Reference Material For Young People:

A Guide to Children's Reference Books and Multimedia Material Susan Hancock, 2018-10-26 First published in 1998 A Guide to Children's Reference Books and Multi Material provides essential information on over 250 children's reference products for parents teachers and librarians wishing to purchase the best books and multimedia material in the late 90's

Reference and Information Sources and Services for Children and Young Adults Lesley S.J. Farmer, 2022-09-01 Reference and information services are more important than ever for today's young people By analyzing key features of reference and information services to young people in school and public library environments including the research behind the trends and issues librarians can make sure that those services are appropriately responsive to children and teens Based on standards and evidence based practice this book helps you to optimize those resources and services by providing guidance in assessing youth communities determining youth's information needs and information behaviors developing and maintaining age appropriate reference collections starting with the book's core list of print and online resources optimizing physical and virtual access to reference and information sources interacting with youth and facilitating their reference and information literacy skills curating and producing reference and information products dealing with relevant legal and ethical issues and planning effective library reference and information services for youth Chapter sidebar examples provide food for thought

Literacy and Reading Programmes for Children and Young People: Case Studies from Around the Globe Patrick Lo, Stephanie H. S. Wu, Andrew J. Stark, Bradley Allard, 2022-01-26 Literacy and Reading Programmes for Children and Young People Case Studies from Around the Globe presents interviews with over 40 librarians from around the world who tell of their library programs The volumes are arranged geographically with Volume 1 offering interviews from library professionals from the USA and Europe and with Volume 2 sharing programs from Asia Africa Australia and the Middle East The volumes highlight the diversity of the types of programs catering to the varying needs of children and young adults throughout the world Case studies featured in this book outline the details of programs events and activities provided by over 40 organizations in the context of social capital and social inclusion Each interview chapter discusses the contributions made to literacy development and community building of children and teens With the many variations and examples of best practice librarians and educators can glean new ideas for their own programs The interviews reveal the challenges and issues faced and the work being achieved in vastly different environments in many geographic areas and in diverse economic social and cultural contexts The programs include those of national and state libraries public libraries and mobile libraries carried out by public libraries NGOs and commercial organizations in both developed and developing countries They also feature programs of multicultural libraries libraries for indigenous people and libraries for refugees This publication complements the range of initiatives and activities carried out by IFLA's Libraries for Children and Young Adults Section that supports library services and reading promotion initiatives catering to children and

young adults around the world These volumes are rich in variety and will provide much food for thought for creating unique and successful library programs

Reference and Information Services Melissa A. Wong, Laura Saunders, 2020-05-04

This revised and updated sixth edition of Reference and Information Services continues the book's rich tradition covering all phases of reference and information services with less emphasis on print and more emphasis on strategies and scenarios Reference and Information Services is the go-to textbook for MSLIS and i School courses on reference services and related topics It is also a helpful handbook for practitioners Authors include LIS faculty and professionals who have relevant degrees in their areas and who have published extensively on their topics The first half of the book provides an overview of reference services and techniques for service provision including the reference interview ethics instruction reader's advisory and services to diverse populations including children This part of the book establishes a foundation of knowledge on reference service and frames each topic with ethical and social justice perspectives The second part of the book offers an overview of the information life cycle and dissemination of information followed by an in-depth examination of information sources by type including dictionaries encyclopedias indexes and abstracts as well as by broad subject areas including government statistics and data health and legal information This second section introduces the tools and resources that reference professionals use to provide the services described in the first half of the text
