Rediscovery Of The Old Testament:

Toward Rediscovering the Old Testament Walter C. Kaiser, Jr.,1991 Understanding the Old Testament is the crucial problem for the Christian The three parts of this book the Old Testament and scholarship the Old Testament and theology and The Old Testament and life present issues rarely discussed by Christians as well as models and solutions for age old dilemmas

The Rediscovery of the Old Testament H H Rowley,2012-02-23 A reprint of a classic exposition of the understanding of the Old Testament Rowley brings the Old Testament back to the forefront of Scholarship and finds rich meaning in much of what has previously been buried Increasingly men are turning their thoughts to the deeper message of the Old Testament and finding richer meaning in the light of all work that has been done The Old Testament need not to be buried beneath the weight of scholarship but may rather stand on the foundation of scholarship sustained by it and firmly upheld before men from the Preface

The Re-discovery of the Old Testament Harold Henry Rowley,1969 *The Rediscovery of the Bible* William Neil,1954 *Rediscovery of the Old Testament* H. H. Rowley,1987-11 The importance of the Old Testament restated by a leading scholar

Re-Discovery of the Old Testament (Classic Reprint) Harold Henry Rowley,2018-01-25 Excerpt from Re Discovery of the Old Testament For Biblical quotations I have kept largely to familiar words though I have frequently modified the translation to some extent for reasons which are not stated since they would distract the general reader In no case has a change been introduced for a priori or dogmatic reasons but only where philological or textual support could be provided to justify the change It is a deep grief to me that while this book has been in the press Principal H Wheeler Robinson has passed from our midst I have left the Dedication unchanged I have to thank Professor A R Johnson for his help in reading the proofs and for his stimulating friendship which has yielded many suggestions embodied in this book I have also to thank Professor T W Manson for reading my work in proof and for many other kindnesses About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Reading the Old Testament with the Ancient Church (Evangelical Ressourcement) Ronald E. Heine,2007-09-01 The contemporary church dismisses Christianity's foundational Scriptures at its own peril However the teachings of the Old Testament are less and less at the center of congregational preaching and conversation The early church fathers visionaries such as Augustine Origen and Tertullian embraced the Hebrew Scriptures allowing the Old Testament to play a central role in the formation of their beliefs As today's Christians struggle to relate to concepts such as the Jewish law and the prophets pastors and laypersons benefit from looking through the lenses of these thoughtful
