham,1984 **Gospel Perspectives: The rediscovery of**

Jesus' eschatological discourse R. T. France,David Wenham,1980 **Jesus Remembered** James D. G. Dunn,2003-07-29

In Christianity in the making James D G Dunn examines in depth the major factors that shaped first generation Christianity and beyond exploring the parting of the ways between Christianity and Judaism the Hellenization of Christianity and responses to Gnosticism He mines all the first and second century sources including the New Testament Gospels New Testament apocrypha and such church fathers as Ignatius Justin Martyr and Irenaeus showing how the Jesus tradition and the figures of James Paul Peter and John were still esteemed influences but were also the subject of intense controversy as the early church wrestled with its evolving identity *Christ and the Future in New Testament History* E. Earle

Ellis,2014-04-09 Christology and eschatology form a double core conception in the New Testament that enables one to understand other themes radiating out from it The present volume addresses fifteen topics within this central core seven on the person of Jesus and eight on this age and the age to come The essays interact with and further discussion on disputed topics in contemporary New Testament Studies including the historical Jesus and the Gospels deity christology in the Synoptics and in the Pauline writings the meaning of resurrection in the teaching of Jesus the Sadducees and Qumran eschatology in Luke s writings and the structure of Pauline eschatology New Testament teaching on hell and other christological and eschatological motifs Three concluding pieces provide the historical and hermeneutical framework from which the theological studies proceed This publication has also been published in paperback please click here for details

The Historical Reliability of the Gospels Craig L. Blomberg,2014-05-06 For over twenty years Craig Blomberg s The Historical Reliability of the Gospels has provided a useful antidote to many of the toxic effects of skeptical criticism of the Gospels He offers an overview of the history of Gospel criticism Thoroughly updated edition with added footnotes and two new appendixes *40 Questions About the End Times* Eckhard J. Schnabel,2012-01-12 This contribution to the 40 Questions series continues the tradition of excellent research presented in accessible language and clear writing Designed for both students and general readers this resource helps them make sense of one of the Bible s most difficult topics Eckhard Schnabel a professor at a leading seminary and the author of several major works looks at the future of the world the church and Israel the return of Jesus and the millennium and the final judgment He answers questions related to the rapture the 144 000 the identity of the two witnesses Armageddon how to interpret Revelation heaven and hell and so forth The result is an even handed treatment that avoids sensationalism and a newspaper headline approach to prophecy that is interpreting prophecy according to current events Rather Schnabel carefully studies the biblical text in light of its first century context and draws biblically based conclusions Contours of Christology in the New Testament Richard N.

Longenecker,2005-07-06 *Contours of Christology in the New Testament* features first class biblical scholars who steep readers in the biblical texts about Jesus These essays focus on the New Testament writers various understandings of Jesus their differing emphases seen as contours in the common landscape of New Testament christology Sweeping in scope the volume begins with a look at early christology and covers the whole of the New Testament from the Gospels to Revelation

Pauline Theology E. Earle Ellis,2005-02-08 The book should provide a lively counterpoint to both the standard liberal and conservative treatments in courses on Paul s view of ministry *Theology Today* Ellis judicious treatment and penetrating analysis of the relevant biblical material will force many of us to think more precisely about the concept of ministry in Paul s writings how ministry manifested itself in the churches of his day and what are its implications for us today *Westminster Theological Journal* Ellis gives a sound critique of liberation theology and sociopolitical action as ministry He gives a balanced view of the gifts and the fruit of the Spirit and on biblical grounds he defends the ordination of single and with qualifications married women Challenging but meant for the intelligent church member *Librarian s World* It s a gem It is a delightful summary in popular form of themes that Ellis has been at work on throughout his years of productive scholarship It is copiously footnoted with concise bibliographies on the points at hand Hence this short book becomes encyclopedic *Calvin Theological Journal* A splendid tour de force in the best sense James G D Dunn These essays represent in many respects a valuable corrective to much of what passes for biblical theology in our times Paul J Achtemeier **Gospel Perspectives,**

Volume 6 David Wenham,Craig Blomberg,2003-07-08 *Gospel Perspectives* is the fruit of the Gospels Research Project of Tyndale House Cambridge This six volume collection published between the years of 1981 and 1986 presents top evangelical scholarship on the Gospels Contributors include William Craig Richard Bauckham Murray Harris Peter Davids Robert Stein F F Bruce Leon Morris and D A Carson *The Book of Acts in Its Ancient Literary Setting* Bruce W. Winter,Andrew D.

Clarke,1993-11-18 Volume 5 in a series which strives to place the Book of Acts within its first century setting Irina Levinskaya employs impressive archaeological research to throw light on the relation of Jews to the societies in which they lived during the period of dispersion She surveys commonly held views and challenges current views regarding the true nature of Jewish missionary activity **Watchwords** Timothy Geddert,2015-01-29 Mark has written a remarkable Gospel Deceptively simple on the surface its mystery and ambiguity have intrigued and challenged scholar and lay reader alike Through veiled clues controlled word usage and carefully contrived ambiguity Mark embeds profound theological reflections in the stories he tells The eschatological discourse Mark 13 is a prime example Modern scholars have attempted in vain to eliminate the ambiguities of Mark 13 Does Mark expect the End to come very soon What is the relationship between the Fall of the Temple and the End of the Age But the evidence indicates that Mark has deliberately produced the very uncertainty which has troubled scholars and which they want to eliminate In Mark attention is diverted from signs and evidences to the twin and inseparable themes of discernment and discipleship These themes are captured by the two primary watchwords of

Mark 13 which call believers to understand the significance of events they experience and to serve and if necessary suffer faithfully in the unknown period before the return of the Son of Man In his communication techniques his content and his priorities Mark models himself after the Jesus he portrays He calls readers as Jesus called disciples to follow and to understand and sometimes to follow without understanding until the unknown future when the Son of Man will reveal in its fullness the Kingdom now secretly present for those with eyes to see and ears to hear *Expectations of the End* Albert

Hogeterp,2010-01-01 Since a fuller range of Qumran sectarian and not clearly sectarian texts and recensions has recently become available to us its implications for the comparative study of eschatological apocalyptic and messianic ideas in the Dead Sea Scrolls and in the New Testament need to be explored anew This book situates eschatological ideas in Qumran literature between biblical tradition and developments in late Second Temple Judaism and examines how the Qumran evidence on eschatology resurrection apocalypticism and messianism illuminates Palestinian Jewish settings of emerging Christianity The present study challenges previous dichotomies between realized and futuristic eschatology wisdom and apocalypticism and provides many new insights into intra Jewish dimensions to eschatological ideas in Palestinian Judaism and in the early Jesus movement **Matthew's Transfiguration Story and Jewish-Christian Controversy** A. D. A.

Moses,1996-01-01 The Gospel accounts of the transfiguration of Jesus continue to puzzle the average reader The purpose of this book is to address some of the perplexing issues surrounding the event and to explain the significance of the transfiguration particularly in Matthew s Gospel It demonstrates that Matthew s account of the event is to be seen in the context of first century controversy between Christians and Jews about Jesus and Moses with the Jews emphasizing Moses greatness and Matthew portraying the transfiguration within Moses Sinai categories and also in terms of the enigmatic Son of Man figure in Daniel 7 Possible influence of the transfiguration event is also seen elsewhere particularly in 2 Corinthians 3 and 4 where the author argues Paul uses his Damascus road experience as a counter to his opponents emphasis on the law and Peter s witness to Jesus transfiguration **The Gospel of Matthew** John Nolland,2005-11-01 Having devoted the past

ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel s sources or historical background Nolland places his central focus on the content and method of Matthew s story His work explores Matthew s narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark s presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew s Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches Nolland s Gospel of Matthew will stimulate

students preachers and scholars seeking to understand more fully Matthew's presentation of the gospel narrative

The Historical Jesus of the Gospels Craig S. Keener, 2009-11-03 The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in their early Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars So argues Craig Keener in *The Historical Jesus of the Gospels* In exploring the depth and riches of the material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history

Built Upon the Rock Daniel M. Gurtner, John Nolland, 2008-02-02 This collection of essays from the 2005 Tyndale Fellowship conference covers topics pertinent to the entire first Gospel including Matthew's sources the role of Jerusalem the problem of anti-Semitism Matthew's portrayal of salvation history and more Reflections by seasoned veterans Donald Hagner R T France David Wenham and others are featured complemented by the contributions of a number of scholars lesser known to the English speaking world Together these essays provide a valuable entry in the field by an international team of evangelical scholars addressing critical questions in Matthean studies Contributors Armin D Baum Stephanie L Black Jeannine K Brown Roland Deines Mervyn Eloff R T France Daniel M Gurtner Donald A Hagner James M Hamilton Jr David Instone Brewer John Nolland David Wenham

Matthew 24-25 as Prophetic-Apocalyptic Kennedy K. Ekeocha, 2024-01-10 Despite centuries of scholarly and popular engagement much confusion still hangs over Jesus Olivet Discourse There is no consensus on the nature and meaning of the disciples question in Matt 24:3 How is the temple's fate related to the parousia or second coming of Jesus Is the Great Tribulation past present or future Will Christians be raptured to heaven Should you rather prefer to be left behind Combining inductive and discourse grammar approaches as bases for literary structure and analysis this study is a holistic and compelling fresh interpretation of Jesus eschatological discourse that provides answers to these questions The author shows that extant interpretive frameworks fail to adequately account for the biblical data Moreover and unlike the available treatments the study sheds light on the discourse's structural and theological function within Matthew's Gospel as a whole and how it coheres with New Testament teaching in general

Striking New Images Larry Joseph Kreitzer, 1996-10-01 The eight chapters of this volume explore the contribution that numismatic studies can make to a serious investigation of the New Testament and its world The first two chapters focus on themes connected with the reign of the Julio-Claudian emperors the next three on aspects of Pauline letters that may be illuminated by specific issues of Roman coinage and the final three concentrate on coinage minted during the reign of the Emperor Hadrian

Interpreting the Parables Craig L. Blomberg, 2012-07-03 Craig Blomberg surveys the contemporary critical approaches to the parables including those that have emerged in the twenty years since the first edition This widely used text has taken a minority perspective and made

it mainstream with Blomberg ably defending a limited allegorical approach and offering brief interpretations of all the major parables

This is likewise one of the factors by obtaining the soft documents of this **Rediscovery Of Jesus Eschatological Discourse** by online. You might not require more period to spend to go to the books creation as without difficulty as search for them. In some cases, you likewise reach not discover the declaration Rediscovery Of Jesus Eschatological Discourse that you are looking for. It will categorically squander the time.

However below, in the manner of you visit this web page, it will be appropriately utterly simple to acquire as with ease as download guide Rediscovery Of Jesus Eschatological Discourse

It will not understand many period as we explain before. You can complete it while performance something else at home and even in your workplace. consequently easy! So, are you question?
