Ways & Power Of Love Pitirim A. Sorokin,2015-10-22

The Ways and Power of Love was originally published in 1954 when Pitirim Sorokin was in the twilight of his career and leading the Harvard Research Center in Creative Altruism His elaborate scientific analysis of love with regard to its higher and lower forms its causes and effects its human and cosmic significance and its core features constitutes the first study on this topic in world literature to date Sorokin was the one absolutely essential twentieth century pioneer in the study of love at the interface of science and religion Bringing The Ways and Power of Love back into print allows a new generation of readers to appreciate Sorokin s genius and to move forward with his endeavor at a time when civilization itself continues to be threatened by a marked inability to live up to the ideal of love for all humankind It is certainly right to hope with Sorokin that progress in knowledge about love can move humanity forward to a better future Turning the sciences toward the study of love is no easy task but it can and must be done

The Love Revolution Joyce Meyer,2009-09-22 Joyce Meyer is not satisfied with the status quo She believes that we each need to become a revolutionary and practice love every day And if Joyce has her way the revolution will spread person by person house by house town by town until the old culture of selfishness and greed gives way to a new culture of concern for others The book is a revolutionaries manual a hands on primer for bringing the Golden Rule to life in the twenty first century Meyer starts out by giving some stunning statistics Right now 210 000 children will die this week because of poverty 640 million children do not have adequate shelter every day 3 000 children are abducted into the sex trafficking industry every day 16 000 children die from hunger related causes She goes on to say that although crisis is global the solution is local We can t solve the world s problems but that isn t a reason to remain idle Love Revolution focuses on personal behavior on the local scale It s not just a call to action it is a call to being being the person who goes out of your way to encourage someone who s out of hope being the one who smiles at a stranger being the one who is willing to do something for nothing The paradox when we do something for nothing what we often get is something far greater

Sex and Manners Cas Wouters,2004-09-16 This is a highly original and in many ways brilliant text It is a model of how historical process sociological research ought to be conducted and written up The author s subtle blending of theory and data is outstanding Eric Dunning Professor of Sociology University of Leicester Wouters has written a book both broad in scope and deep in analytic reach Exploring changes in courtship norms over the last century in English Dutch German and American books of manners he discovers changes which confirm the theory of informalization Relations between the sexes are he shows us less regulated from outside and more from inside This change calls paradoxically for both an emancipation of emotion and an ever sharper cultural eye on ways of managing emotion The book carries Elias s classic *The Civilizing Process* one giant step further An important contribution and a fascinating read Arlie Russell Hochschild

University of California This dazzling book examines changes in American Dutch English and German manners regarding the changing relationships between men and women From the disappearance of rules for chaperonage and the rise of new codes for courting dates public dances and the work place it shows how women have become their own chaperone by gaining the rights to pay for themselves to have a job and be a sexual subject This original and thought provoking book provides empirical evidence showing how younger generations removed their courting from under parental wings and how the balance of power between the sexes shifted in women s favour monitors changes in codes regarding sexuality by focusing on the balance between the desire for sexual gratification and the longing for enduring intimacy documents the balance of controls over sexual impulses and emotions shifting from external social controls to internal ones compares nationally different trends particularly between the USA and Europe focusing on the American dating system and its resulting double standards argues that the initial greater freedom of American women has turned into a deficit Cas Wouters teaches Sociology at Utrecht University

Revolution Plus Love Liu Jianmei,2003-09-30 In the aftermath of the May Fourth movement a growing expectation of revolution raised important intellectual issues about the position of the individual within a society in turmoil and the shifting boundaries of political and sexual identities The theme of revolution plus love a literary response to the widespread insurrections and upheaval was first popularized in the late 1920s In her examination of this popular but understudied literary formula Liu Jianmei argues that revolution and love are culturally variable entities their interplay a complex and constantly changing literary practice that is socially and historically determined Liu looks at the formulary writing of revolution plus love from the 1930s to the 1970s as a case study of literary politics Favored by leftist writers during the early period of revolutionary literature it continued to influence mainstream Chinese literature up to the 1970s By drawing a historical picture of the articulation and rearticulation of this theme Liu shows how changes in revolutionary discourse force unpredictable representations of gender rules and power relations and how women s bodies reveal the complex interactions between political representation and gender roles *Revolution Plus Love* is a nuanced and carefully considered work on gender and modernity in China unmatched in its broad use of literary resources It will be of considerable interest to scholars and students of modern Chinese literature women s studies cultural studies and comparative literature

In Love and Struggle Stephen M. Ward,2016-09-12 James Boggs 1919 1993 and Grace Lee Boggs 1915 2015 were two largely unsung but critically important figures in the black

freedom struggle Born and raised in Alabama James Boggs came to Detroit during the Great Migration becoming an automobile worker and a union activist Grace Lee was a Chinese American scholar who studied Hegel worked with Caribbean political theorist C L R James and moved to Detroit to work toward a new American revolution As husband and wife the couple was influential in the early stages of what would become the Black Power movement laying the intellectual foundation for racial and urban struggles during one of the most active social movement periods in recent U S history Stephen Ward details both the personal and the political dimensions of the Boggses lives highlighting the vital contributions these two figures made to black activist thinking At once a dual biography of two crucial figures and a vivid portrait of Detroit as a center of activism Ward s book restores the Boggses and the intellectual strain of black radicalism they shaped to their rightful place in postwar American history

Love in the Time of Revolution Andrew Cayton,2014-06-10 In 1798 English essayist and novelist William Godwin ignited a transatlantic scandal with *Memoirs of the Author of A Vindication of the Rights of Woman* Most controversial were the details of the romantic liaisons of Godwin s wife Mary Wollstonecraft with both American Gilbert Imlay and Godwin himself Wollstonecraft s life and writings became central to a continuing discussion about love s place in human society Literary radicals argued that the cultivation of intense friendship could lead to the renovation of social and political institutions whereas others maintained that these freethinkers were indulging their own desires with a disregard for stability and higher authority Through correspondence and novels Andrew Cayton finds an ideal lens to view authors characters and readers all debating love s power to alter men and women in the world around them Cayton argues for Wollstonecraft s and Godwin s enduring influence on fiction published in Great Britain and the United States and explores Mary Godwin Shelley s endeavors to sustain her mother s faith in romantic love as an engine of social change

Chinese Visions of Family and State, 1915-1953 Susan L. Glosser,2003-02-12 In this book Susan Glosser examines how the link between family order and national salvation affected state building and explores its lasting consequences

Love, Death, and Revolution in Central Europe Peter C. Caldwell,2009-06-22 The philosopher of religion and critic of idealism Ludwig Feuerbach had a far reaching impact on German radicalism around the time of the Revolution of 1848 This intellectual history explores how Feuerbach s critique of religion served as a rallying point for radicals and how they paradoxically sought to create a new post religious form of religiosity as part of the revolutionary aim At issue for the Feuerbachian radicals was the emergence of a humanity emancipated from the constraints of mere institutions able to express itself freely and harmoniously Caldwell also touches on Moses Hess Louise Dittmar and Richard Wagner in his discussion of the time Thisbook reconstructs the nature of Feuerbach s radicalism and shows how it influenced early works of socialism feminism and musical modernism

Life Is a Song of Love Sally Patton,2023-10-27 For over half her life Sally Patton has engaged in a contemplative spiritual practice to awaken from separation consciousness In *Life Is a Song of Love* she draws upon channeled non dual teachings from Yeshua and Mother Mary combined with a variety of

teachings from many faith traditions and spiritual paths to answer a unique call to be an emissary of Divine Feminine Compassionate Consciousness The Holy Mother has returned to heal into wholeness the division between feminine and masculine energies necessary to end thousands of years of patriarchal domination Sally helps women wake to the strength of the Mother within embracing the sacredness of all life on Mother Earth **The CNDA way : A revolutionary approach to relationships and self-love** Colette Portelance,2015-03-31T00:00:00-04:00 According to the CNDA creative non directive approach developed by Colette Portelance individuals aiming to offer assistance or support to others in their personal or professional lives must first learn to know understand and accept themselves Only then will those in the helping role be able to feel and show true acceptance trust and love towards those they are helping enabling them to fulfil their creative potential and find greater happiness and harmony in their lives First Love and Other Stories Ivan Sergeevich Turgenev,1999 Bringing together six of Turgenev s best known stories in one volume this collection includes First Love Asya Mumu The Diary of a Superfluous Man Song of Triumphant Love and King Lear of the Steppes **Rewriting Revolution** Immanuel Kim,2018-04-30 North Korea the Democratic People s Republic of Korea DPRK is firmly fixed in the Western imagination as a barbaric vestige of the Cold War a rogue nation that refuses to abide by international norms It is seen as belligerent and oppressive a poor nation bent on depriving its citizens of their basic human rights and expanding its nuclear weapons program at the expense of a faltering economy Even the North s literary output is stigmatized and dismissed as mere propaganda literature praising the Great Leader Immanuel Kim s book confronts these stereotypes offering a more complex portrayal of literature in the North based on writings from the 1960s to the present The state seeking to write revolution prescribes grand narratives populated with characters motivated by their political commitments to the leader the Party the nation and the collective While acknowledging these qualities Kim argues for deeper readings In some novels and stories he finds the path to becoming a revolutionary hero or heroine is no longer a simple matter of formulaic plot progression instead it is challenged disrupted and questioned by individual desires decisions doubts and imaginations Fiction in the 1980s in particular exhibits refreshing story lines and deeper character development along with creative approaches to delineating women sexuality and the family These changes are so striking that they have ushered in what Kim calls a Golden Age of North Korean fiction Rewriting Revolution charts the insightful literary frontiers that critically portray individuals negotiating their political and sexual identities in a revolutionary state In this fresh and thought provoking analysis of North Korean fiction Kim looks past the ostensible state propaganda to explore the dynamic literary world where individuals with human emotions reside His book fills a major lacuna and will be of interest to literary scholars and historians of East Asia as well as to scholars of global and comparative studies in socialist countries **MMARA NE KYI - Divine Law/Love and Divine Hate** Odwirafo Kwesi Ra Nehem Ptah Akhan, MMARA NE KYI Divine Law Love and Divine Hate Afurakani Afuraitkaitnit African Ancestral Religion is defined in essence as the ritual incorporation of Divine Law and the ritual restoration of Divine

Revolutionary Love in Eighteenth- and Early Nineteenth-Century France Allan H. Pasco, 2016-12-05 In this innovative study the author carves out a new field a sociology of literature in which he offers insightful commentary about the nexus of literature and society Calling on history sociology and psychology as well as literature as points of reference Allan Pasco examines the conceptual shift in the ideal of love in eighteenth century France Pasco explores the radical though gradual changes that occurred during the Enlightenment with respect to how the emotion of love was viewed Earlier love had been subordinate to the demands of family king and deity passion was dangerous and to be avoided But over time individual happiness became the greatest good and passion the measure of love Authors as diverse as Marivaux Marmontel Rousseau Baculard d Arnaud Pigault Lebrun and Madame de Sta l make it clear that the ideal of rapturous love did not live up to its billing it did not last and it brought destructive fantasies an epidemic of disease the scourge of divorce and considerable anguish Still as Pasco points out passion became and remained the ideal and the Romantics were left to plumb its nature

Between Love and Freedom Nikhil Govind, 2014-08-07 Between Love and Freedom interprets the figure of the revolutionary in the Hindi novel by establishing its lineage in representative Bengali novels as well as in the contending moralities of Mahatma Gandhi and Bhagat Singh on the idea of

violence It reveals how conventional social realism and emergent modernist modes were brought together in the novelistic tradition by extending the political ideal of anti colonial revolution into domains of sexual desire and subjective expression especially in the works of Agyeya Jainendra and Yashpal This work will deeply interest scholars and students of literature modern Indian history Hindi and political science
