Sex Pots Eroticism In Ceramics:

Sex Pots Paul Mathieu, 2003 Over the past twenty years debates about pornography have raged within feminism and beyond Throughout the 1970s feminists increasingly addressed the problem of men's sexual violence against women and many women reduced the politics of men's power to questions about sexuality By the 1980s these questions had become more and more focused on the issue of pornography now a metaphor for the menace of male power Collapsing feminist politics into sexuality and sexuality into pornography has not only caused some of the deepest splits between feminists but made it harder to think clearly about either sexuality or pornography indeed about feminist politics more generally This provocative collection by well known feminists surveys these arguments and in particular asks why recent feminist debates about sexuality keep reducing to questions of pornography
