"Wayne,2025-08-19 This is a novel based on a true story about a teenager who took his father s car joyriding one night just for fun He was pulled over and arrested and sent to a detention center for fifteen months and twenty three days Unbeknown to him at this time that his life would never be the same The punishment would leave him bitter for a very long time and his parents absences during his months of imprisonment only fanned the flames The story takes a turn going into his third month inside the detention center after receiving a gift from God a gift of writing After receiving this gift he was able to put light inside a very dark place Even though the gift was a blessing once he was released he suddenly became dysfunctional and he felt it was by design The young man had felt he was the victim of systemic racism and that he had been trapped into a system that had taken his name and had replaced it with a number that would label him for many years to come The months inside the detention center would transform him into a mean and cold hearted individual Soon he would become a career criminal and a two strike felon His brief intermissions in and out of jails and prison turned him into a drug addict and alcoholic as a coping mechanism to get through a day He would receive a rude awakening when he was released from prison the second time His mother had lost her eyesight from diabetics When she became blind this is when the young man began to see

*The Heart of God* Kenneth Boa,2005 Guides readers through ninety days of Scripture based prayer on the topics of praise and worship confession personal commitment biblical affirmation and thanksgiving      Reflections of a Healing Heart T. Monique,2022-03-27 Healing is a process a personal process that encompasses individual strength behaviors actions and attitudes We get to decide when how and why we complete the healing process Many times we petition for God to speak to acknowledge or to send a sign for the pain challenges and places we face If we listen close enough or pay attention we will find He does send a Word through a scripture person circumstance or our own prayers Unfortunately there are times we simply miss it Times when we overlook the exact thing we asked God for and there are times when we can t recognize God s answer amid our troubles because they feel so loud big painful This compilation of Love Letters Notes of Encouragement Pivot Points and Prayers are a remembrance of God s Word speaking to the challenges pains and places over a young adult life resulting in hope encouragement and connection Through the Love Letters we see how God s love is revealed and supported by scripture In Notes of Encouragement we find God s word releasing us from the frustrations of disappointment resentment and perceived failed opportunities In Pivot Points we find God s word soothing our decisions discretions and

renewing hope Finally in Prayers we find an honest conversation with the Father The reflections within the Love Letters Notes of Encouragement Pivot Points and Prayers acknowledge the hurt which began the healing process We all deserve to heal from past hurts to embrace the possibilities of future happiness Recognizing that the Father will answer that healing is possible and He wants us to be filled with the Fruit of the Spirit is a beautiful phenomenon filled with real hope There is a petition for each of you to lean in to listen for or remember when God spoke directly to your challenge pain and place Be encouraged Heart of the Matter Christian Counseling & Educational Foundation (CCEF),2012-10-01 Change that goes deeper than the surface of our lives happens over the long haul as we daily remember and connect the truths of the gospel to our lives Every day we need to be reminded in different ways that Jesus God s own Son came to this world to save us from sin sorrow and death The promises of God which are all yes in Jesus **Awareness of the Heart** Dennis Maglinte,2011-01-06 So often in many people s lives there is an awakening For some it comes out of nowhere and for others it seems as though it has always been Seemingly from darkness a light turns on and all that was once confusing becomes clear and all that was once hidden is revealed Some call this enlightenment Some call this a revelation Some call this peace I call it an awareness of the heart The following passages were written between late 2002 until 2010 Inspired by those around me including loved ones family friends and strangers and by the happenings of the world we share my heart was poured onto paper Though these words were written by my hand and sometimes spoken by my tongue there is nothing unique about them for the stirring in me is also in you So whether you choose to read the following passages in order read it backwards or randomly allow yourself to pick a page don t follow me Instead take a journey into your own heart and see where it takes you Throughout these pages you will find references to God Allah Great Spirit The Divine Elohim Yahweh Jehovah He who has no name and a myriad of other beliefs Though our words and our thoughts may differ today allow yourself to read with an open mind an open heart and an open spirit Let your heart inspire you Let God work through you by being you *Beautiful Reflections* Judy Kay Johnson,2002-11 **"Reflections from My Heart"** , **Reflections of a Sufi** Anab Whitehouse,2018-11-06 The fifty two chapters not counting five appendices that make up the main body of this book encompass lectures articles and letters e mails written over a period of about eleven years from about 1998 through 2009 The material covers a variety of thematic topics both within Islam in general as well as in relation to its mystical dimension of tasawwuf known in the West as the Sufi path or sufism in particular Taken collectively the chapters and appendices provide a very good introduction to both the Sufi path and Islam *Practical Reflections for Every Day in the Year.
