## **Reflections Of The Christ Mind:**

Reflections of the Christ Mind Paul Ferrini, 2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold. Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love. So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted. In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching. Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness. Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him. *Reflections of the Christ Mind* presents the most important teachings the author has received through his spiritual awakening. Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness. The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts. Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today.      **Reflections of the Christ Mind** Paul Ferrini, 2000

*Love Without Conditions* Paul Ferrini, 2021-11-02 The incredible book from Jesus calling us to awaken to our own Christhood. Rarely has any book conveyed the teachings of the master in such a simple but profound manner. This book will help you to bring your understanding from the head to the heart so that you can model the teachings of love and forgiveness in your daily life.      *Christ Mind Series* Paul Ferrini, 1998-06-01 *Reflections of the Christ Mind* contains key excerpts from *Love Without Conditions*, *Silence of the Heart*, *Miracle of Love* and *Return to the Garden*. It presents the most important teachings in the Christ Mind series. These words can inspire you to greater insights and understandings to more clarity and a grander resolve to make changes in your life that can truly change the world.      **The Silence of the Heart** Paul Ferrini, 1996 A powerful sequel to *Love Without Conditions*. John Bradshaw says with deep insight and sparkling clarity this book demonstrates that the roots of all abuse are to be found in our own self betrayal. Paul Ferrini leads us skilfully and courageously beyond shame blame and attachment to our wounds into the depths of self forgiveness a must read for all people who are ready to take responsibility for their own healing.      **Putting on the Mind of Christ** Jim Marion, 2011-11-01 Jim Marion's book returns us to the central challenge Christianity ought to be handing us. Indeed how do we put on the mind of Christ? How do we see through his eyes? How do we feel through his heart? How do we learn to respond to the world with that same wholeness and healing love? That's what Christian orthodoxy really is all about. It's not about right belief it's about right practice. Cynthia Bourgeault author of *The Wisdom Jesus*. What does it mean to follow the path of Christ today? *Putting on the Mind of Christ* is the first book to offer an integral understanding of the Christian spiritual path one that examines the basic stages of spiritual development described by the great saints and sages along with the psychological stages of

development used by modern psychology American mystic Jim Marion draws upon his own rich spiritual experience and deep understanding of scriptural models to show readers how to emulate the developmental stages of the Christ how to put on the mind of Christ to achieve spiritual illumination and communion with the Christ He examines the seven levels of consciousness of the human personality mapped by the work of Jean Piaget Carol Milligan and Lawrence Kohlberg and leads readers to the consciousness that Jesus called the Kingdom of Heaven the highest level of spiritual development Marion shows how inner spiritual growth has always been the true essence of Christian practice and shares his own spiritual experiences within a Christ focused framework Pioneering transcendent and grounded Putting on the Mind of Christ will permanently alter the landscape of 21st century Christianity
