**Veronica Franco in Dialogue** Marilyn Migiel, 2022-03-31 Since the late twentieth century the Venetian courtesan Veronica Franco has been viewed as a triumphant proto feminist icon a woman who celebrated her sexuality an outspoken champion of women and their worth and an important intellectual and cultural presence in sixteenth century Venice In *Veronica Franco in Dialogue* Marilyn Migiel provides a nuanced account of Franco's rhetorical strategies through a close analysis of her literary work Focusing on the first fourteen poems in the *Terze rime* a collection of Franco's poems published in 1575 Migiel looks specifically at back and forth exchanges between Franco and an unknown male author Migiel argues that in order to better understand what Franco is doing in the poetic collection it is essential to understand how she constructs her identity as author lover and sex worker in relation to this unknown male author *Veronica Franco in Dialogue* accounts for the moments of ambivalence uncertainty and indirectness in Franco's poetry as well as the polemicism and assertions of triumph In doing so it asks readers to consider their ideological investments in the stories we tell about early modern female authors and their cultural production

**Speaking of Love: The Love Dialogue in Italian and French Renaissance Literature** Reinier Leushuis, 2017-03-27 Re-evaluating the dialogue's place in the literary landscape of the Italian and French Renaissance *Speaking of Love* presents the love dialogue at the intersection of a revival of the form and the period's philosophies of love and desire Between 1540 and 1580 authors such as Speroni Tullia d'Aragona the Venetian poligrafi Tyard Le Caron Pasquier Taillemont Marguerite de Navarre and Louise Labé feature interlocutors not only deliberating on love but imitating the experience of love in their dynamics of speaking These love dialogues allow early modern ideologies and discourses of love to be imitated by the reader and rival lyric poetry in conveying amorous experience validating dialogue as an authentic literary form rather than a tool of philosophical thinking

*Music, Myth and Story in Medieval and Early Modern Culture* Katherine Butler, Samantha Bassler, 2019 The complex relationship between myths and music is here investigated Myths and stories offer a window onto medieval and early modern musical culture Far from merely offering material for musical settings authoritative tales from classical mythology ancient history and the Bible were treated as foundations for musical knowledge Such myths were cited in support of arguments about the uses effects morality and preferred styles of music in sources as diverse as theoretical treatises defences or critiques of music art sermons educational literature and books of moral conduct Newly written literary stories too were believed capable of moral instruction and influence and were a medium through which ideas about music could be both explored and transmitted How authors interpreted and weaved together these traditional stories or created their own reveals much about changing attitudes across the period Looking beyond the well known figure of Orpheus this collection explores the myriad stories that shaped not only

musical thought but also its styles techniques and practices The essays show that music itself performed and created knowledge in ways parallel to myth and worked in tandem with old and new tales to construct social political and philosophical views This relationship was not static however as the Enlightenment dawned the once authoritative gods became comic characters and myth became a medium for ridicule Overall the book provides a foundation for exploring myth and story throughout medieval and early modern culture and facilitating further study into the Enlightenment and beyond KATHERINE BUTLER is a senior lecturer in music at Northumbria University SAMANTHA BASSLER is a musicologist of cultural studies a teaching artist and an adjunct professor in the New York metropolitan area Contributors Jamie Apgar Katie Bank Samantha Bassler Katherine Butler Elina G Hamilton Sigrid Harris Ljubica Ilic Erica Levenson John MacInnis Patrick McMahon Aurora Faye Martinez Jacomien Prins Tim Shephard Jason Stoessel F rdia J Stone Davis Amanda Eubanks Winkler

**A Corresponding Renaissance** Lisa Kaborycha, 2016 Women's vibrant presence in the Italian Renaissance has long been overlooked with attention focused mainly on the artistic and intellectual achievements of their male counterparts During this period however Italian women excelled especially as writers and nowhere were they more expressive than in their letters In A Corresponding Renaissance Letters Written by Italian Women 1375 1650 Lisa Kaborycha considers the lives and cultural contributions revealed by these women in their own words through their correspondence By turns highly personal didactic or devotional these letters expose the daily realities of women's lives and their feelings ideas and reactions to the complex world in which they lived Through their letters women emerge not merely as bystanders but as true cultural protagonists in the Italian Renaissance A Corresponding Renaissance is

divided into eight thematic chapters featuring fifty five letters that are newly translated into English many for the first time ever Each of the letters is annotated and includes a brief biographical introduction and bibliographic references The women come from all walks of life saints poets courtesans and countesses and from every geographic area of Italy chronologically they span the entire Renaissance with the majority representing the sixteenth century Approximately one third of the selections are well known letters such as those of Catherine of Siena Veronica Franco and Isabella d Este the rest are lesser known previously un translated or otherwise inaccessible

**Exemplary Tales of Love and Tales of Disillusion** María de Zayas y Sotomayor, 2010-07-15 At the height of Mar a de Zayas s popularity in the mid eighteenth century the number of editions in print of her work was exceeded only by the novels of Cervantes But by the end of the nineteenth century Zayas had been excluded from the Spanish literary canon because of her gender and the sociopolitical changes that swept Spain and Europe Exemplary Tales of Love and Tales of Disillusion gathers a representative sample of seven stories which features Zayas s signature topics gender equality and domestic violence written in an impassioned tone overlaid with conservative Counter Reformation ideology This edition updates the scholarship since the most recent English translations with a new introduction to Zayas s entire body of stories and restores Zayas s author s note and prologue omitted from previous English language editions Tracing her slow but steady progress from notions of ideal love to love s treachery Exemplary Tales of Love and Tales of Disillusion will restore Zayas to her rightful place in modern letters

**Floridoro** Moderata Fonte,2007-11-01 The first original chivalric poem written by an Italian woman Floridoro imbues a strong feminist ethos into a hypermasculine genre Dotted with the usual characteristics dark forests illusory palaces enchanted islands seductive sorceresses Floridoro is the story of the two greatest knights of a bygone age the handsome Floridoro who risks everything for love and the beautiful Risamante who helps women in distress while on a quest for her inheritance Throughout Moderata Fonte 1555-92 vehemently defends women's capacity to rival male prowess in traditionally male dominated spheres And her open criticism of women's lack of education is echoed in the plights of various female characters who must depend on unreliable men First published in 1581 Floridoro remains a vivacious and inventive narrative by a singular poet

[The Complete Poems](#) Gaspara Stampa,2010-10-30 Gaspara Stampa was lauded for her singing during her lifetime but her success and critical reputation as a poet emerged only after her verse was republished in the early eighteenth century Her poetry runs the gamut of human emotion ranging from ecstasy over a consummated love affair to despair at its end While these tormented works and their multiple male addressees have led to speculation that Stampa may have been one of Venice's famous courtesans they can also be read as a rebuttal of typical assumptions about women's roles Championed by Rainer Maria Rilke among others she has more recently been celebrated by feminist scholars for her distinctive and original voice and her challenge to convention This is a translation of Stampa into English

**Moral Combat** Gerry Milligan,2018-04-13 The Italian sixteenth century offers the first sustained discussion of women's militarism since antiquity Across a variety of genres male and female writers raised questions about women's right and ability to fight in combat Treatise literature engaged scientific religious and cultural discourses about women's virtues while epic poetry and biographical literature famously featured examples of women as soldiers commanders observers and victims of war Moral Combat asks how and why women's militarism became one of the central discourses of this age Gerry Milligan discusses the armed heroines of biography and epic within the context of contemporary debates over women's combat abilities and men's martial obligations Women are frequently described as fighting because men have failed their masculine duty A woman's prowess at arms was asserted to be a cultural symptom of men's shortcomings Moral Combat ultimately argues that the popularity of the warrior woman in sixteenth century Italian literature was due to her dual function of shame and praise calling men to action and signaling potential victory to a disempowered people

*Sonnets for Michelangelo* Vittoria Colonna,2007-11-01 The most published and lauded woman writer of early sixteenth century Italy Vittoria Colonna 1490-1547 in effect defined what was the acceptable face of female authorship for her time Hailed by the generation's leading male literati as an equal she was praised both for her impeccable command of Petrarchan style and for the unimpeachable chastity and piety of the persona she promoted through her literary works This book presents for the very first time a body of Colonna's verse that reveals much about her poetic aims and outlook while also casting new light on one of the most famous friendships of the age Sonnets for Michelangelo originally presented in manuscript form to her close friend Michelangelo

Buonarroti as a personal gift illustrates the striking beauty and originality of Colonna's mature lyric voice and distinguishes her as a poetic innovator who would be widely imitated by female writers in Italy and Europe in the sixteenth century. After three centuries of relative neglect, this new edition promises to restore Colonna to her rightful place at the forefront of female cultural production in the Renaissance.

**Laura Battiferra and Her Literary Circle** Laura Battiferra degli

Ammannati, 2007-11-01 Internationally known during her lifetime, Laura Battiferra (1523-89) was a gifted and prolific poet in Renaissance Florence. The author of nearly 400 sonnets remarkable for their subtlety, intricate narrative structure, and learned allusions, Battiferra, who was married to the prominent sculptor and architect Bartolomeo Ammannati, traversed an elite literary and artistic network, circulating her verse in a complex and intellectually fecund exchange with some of the most illustrious figures in Italian history. In this bilingual anthology, Victoria Kirkham gathers Battiferra's most essential writing, including newly discovered poems which provide modern readers with a valuable social chronicle of sixteenth-century Italy and the courtly culture of the Counter Reformation.

**The Life of Lady Johanna Eleonora Petersen, Written by Herself**

Johanna Eleonora Petersen, 2007-11-01 In a time when the Pauline dictum decreed that women be silent in matters of the Church, Johanna Eleonora Petersen (1644-1724) was a pioneering author of religious books, insisting on her right to speak out as a believer above her male counterparts. Publishing her readings of the Gospels and the Book of Revelation, as well as her thoughts on theology in general, Petersen and her writings created controversy, especially in orthodox circles, and she became a voice for the radical Pietists, those most at odds with Lutheran ministers and their teachings. But she defended her lay religious calling and ultimately printed fourteen original works, including her autobiography, the first of its kind written by a woman in Germany, all in an age in which most women were unable to read or write. Collected in *The Life of Lady Johanna Eleonora Petersen* are Petersen's autobiography and two shorter tracts that would become models of Pietistic devotional writing. A record of the status and contribution of women in the early Protestant church, this collection will be indispensable reading for scholars of seventeenth-century German religious and social history.

**The Contest for Knowledge** Maria

Gaetana Agnesi, Diamante Medaglia Faini, Aretafila Savini de' Rossi, Accademia de' Ricovrati, 2007-11-01 At a time when women were generally excluded from scholarly discourse in the intellectual centers of Europe, four extraordinary female letterates proved their parity as they lectured in prominent scientific and literary academies and published in respected journals. During the Italian Enlightenment, Maria Gaetana Agnesi, Giuseppa Eleonora Barbapiccola, Diamante Medaglia Faini, and Aretafila Savini de' Rossi were afforded unprecedented deference in academic debates and epitomized the increasing ability of women to influence public discourse. *The Contest for Knowledge* reveals how these four women used the methods and themes of their male counterparts to add their voices to the vigorous and prolific debate over the education of women during the eighteenth century. In the texts gathered here, the women discuss the issues they themselves thought most urgent for the equality of women in Italian society specifically and in European culture more broadly. Their thoughts on this

important subject reveal how crucial the eighteenth century was in the long history of debates about women in the academy

*Enrico; or, Byzantium Conquered* Lucrezia Marinella, 2009-09-15 Lucrezia Marinella 1571-1653 is by all accounts a phenomenon in early modernity a woman who wrote and published in many genres whose fame shone brightly within and outside her native Venice and whose voice is simultaneously original and reflective of her time and culture In *Enrico or Byzantium Conquered* one of the most ambitious and rewarding of her numerous narrative works Marinella demonstrates her skill as an epic poet Now available for the first time in English translation *Enrico* retells the story of the conquest of Byzantium in the Fourth Crusade 1202-04 Marinella intersperses historical events in her account of the invasion with numerous invented episodes drawing on the rich imaginative legacy of the chivalric romance Fast moving colorful and narrated with the zest that characterizes Marinella's other works this poem is a great example of a woman engaging critically with a quintessentially masculine form and subject matter writing in a genre in which the work of women poets was typically shunned

*Selected Philosophical and Scientific Writings* Emilie Du Châtelet, 2009-09-15 Though most historians remember her as the mistress of Voltaire Emilie Du Châtelet 1706-49 was an accomplished writer in her own right who published multiple editions of her scientific writings during her lifetime as well as a translation of Newton's *Principia Mathematica* that is still the standard edition of that work in French Had she been a man her reputation as a member of the eighteenth century French intellectual elite would have been assured In the 1970s feminist historians of science began the slow work of recovering Du Châtelet's writings and her contributions to history and philosophy For this edition Judith P Zinsser has selected key sections from Du Châtelet's published and unpublished works as well as related correspondence part of her little known critique of the Old and New Testaments and a treatise on happiness that is a refreshingly uncensored piece of autobiography making all of them available for the first time in English The resulting volume will recover Châtelet's place in the pantheon of French letters and culture

**Love That Moves the Sun** Linda Cardillo, 2023-12-15 In 1534 Michelangelo is no longer safe in Florence Pope Clement VII his childhood friend summons him to Rome not only to protect him from his enemies but also to demand he paint a masterpiece that will be the Medici Pope's legacy the Last Judgment a fresco for the altar wall of the Sistine Chapel At the same moment fate brings the celebrated but reclusive poet Vittoria Colonna to Rome to petition the pope as a favor to a dear friend The two encounter each other briefly in the Vatican and Michelangelo sketches from memory the enigmatic beauty of the poet's face When she sees the drawing she recognizes in the artist the kindred spirit she has found elusive throughout the course of her turbulent life This fleeting moment is the foundation of a profound relationship between the two artists that feeds both their creativity and their need for connection in the midst of war-torn 16th century Italy

*Zayde* Marie-Madeleine Lafayette, 2007-11-01 Standing at the critical juncture between traditional romance and early novelistic realism *Zayde* is both the swan song of a literary tradition nearly two thousand years old and a harbinger of the modern psychological novel *Zayde* unfolds during the long medieval struggle

between Christians and Muslims for control of the Iberian Peninsula Madame de Lafayette 1634-93 takes the reader on a Mediterranean tour typical of classical and seventeenth century romances from Catalonia to Cyprus and back again with battles prophecies and shipwrecks dotting the crisscrossed paths of the book's noble lovers But where romance was long and episodic Zayde possesses a magisterial architecture of suspense Chaste and faithful heroines and heroes are replaced here by characters who are consumed by jealousy and unable to love happily And unlike in traditional romance the reader is no longer simply expected to admire deeds of bravery and virtue but instead is caught up in intense first person testimony on the psychology of desire Unavailable in English for more than two centuries Zayde reemerges here in Nicholas Paige's accessible and vibrant translation as a worthy representative of a once popular genre and will be welcomed by readers of French literature and students of the European novelistic tradition
