Sensitivity Of The Spirit:

Sensitivity Of The Spirit R.T. Kendall,2015-06-23 We must learn the difference between being sensitive to the Holy Spirit and being aware of the sensitivity of the Holy Spirit Drawing on the story of Mary and Joseph moving ahead of Jesus Dr Kendall explains how easy it is for us to make assumptions in the natural and run on ahead of the Holy Spirit When you find yourself ahead of God s timing and moving forward with your own personal plans you must stop and go back You can find the road back from anywhere and that road is called repentance It points you in the direction of peace **The Sensitivity of**

the Spirit R. T. Kendall,2000 **The Mystery of Spiritual Sensitivity** Carol Brown,2011-07-28 You are designed to touch God and supernatural The high sensitivity required to sense and feel what other people experience is what makes life painful it also makes it possible to sense feel and hear from God Christians are not immune to mood swings emotional upheavals feeling burned out and burned up But you are mysteriously and uniquely designed with a high degree of spiritual sensitivity Because of this you are one who can join Jesus in the work He began and continues to do in the earth today Author Carol Brown explains The Mystery of Spiritual Sensitivity what this sensitivity looks like and what it feels like how this sensitivity affects you and the common human reflex reactions to this sensitivity You will be excited and relieved to discover that God gave you this spiritual awareness to develop spiritual maturity yours and others So release yourself to the Spirit of God and learn how to respond to this most precious gift we have received from our heavenly Father *Highly Sensitive* Carol Brown,2011-07-28 God Created Some People To Be Highly Sensitive Discover why you are the way you are and enjoy your gift *Highly Sensitive Understanding Your Gift of Spiritual Sensitivity* is a valuable companion piece to Carol Brown s previous book *The Mystery of Spiritual Sensitivity* This volume not only provides a precise summary of the topics covered in the prequel true identity burden bearing aspects of high sensitivity healing but counsels you on the steps and spiritual practices that will help you the highly sensitive burden bearer to shine in your gifting *Highly Sensitive* propels you forward into a healing and maturing process that involves a steep but exhilarating learning curve well worth the journey This book is in response to many readers asking me Now what Where do I do from here writes author Carol Brown *Highly Sensitive* examines and frankly discusses five growth areas most burden bearers have in common 1 Having confidence that you hear from God 2 Trusting God self and others 3 Discerning between burdens and my own stuff 4 Making and keeping boundaries 5 Identity sense of worth and belonging All of the dots are connected through personal testimonies biblical support and spiritual insight you will clearly see God s bigger picture for your life This book looks at how empathetic burden bearing affects the individual and how you can recover and repair damage from negative responses to high sensitivity on emotional spiritual and psychological levels *10 Ways to Cultivate Sensitivity to the Holy Spirit* Ezekiel Benson,2019-03-07 One of the distinguishing features of a believer is the grace to be led and guided by the Spirit of God But this is not the case with a vast majority of believers Too many of God s people are predominantly led and guided by corrupt carnal senses Many are led

and guided by presumptions men pleasing motivations assumptions greed wickedness evil desire to outdo and destroy others in order to be at the top fear doubt pride selfishness covetousness everything they do is motivated by a longing to have what rightfully belongs to others false prophets fleeces and idols in their heart To walk and live in the Spirit of God demands that we be led and guided by the Spirit of God The key to walking and living victoriously in the Spirit is to be able to develop sensitivity to the Holy Spirit and grace to obey His leading instructions and guidance Sensitivity to the Holy Spirit is very important if a believer must prosper succeed and live victoriously as a Christian Sensitivity to the Holy Spirit doesn't just happen As a believer you are expected and required to cultivate and develop a strong sensitivity to the Holy Spirit This book was therefore written to show you how to cultivate sensitivity to the Holy Spirit the way God intended so as to live a victorious and a prosperous Christian life
