Reforming Human Rights:

Globalisation, Human Rights Education and Reforms Joseph Zajda,Sev Ozdowski,2016-09-23 This book the seventeenth instalment in the 24 volume series Globalisation Comparative Education and Policy Research explores the interrelationship between ideology the state and human rights education reforms setting it in a global context The book examines major human rights education reforms and policy issues in a global culture It focuses on the ambivalent and problematic relationship between the state globalisation and human rights education discourses Using a number of diverse paradigms ranging from critical theory to historical comparative research the authors examine the reasons for and the outcomes of human rights education reforms and policy The authors discuss discourses surrounding the major dimensions affecting the human rights education namely national identity democracy and ideology These dimensions are among the most critical and significant dimensions defining and contextualising the processes surrounding the nation building identity politics and human rights education globally With this as its focus the chapters represent hand picked scholarly research on major discourses in the field of human rights education reforms The book draws upon recent studies in the areas of globalisation equality and the role of the state in human rights education reforms Furthermore the perception of globalisation as dynamic and multi faceted processes clearly necessitates a multiple perspective approach in the study of human rights education This book provides that perspective commendably It also critiques current human rights education practices and policy reforms It illustrates the way shifts in the relationship between the state and human rights education policy In the book the authors who come from diverse backgrounds and regions attempt insightfully to provide a worldview of current developments in research concerning human rights education and citizenship education globally The book contributes in a very scholarly way to a more holistic understanding of the nexus between nation state human rights education both locally and globally

Reforming the United Nations United States. Congress. House. Committee on Foreign Affairs,2011 *Reforming the United Nations [electronic resource]* Joachim Müller,2006 The United Nations is in need of reform There has always been widespread agreement that this is the case indeed throughout the 60 year history of the Organization Differences over the best cure reflect the political confrontation between its 191 member states The institution has been criticized to lack legitimacy to need accountability and to be inefficient with a bloated bureaucracy Recently allegations of mismanagement and corruption in the Oil for Food Program have led to a crisis of confidence The public debate followed reform initiatives for enlarging the Security Council achieving the Millennium Development Goals and establishing new collective mechanisms to protect human rights counter terrorism and respond to crimes against humanity Strengthening oversight governance and management practices aimed at introducing fundamental institutional changes The publication describes the reform process leading to the United Nations Summit in September 2005 The achievements remain disappointing with the failure to approve a grand bargain A number of recommendations are put forward to facilitate the reform process in the United Nations realising however that this will

remain cumbersome and a lengthy step by step effort

Reforming the United Nations: New Initiatives and Past Efforts Joachim Müller, This three volume set describes and brings together 50 key reform proposals originating inside and outside the United Nations The documentation contained in this publication touches upon all aspects of the United Nations and covers the full spectrum of proposals and initiatives It is hoped that the information provided will assist those involved in current efforts in reassessing and reshaping the Organization and will serve as a useful reference set for policy makers researchers and the interested public *United Nations reforms progressing, but comprehensive assessments needed to measure impact.*, 2004

Legal and Political Reforms in Saudi Arabia Joseph A. Kechichian, 2013 The fractious relationship between the United States and Saudi Arabia has long been a central concern in Washington In the aftermath of 9 11 and amongst ongoing wars the United States confronts an acute dilemma how to cooperate with Riyadh against terrorism whilst confronting acute anti Americanism Using information gathered from extensive interviews with a plethora of officials this book aims to analyze Saudi domestic reforms It addresses the significant deficiency of information on such diverse matters as the judiciary and ongoing national dialogues but also provides an alternative understanding of what motivates Saudi policy makers How these reforms may impact on future Saudi decision making will surely generate a slew of policy concerns for the United States and this study offers a few clarifications and solutions This book will be of interest to anyone seeking a new perspective on the motivation behind legal and political reforms in Saudi Arabia and the effects of these reforms beyond the Middle East

Reforming the Prophet Wilfred Reid Clement, 2002 Many people in the West have difficulty gaining a deeper understanding of what is going in the Middle East The conflicts in Israel and the West Bank for example appear to be random when viewed solely through the lens of current media reports Offshoots of Middle East conflicts like the September 11 terrorist attacks in New York can appear to have occurred without reason In this important book well regarded consultant and ex policy analyst W R Clement proposes that these conflicts are part of a larger change underway in the Islamic world He argues that Islam is in the early stages of a religious reformation not unlike the Protestant Reformation of sixteenth century Europe According to Clement what we are witnessing is the beginning of a long and bloody religious struggle into which the West is being drawn whether it likes it or not

Minorities, Peoples And Self-determination Nazila Ghanea-Hercock, Alexandra Xanthaki, Patrick Thornberry, 2005 This volume presents new thinking on minority and indigenous rights in international law Debates that receive attention in this volume include self determination definitional issues collective rights and rights to natural resources Other chapters unravel challenges that have not attracted sufficient attention to date such as multiculturalism integration colour as a ground for discrimination and the economic and social rights of minorities The volume also looks critically at the work of the World Bank the African Union the Council of Europe and the OSCE in this arena Finally case studies highlight the regrettable similarities in the suffering of groups in different parts of

the world as well as the stark contrast between state claims and their actual practice

Legal Reforms and Deprivation of Liberty in Contemporary China Elisa Nesossi, Sarah Biddulph, Flora Sapio, Susan Trevaskes, 2016-06-03 The volume presents an extensive investigation into the process of reforms of detention powers in today's China and offers an in depth analysis of the debates surrounding the reformist attempts The chapters in this collection demonstrate that legislative and institutional reforms in this area result from political opportunities openings and tensions at the central institutional levels of political authority and contingent social and political factors The book examines legal and institutional reforms to institutions of detention and imprisonment that have occurred since the 1990s with a particular focus on the 21st century Its content follows three particular lines of enquiry concerning the issue of deprivation of liberty in contemporary China The first deals with the academic and theoretical debates on the subject of imprisonment and detention The related chapters explain the difficulties encountered in this area of research and understandings of the discourses of reform through labour in Western and Chinese scholarship The second deals with the specific issues of criminal and administrative forms of deprivation of liberty examining in particular the institutional and legislative dimensions considering the relationship between reforms and criminal justice policy agendas The third assesses the meaning of institutional reforms in the context of the changing state society relationship in contemporary China

China's Legal Reforms and Their Political Limits Ingrid Hooghe, Eduard B. Vermeer, 2012-12-06 Presents new insights into recent changes in China's legal framework in areas crucial to the modernisation process Topics include law reform to accommodate foreign interests and convert China to a market economy the judicial system and its treatment of human rights issues the introduction of non tariff barriers for foreign companies and the current privatisation process

Law Reforms Around the World Asif H Qureshi, 2023-12-01 Encapsulating Law Reform requires the creation of a discreet space occupied with normative self generation self correction and self adaptation in the very anatomy of law and the architecture of legal systems This living dynamic trait should be a hallmark of the genetic material in the modern day institution of law This edited volume sheds light on Law Reform in its domestic comparative regional and international settings It examines the process of Law Reform and explains the need for a constant appraisal to keep its wheels optimally operational The book takes a holistic approach to understanding Law Reform and calls for such an approach in the very process of Law Reform It begins by looking at Law Reform processes from a theoretical perspective Thereafter it sheds light on domestic Law Reform processes in civil and common law legal systems This is followed by a focus on Law Reform at the international level with a critical appraisal of the International Law Commission ILC drawing on its performance in international economic and environmental law Included in this consideration is also the role played in Law Reform by the IMF World Trade Organization World Intellectual Property Organization Multilateral Development Banks and the African Union Commission on International Law This volume should appeal to students serious scholars policy makers judges and the community of national and international lawyers interested in bringing effective reform in the national and

international arenas **Discourses of Globalisation, Ideology, Education and Policy Reforms** Joseph Zajda, Suzanne Majhanovich, 2022-03-28 This book presents a global overview of discourses of globalization current research in education and education policy reforms It first examines globalisation education and policy research and reforms in education including coverage of main trends in education and policy reforms globally as well as specific policy issues such as equity inclusive schooling and quality education for all Next it offers a comparative perspective in evaluating the ambivalent and problematic relationship between globalisation ideology the state and education reforms globally One significant impact of globalization on education policy and reforms is the competitive comparison of education systems These comparisons are usually based on common achievement tests such as TIMSS PIRLS and PISA Major policy reforms are frequently justified with reference to these achievement data The book features coverage of education reforms globally and academic achievement syndrome Not only do the chapters offer a timely analysis of current issues shaping education policy research but the book also contains ideas concerning the future directions that education and policy reforms could take to offer more democratic and equitable education Respective chapters critically assess the dominant discourses and debates on education and policy reforms By doing so it provides a comprehensive view of the diverse and intersecting discourses on globalisation and policy driven reforms in education Lawyers and the Rule of Law in an Era of Globalization Yves Dezalay, Bryant Garth, 2011-01-30 First published in 2011 Lawyers and the Rule of Law in an Era of Globalization focuses on the national and transnational processes transforming both the rule of law and the role of lawyers The book draws on a framework that emphasizes the relationship between the national the international the strategies of lawyers at various political levels and the circulation of ideas and people As such it considers the rule of law not as a normative ideal that has to be accomplished and realized but rather as a field of action and discourse that emerges through complex relationships among experts national elites and global institutions Through detailed empirical work the contributors all examine the relationship between law politics and the state focusing on lawyers and the social capital they possess and deploy in order to understand the efficacy of the rule of law in different polities This book will be invaluable for socio legal scholars students of the legal profession as well as those with interests in law and development studies **Constitutional Reform and Brexit** Gary Wilson, 2023-06-30 This book examines the extent to which Brexit has impacted upon the operation of the British Constitution prompting in turn consideration of how some of the factors which contributed to the outcome of the 2016 referendum as well as the event of Brexit itself might inform debates surrounding constitutional reform moving forward The work seeks to make sense of the constitutional implications of Brexit and to revisit some of the key debates that have taken place in respect of particular constitutional reform proposals in order to assess the extent to which recent Brexit related developments inform the perspectives which are taken upon their merits and prospects The book is divided into two parts The first provides some context for the substantive treatment of the potential impact of Brexit on constitutional reform debates which forms the focus

of Part II Part II centres on various specific constitutional reform themes or issues which are explored further within the context of Brexit For each such issue the main parameters of the debates which have taken place are sketched out before moving on to consider how it has informed or may come to be informed by the phenomenon of Brexit By so doing it looks to some future directions for constitutional reform which take account of the factors driving the discourses which gave rise to the referendum outcome and subsequent developments as well as offering meaningful responses to these The book will be of interest to academics researchers and policy makers working in the areas of constitutional law constitutional politics philosophy and history

United Nations: Management Reforms Progressing Slowly with Many Awaiting General Assembly Review ,2006 **Maintaining Peace and Security?** Trudy Fraser,2014-11-20

The security concerns of the United Nations today extend far beyond what the writers of the 1945 Charter could have imagined As a result the UN has been compelled to reconsider the parameters of what constitutes a threat to international peace and security and what it means to be safe and secure in the twenty first century This text critically assesses the capacity of the UN to evolve in response to changing notions of security and examines the complex history of people places and politics that have helped shape this important global actor **United Nations Reform** Spencer Zifcak,2009-06-05 This book evaluates Kofi Annan s endeavor to reform the United Nations seeking to understand why it was unsuccessful in so many cases but also how global politics and ideological divisions played so forcefully into the many intra institutional debates **Transitional Justice in**

Rwanda Gerald Gahima,2013-02-15 Transitional Justice in Rwanda Accountability for Atrocity comprehensively analyzes the full range of the transitional justice processes undertaken for the Rwandan genocide Drawing on the author s extensive professional experience as the principal justice policy maker and the leading law enforcement officer in Rwanda from 1996 2003 the book provides an in depth analysis of the social political and legal challenges faced by Rwanda in the aftermath of the genocide and the aspirations and legacy of transitional justice The book explores the role played by the accountability processes not just in pursuing accountability but also in shaping the reconstruction of Rwanda s institutions of democratic governance and political reconciliation Central to this exploration will be the examination of whether or not transitional justice in Rwanda has contributed to a foundational rule of law reform process While recognizing the necessity of pursuing accountability for mass atrocity the book argues that a maximal approach to accountability for genocide may undermine the promotion of core objectives of transitional justice Taking on one of the key questions facing practitioners and scholars of transitional justice today the book suggests that the pursuit of mass accountability particularly where socio economic resources and legal capacity is limited may destabilize the process of rule of law reform endangering core human rights norms Moreover the book suggests that pursuing a strategy of mass accountability may undermine the process of democratic transition particularly in a context where impunity for crimes committed by the victors of armed conflicts persists Highlighting the ongoing democratic deficit in Rwanda and resulting political instability in the Great Lakes region the book

argues that the effectiveness of transitional justice ultimately hinges on the nature and success of political transition
