Reviving Your First Love:

Reviving Your First Love Rena Newton, 1989 Love The Heartbeat of God for Revival Dr. Jo Anna Watson, 2014-06-10
The end times are upon us and since God is more concerned about redemption than judgment He is calling all people especially the church to return to Him in first love We have been given a commandment to love God with all of our mind soul will and strength and to love others as we love ourselves Unfortunately such love is lacking Many are crying out for revival but unless there is a turning back to God with sincere repentance there will be no substance for the fires of revival to be ignited during these end times God's love as does all love demands a response and He is waiting for your response When love is returned wholeheartedly who knows if God will rend the heavens and come down in power thus ushering in a revival that will blaze through our churches and nations bringing the much needed healing to our lands **Revival Igniters** Elmer Towns, 2022-01-18 Elmer L Towns is one of the most God gifted storytellers of our time He begins Revival Igniters with the riveting testimony of his born again experience As only he can tell in vivid detail the reader is there with him in a half built church with a few others gathered on the floor behind the pulpit And again in a garage apartment filled REVIVAL GODSWORD GODSWILL ONU, 2015-03-05 Though the church in Sardis had a name that they were alive the Lord Jesus Christ told them that they were dead Though the church of the Laodiceans said that they were rich wealthy and had no need of anything the Lord told them that they were wretched miserable poor blind and naked God sees differently from how men see and many Believers and churches need revival by the Holy Spirit being transformed by the Word of God **Revival and Awakenings Volume Two** Riaan Engelbrecht, 2024-07-10 Volumes one and two of Revival and Awakenings part of the End Time Series explore what is a real revival and a spiritual awakening Prophetically it delves into what God has been saying for a long time which is that the Lord will sweep the earth with revival in the end times which will ignite many followers with His holy fire What will this revival look like This is the big question and one would rather say it will not be a singular event but a sequence of Godly movements across the globe that will be infectious contagious and real In an awakening the Holy Spirit gives unbelieving people who are dead in their trespasses and sins a new awareness of their needs A revival is connected to the people of God and it is when those who are in churches those who are professing believers are ministered to by the Holy Spirit in such a way that they are renewed in their devotion to the Lord The time is ripe for the one final great harvest yet this calls for the revived church full of the fire of the Holy Spirit to go into the fields to awaken the lost and the forgotten and broken and to bring them into the loving embrace of a God who is full of compassion grace and mercy This is the time of spiritual latter rains and now is the time to welcome the embrace of a God who is real alive and who calls us all into His arms to reflect His beauty and greatness It is not God's Will that any soul should perish but that all men should come to the knowledge of God and be saved God is calling on all believers to cast their net in the deep for the harvest of souls

Immigrants of the Kingdom of God Annang Asumang, 2008-05-28. Immigration has in recent years become a hotly contested subject in public, political and social discussions. Both in Europe and America, there is increased polarization, confusion and anxiety about how to handle this challenging phenomenon. What has not been adequately discussed during these debates, however, is the influence of immigration on religion in the host countries. The increase in the number of Moslem immigrants in the West has been raised in some publications. However, this book is among the first to examine the impact of immigration on the Christian faith from a biblical perspective. The fact is, in many Western countries today, the future of Christianity is progressively becoming dependent on immigration. Is there any biblical perspective to the phenomenon? What should be the response of Christians to the debate? And how should Christian immigrants themselves interpret their experiences in the light of the Word of God? Asumang examines the lives and experiences of the giants of the Bible to answer these questions. And his conclusions are insightful and challenging, both to immigrant and non-immigrant Christians alike.
