your storms of life      **The Two Gods in the Bible** Andrew Scrima, 2018-02-23 This book *The Two Gods in the Bible* is designed and intended to spark and spur the interest of an individual encourage the intuitive investigative prowess of even the most rudimentary reader to discover and realize the true teachings found and bound within the Bible and to reveal the secrets and mysteries hidden in between the lines Not one contemporary or conventional denomination conforms to a strict biblical interpretation so were left to our own imagination and the infantile illustrations that mainstream media has supplied for decades Unfortunately they have been conscientiously consistent with only adhering to and tendering fairy tale versions of the alleged real life stories details and entailed within All of which are in most cases very far from the truth according to the Bible This book exposes the deception that's been conflated by well meaning but misguided ministers clarifies the contradictory ambiguity pervaded by the various denominations and reveals Satans so called deep secrets actually mentioned in Rev 2 24      **Spirit Realm-God-Angels-Mankind: the Eternal Connection** Cordelia E. Battle, 2011-12-13 We are living in a time when people are searching for answers concerning the spirit realm Many are wandering and thinking if there is a God if heaven and hell exist and if there is life after death In order to provide keys to these vital questions author Cordelia E Battle explores the eternal connections among God angels and mankind that is demonstrated by the bestselling book in history the Holy Bible which some scholars believe its Old Testament writings are the oldest religious books Battle provides explanations given by the Bible regarding how dreams and visions relate to mankind She also explores information in the Bible relating to angels such as whether there are good and bad angels and if angels should be worshipped There are many descriptions of angels Included in this book are descriptions of angels some of which can be found in the Bible Among these angels are those found in Revelation the prophetic book that explains the final victory over the power of darkness In *Spirit RealmGodAngelsMankind* Battle searches for a better understanding of the connection between the visible world and the invisible world and how this connection relates to the present and future for all mankind Discover who has ALL POWER AND AUTHORITY over the visible and invisible realm      *An Overview of the Old Testament and How It Relates to the New Testament* James McKeehan, Jim McKeehan, 2002-02 This book explains oaths and the development of scripture But more importantly it discusses patterns so that the Old Testament is better understood from the New Testament The cross traveled through history but so did the priesthood marriage the Church and all of our beliefs We can better reflect on and understand John's Gospel description of Mary at the tomb of Jesus when it is compared with a similar passage in Song of Songs Other New Testament events are also better understood when they are discussed with the parallel events found in the Old Testament The Lion of Judah is always standing before us in His beautiful shining coat He is peaceful and content but with the power to swipe at us and completely devour us This book was written to give the reader an overview of the bible so that in reading the bible it will enrich our faith We must read the bible in its entirety because Jesus is both the lion and the lamb God is the Father the son and the Holy Spirit and the family is the basic unit that reflects God to us on our way to complete

 Innocent Nangoma,2020-04-16 Once upon a time a man named Godfrey White took it on himself to read the whole bible to determine its validity Unfortunately he could not understand it This upset Godfrey White because he saw the positive impact it had done on other lives and wanted to know more about this One God so that it could impact his life too Mr White was extremely irritated by the bible because when he read it he felt like it was judging him so he felt unworthy of it Mr White would spend hours on hours during the day trying to figure out what God s love was all about but felt it was too overwhelming to take in He would sometimes read it before bed but found the stories as fictional and boring He did his best to study it and maybe understand who God was but failed to do so Therefore Godfrey White placed the book in his closet where all the other books he had finished reading were He continued on with his life but everyday he would hear a voice calling to him Do you wish to know the truth He was not sure where the voice was coming from so he ignored it But the more he ignored it the louder the voice got Godfrey White soon began to lose his mind because the voice would not go away so one

day when he was alone in his room he spoke back to the voice Who is it that is speaking Am I going crazy What is the truth It was at that moment when the voice spoke back to him saying I heard you were searching for me so I called back to you but you ignored me Go to your closet and find that book you have failed to understand and I will guide you to the truth Today the gospel shall be revealed to you and you shall not only receive truth but a relationship with me TheSecretIsOut The Two Tests: The Supernatural Claims of Christianity Tried by Two of Its Own Rules Lionel Lisle,2019-12-18 In The Two Tests The Supernatural Claims of Christianity Tried by Two of Its Own Rules Lionel Lisle rigorously examines the supernatural assertions within Christianity through a methodical lens rooted in both philosophical inquiry and theological discourse Utilizing a critical yet respectful literary style Lisle juxtaposes the claims of Christianity against its foundational doctrines arguing for a self examination of faith s own inherent rules His approach reflects a broader literary context of inquiry during the late 19th and early 20th centuries where intellectualism and skepticism often challenged established beliefs thereby encouraging a nuanced dialogue about faith and reason Lionel Lisle a keen thinker and theologian was influenced by the philosophical currents of his time particularly the rising tide of rationalism that sought to reconcile faith with empirical evidence His background in theology and his engagement with contemporary philosophical discourse allowed him to craft a work that not only critiques but also seeks to affirm the core tenets of Christianity Lisle s unique perspective emerges from both his scholarly pursuits and personal experiences within faith communities driving him to probe the complexities of belief This book is highly recommended for scholars theologians and lay readers alike who wish to explore a critical yet introspective evaluation of Christianity Lisle s thoughtful examination provides readers with an opportunity to reflect on the intersection of faith and logic ultimately inviting them to engage with the essence of their beliefs in a profound and meaningful way **God's Autopsy and the Living Truth of Soul** Hal Childs,2022-08-22 The Grand Narrative of Christianity that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God s Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung s psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in the Bible itself *Satan's Secretary Vol. 1* Kamotsu Kamonabe,2018-06-05 Satan has

awoken and is dead set on conquering the human world His secret weapon A human woman with an unimaginable talent for organizing his demon army and keeping the conquest on track But why would a mild mannered woman like the Secretary betray the human race And will Satan survive her strict schedule Either way the human world is in big trouble
