Reducing Adolescent Risk Toward An Integrated Approach:

Reducing Adolescent Risk Daniel Romer, 2003-04 Current policies treat adolescent risk behaviours as separate problems requiring separate solutions ignoring the overlap of many risk behaviours This text seeks to move beyond the fractured approach of preventing one kind of behaviour at a time and suggests more comprehensive prevention strategies Leading Psychoeducational Groups for Children and Adolescents Janice L. DeLucia-Waack, 2006-05-03 This book provides readers with direction on how to organize psychoeducational groups while also helping them enhance skills for effectively leading such groups all in one comprehensive volume Offering an applied pragmatic approach author Janice L DeLucia Waack uniquely integrates research and practice to suggest valuable leadership strategies while addressing special issues such as children of divorce anger management bullying behaviors and much more Religion, Family, and Chinese Youth Development Jerf W. K. Yeung, 2020-12-30 Religion is a fundamental cultural factor profoundly influential on human mental health and behavioural choices and in addition family is the most proximal and intimate socialization agent contributive to youth development Religion Family and Chinese Youth Development explores how religious involvement of Chinese parents affects their psychological health and family socialization which leads to various aspects of the development of Chinese youths Specifically a structural relationship between religion family socialization and youth development was constructed theoretically and tested empirically in the Chinese context which can portray the linked lives of religious involvement of Chinese parents parental psychological health family processes parenting practices the development of psychosocial maturity and the internalizing and externalizing outcomes of Chinese youths Undeniably the findings of this book provide insightful social and policy implications for researchers and human service practitioners related to Chinese societies By clearly depicting and empirically testing the connections between religion family and Chinese youth development the book can be a reference for clergy family practitioners researchers policy makers management of NGOs and graduate students of social sciences **Community Interventions and AIDS** Edison J. Trickett, Willo Pequegnat, 2005-09-01 Interventions with individuals who are at risk for HIV AIDS have been shown to have a positive short term impact This book provides an overarching framework based on an ecological approach for designing and implementing HIV AIDS intervention with longer term community impact It explains the basic aspects of this ecological perspective and provides examples of how it works It is specifically concerned with the question of the degree to which individuals behavior change can be sustained and whether interventions adequately respond to environmental risk factors **Problem Gambling in Europe** Gerhard Meyer, Tobias Hayer, Mark Griffiths, 2009-04-29 Problem Gambling in Europe Challenges Prevention and Interventions Edited by Gerhard Meyer University of Bremen Germany Tobias Hayer University of Bremen Germany Mark Griffiths Nottingham Trent University United Kingdom As a leisure activity gambling dates back to ancient times More recently the surge in avenues for gambling casinos sports betting lotteries and remote media e g Internet mobile phone interactive television among them

rather than only those who define themselves as sex therapists Handbook of Research on Leadership Experience for Academic Direction (LEAD) Programs for Student Success Salinitri, Geri, 2020-02-28 Leadership Experience for Academic Directions LEAD is a program that was developed as a service learning program for teacher candidates in preparation for the teaching career As youth populations continue to diversify and as the issues impacting youth continue to surface it is the responsibility of educators administrators and the governments to provide all the opportunities for youth to succeed academically socially and personally Teachers especially are instrumental in making this happen therefore it is imperative that teachers come into the profession with the cognitive and non cognitive skills to motivate youth to succeed The Handbook of Research on Leadership Experience for Academic Direction LEAD Programs for Student Success s a critical scholarly book that explores the many facets of the teaching profession as they relate to working with at risk youth and helping them reach their full potential This book provides the groundwork for programs that will succeed at the K 12 education level and at the teacher education level Featuring a range of topics such as human capital mental health and social learning theory this book is essential for academicians teaching professionals administrators professional development educators policymakers researchers and students *Murder in the Courtroom* Brigitte Vallabhajosula, 2015 Answers to many legal questions often depend on our understanding of the relationship between the human brain and behavior While there is no evidence to suggest that violence is the sole result of cognitive impairment research does suggest that frontal lobe impairment in particular may contribute to the etiology of violent behavior Murder in the Courtroom presents a comprehensive and detailed analysis of issues most relevant to answering questions regarding the link between cognitive functioning and violence It is the first book to focus exclusively on the etiology and assessment of cognitive impairment in the context of violent behavior and the challenges courts face in determining the reliability of neuroscience evidence provide objective discussions of currently available neuropsychological tests and neuroimaging techniques and their strengths and limitations provide a methodology for the assessment of cognitive dysfunction in the context of violent behavior that is likely to withstand a Daubert challenge and include detailed discussions of criminal cases to illustrate important points Clinical and forensic psychologists and psychiatrists cognitive neuroscientists and legal professionals will be able to use this book to further their understanding of the relationship between brain function and extreme violence Against the Wall Elijah Anderson, 2011-12-30 Selected by Choice magazine as an Outstanding Academic Title Typically residing in areas of concentrated urban poverty too many young black men are trapped in a horrific cycle that includes active discrimination unemployment violence crime prison and early death This toxic mixture has given rise to wider stereotypes that limit the social capital of all young black males Edited and with an introductory chapter by sociologist Elijah Anderson the essays in *Against the Wall* describe how the young black man has come to be identified publicly with crime and violence In reaction to his sense of rejection he may place an exaggerated emphasis on the integrity of his self expression in clothing and demeanor

by adopting the fashions of the street To those deeply invested in and associated with the dominant culture his attitude is perceived as profoundly oppositional His presence in public gathering places becomes disturbing to others and the stereotype of the dangerous young black male is perpetuated and strengthened To understand the origin of the problem and the prospects of the black inner city male it is essential to distinguish his experience from that of his pre Civil Rights Movement forebears In the 1950s as militant black people increasingly emerged to challenge the system the figure of the black male became more ambiguous and fearsome And while this activism did have the positive effect of creating opportunities for the black middle class who fled from the ghettos those who remained faced an increasingly desperate climate Featuring a foreword by Cornel West and sixteen original essays by contributors including William Julius Wilson Gerald D Jaynes Douglas S Massey and Peter Edelman Against the Wall illustrates how social distance increases as alienation and marginalization within the black male underclass persist thereby deepening the country s racial divide **Teen**

Gambling Jeffrey L. Derevensky,2015-03-06 In light of a growing epidemic of teen gambling this book provides a better understanding of the causes and extent of youth gambling problems assessment tools to identify teens with gambling addictions and related issues and strategies for the prevention and treatment of youth who gamble **Resilient Girls**

Stephanie R. Hawkins,2010-08 From 1991 to 2000 arrests of girls increased more than arrests of boys for most offenses By 2004 girls accounted for 30% of all juvenile arrests Resilience the psychological ability to successfully cope with severe stress and negative events is a widely studied concept that has important implications for the development of delinquency prevention and intervention programs Scientists still cannot completely explain why some children are resilient to the negative events in their life and others are not Furthermore factors associated with resilience may not be the same for both genders This report examines a select number of factors that research suggests may protect girls who are at risk for becoming delinquent Illustrations **The Changing Portrayal of Adolescents in the Media Since 1950** Patrick

Jamieson,Daniel Romer,2008-07-22 Adolescents are eager consumers of mass media entertainment and are particularly susceptible to various forms of media influence such as modeling desensitization and contagion These once controversial phenomena are now widely accepted along with the recognition that th media are a major socializer of youth During the economic boom of the post World War II era marketers and advertisers identified adolescents as a major audience which led to the emergence of a pervasive youth culture Enormous changes ensued in the media s portrayal of adolescents and the behaviors they emulate These changes were spurred by increased availability and consumption of television which joined radio film and magazines as major influence on youth Later the rapid growth of the video game industry and the internet contributed to the encompassing presence of the media Today opportunities for youthful expression about to the point where adolescents can easily create and disseminate content with little control by traditional media gatekeepers In The Changing Portrayals of Adolescents in the Media since 1950 leading scholars analyze the emergence of youth culture in music and

powerful trends in gender and ethnic racial representation sexuality substance use violence and suicide portrayed in the media This book illuminates the evolution of teen portrayal the potential consequences of these changes and the ways policy makers and parents can respond Invisible No More Pedro Noguera,Aída Hurtado,Edward Fergus,2013-06-17 This groundbreaking interdisciplinary volume addresses the dearth of scholarship and information about Latino men and boys to further our understanding of the unique challenges and obstacles that they confront during this historical moment

Mental Disorders of the New Millennium Thomas G. Plante Ph.D.,2006-08-30 Tragically the daily news is filled with stories about hurtful and seemingly mystifying problems in human behavior Each morning we face news stories about murder suicide drunken driving accidents child molestation drug abuse gambling criminal behavior and so forth The cover stories of news magazines from Time and Newsweek to U S News and World Report often focus on abnormal psychology and behavior connected to these particular topics as well as to autism child hyperactivity depression eating disorders and more In these volumes experts in their respective fields draw together compelling chapters on the abnormal psychology and resulting behaviors that are today most often and most dramatically at issue in our world including such topics as workaholism Written with accessibility in mind the set is intended to bridge the gap between research monographs and self help books to give layreaders and students solid and up to date information without having to translate jargon heavy text Most people today are impacted by abnormal behavior or mental illness in some way Some suffer from their own mental disorders or live with someone who does Others have been victimized by people experiencing abnormal psychology including the 20% of American women and 15% of American men reporting they were sexually abused as children Mental illness and abnormal behavior touches all of us This set can help us cope The Praeger International Collection on Addictions Angela Brownemiller Ph.D.,2009-04-30 Only the very rare among us are completely unscathed by the effects of addiction our own that of a family member friend or coworker Even the addictions of strangers from the drunk driver or drug addict to gambling food spending or violence addicted people may subject us to dangers threaten our well being and drain money from our pockets Recent national estimates in just the US show that substance abuse and addiction alone cost taxpayers a total of nearly 500 billion a year In these volumes experts from around the world present the newest issues research and insights into addictions of all kinds Led by Angela Browne Miller Director of the Metaxis Compulsive and Habitual Behaviors Institute in California this team of contributors includes scholars and practitioners from the United States Canada the United Kingdom Sweden Thailand Africa and Russia Topics range from drug addiction among male female teen and aging populations and among White Hispanic Black Asian Native American and other groups using liquor cocaine methamphetamine khat and or other lesser known drugs to behavioral addictions including online gaming excessive buying and eating disorders Chapters also address issues including addiction as a public health problem and the politics of drug treatment policies Treatment methods for addictions from electrotherapy to holistic approaches are addressed as are spiritual psychological and cross cultural
