Redneck Nation Michael Graham, 2025-05-01 A wicked concoction of down home hilarity and scathing political satire is served up in this provocative and entertaining look at the South's pervasive influence on America from one of the nation's funniest political observers **All-American Redneck** Matthew J. Ferrence, 2014-03-30 In contemporary culture the stereotypical trappings of redneckism have been appropriated for everything from movies like *Smokey and the Bandit* to comedy acts like Larry the Cable Guy Even a recent president George W Bush shunned his patrician pedigree in favor of cowboy authenticity to appeal to voters Whether identified with hard work and patriotism or with narrow minded bigotry the Redneck and its variants have become firmly established in American narrative consciousness This provocative book traces the emergence of the faux Redneck within the context of literary and cultural studies Examining the icon's foundations in James Fenimore Cooper's Natty Bumppo an ideal white man free of the boundaries of civilization and the degraded rural poor of Erskine Caldwell's *Tobacco Road* Matthew Ferrence shows how Redneck stereotypes were further extended in *Deliverance* both the novel and the film and in a popular cycle of movies starring Burt Reynolds in the 1970s and 80s among other manifestations As a contemporary cultural figure the author argues the Redneck represents no one in particular but offers a model of behavior and ideals for many Most important it has become a tool reductive confining and sometimes almost liberating by which elite forces gather and maintain social and economic power Those defying its boundaries as the Dixie Chicks did when they criticized President Bush and the Iraq invasion have done so at their own peril Ferrence contends that a refocus of attention to the complex realities depicted in the writings of such authors as Silas House Fred Chappell Janisse Ray and Trudier Harris can help dislodge persistent stereotypes and encourage more nuanced understandings of regional identity In a cultural moment when so called Reality Television has turned again toward popular images of rural Americans as in for example *Duck Dynasty* and *Moonshiners* *All American Redneck* reveals the way in which such images have long been manipulated for particular social goals almost always as a means to solidify the position of the powerful at the expense of the regional
