**The Family friend [ed. by R.K. Philp].** Robert Kemp Philp,1863      *On Education, Formation, Citizenship and the Lost Purpose of Learning* Joseph Clair,2017-11-30 Reading Augustine presents concise personal readings of St Augustine of Hippo from leading philosophers and religion scholars The looming crisis in higher education appears to be a matter of soaring costs and crushing student debt but the problem is actually much deeper It is a crisis of soul a question of the very purpose of learning and the type of people that our educational system produces Today in the age of academic hyper specialization and professional knowledge the moral and spiritual purposes of learning have been eclipsed by a shallow view of career and success On Education Formation Citizenship and the Lost Purpose of Learning turns to the influential figure Augustine of Hippo to explore how he saved the liberal arts at the end of the Roman Empire and how his inspiring vision can do the same for higher education today It offers a roadmap for reviving the soul of education presenting concrete ways that the intellectual practices and economic enterprise of learning can lead once more to a fulfilled life of knowing God and loving others      The British Friend ,1862      *The Wreath of Friendship.
