Matthew Morales,2021-07-16 My biggest obstacle to wealth wasn't my poverty It was my arrogance keeping me poor Nothing else I skipped all the introductions and all the conclusions in books I skipped past the exercises because I was too

smart for them I didn't need them But recipes exist for a reason All I had to do was listen Listen to those before me that already found the way I had to lose everything over and over again before I was willing to apply the lessons of the masters before me This isn't a story about poverty It's a story about how arrogance leaves us poor If not financially then mentally poor which is a worse place to be For a poor man with applied wisdom is better than a sedentary genius Matthew Morales Discover how a kid from the hood made it good not just financially but through reaching a higher spiritual plane In his fascinating work Never Be Poor Again Matthew Morales reveals the sometimes lucky sometimes nerve wracking journey from poverty to enlightenment and enoughness Using Laws of the Universe and vulnerability Matthew teaches how to respect and most importantly how to put into practice the way out of poverty Mentally Spiritually and Financially

The first book of its kind This book will redefine how self help books are written Not many self help books take you on the journey of struggles and what it actually took to grow Most are told from the perspective of the expert and what to do this is the opposite It takes you on an emotional rollercoaster as you experience the authors experiences of poverty and watch as he frees himself by the end giving you the satisfying feeling that you can do it too It connects directly to the hearts of the readers and is easier to relate to than any financial literacy book ever written before

REVIEWS Thank you for this book it's a blessing I've started to read it and I've cried in the first chapter So many emotions in me Your words are so inspired Wow this is seriously a masterpiece Hands down the best personal development book I've ever read Period Seems like I read 100 books in one Lots of experience put in just one book To be honest I will forever be grateful to you for sending me this book This has nearly saved me a decade of time I really wish I read this earlier From the moment I started reading I couldn't stop I without a doubt absolutely recommend everyone read this book I'm so grateful for the existence of this book This book is gonna change the world I had so much fun reading this book and at the same time there have been many AHA moments throughout all the book I was searching for further guidance in integrating money with my spiritual path this book arrived in perfect timing and offered me so many insights and tools I loved it you'll love it too
