Reflections From Beyond:

Reflections - Beyond Thought Susan Sosbe, 2014-02-28 *Reflections Beyond Thought* is a moving often amusing account of the author's personal journey. Struck by life-changing illness she fights all that challenges her until forced to surrender and in that moment to hear answers to her lifelong quest as she learns not only the nature of her own suffering but that of all mankind. The author reflects on more unusual events in her life. A profound spiritual experience whilst lost in the Norwegian mountains, the horrors and joys of giving birth in a public hospital in Kuwait and the isolation of the lonely seas whilst working as a ship's nurse are but a few seemingly spun by the hand of unseen forces to offer just another thread to the spiritual tapestry of life. Every story has its climax. Responding to an inexplicable moment of spontaneity the author moves from her Buckinghamshire home with all her animals to live in France. The real purpose of the relocation however is only revealed as its truth illumines in the stillness of the forest a story that will inspire and give hope to many. **Reflections from**

Beyond Jeannie Judd, 2001-06-01 *Reflections from Beyond* William Degraftcoleman, 2011-08 Life is of course our greatest challenge. Through our attitudes and actions we choose whether we will live it greatly with grace and power or live it in vain unhappiness and pain. It is within our capacity as humans to live with wisdom and faith in ourselves in our Creator and in those with whom we share the earth. To perceive words of wisdom one must do one thing. Listen. In his new book *Reflections from Beyond* A Pocket Book of Wisdom author William deGraftColeman reminds all of us sufferers and healthy alike that even though strife abounds everywhere in our world all is not lost imbedded in each and every one of us is the power to make life worth living. Instead of looking down on others let others look up to you. To acknowledge your imperfections is to appreciate your very humanity but to decline is to deny your very essence. With over 500 pearls of wisdom *Reflections from Beyond* was born as deGraftColeman gradually lifted the shroud that more than twenty years of crippling anxiety had cast on his life. The miracle that woke him into living fully can be realized by all of us through these indispensable and thought provoking insights. With our hearts open and our feet upon our true path we will find our great fortune in the gift of life. **Reflections**

Beyond Sandra Corton, 2020-07-23 Charlie was average and she hated being average. That all changed one year with a forced visit to her grandparents which sounded innocent enough until she disappeared. She returned six months later not knowing that time had lapsed in her absence with no memories of what had happened looking the same as the day she left. Everything becomes confusing. There is talk of a world called Argonia that she has no memories of. An evil man who intended to seek her out. He who stole her memories which he kept hidden from her. A prophecy that revolves around saving this strange new world. While everything seems to involve an elaborate mirror that leads to a mystery world. When a gorgeous guy named Caden appears on the scene he only has eyes for her and seems to hold the answer to her mysteries. Can he help her solve the riddle of her life before it's too late? Could she be the saviour of a world she had never heard of? Join Charlie and Caden on an adventure of love lost and rediscovered an interminable evil and a world full of wonders. *Reflections of the*
