DISCOVERS AMERICA

BY
C. N. & A. M. WILLIAMSON

THE story of a young English marquis who goes to America in search of a rich wife. He is a cousin of the heroine of 'Lady Betty Across the Water,' is handsome and attractive, but has been so spoiled by flattery and good luck that his naturally fine qualities are obscured by selfishness. He expects New York society to go down before him, but owing to a trick of Betty's American husband (not expected to have such grave consequences), he is treated there as an impostor. He becomes a waiter, a travelling actor, and has various amusing, exciting, and romantic adventures, which end in marriage with a delightful American girl who had helped on his moral education.

together in a world of their own But after the first luminous instant the joy of her presence was blotted out in darkness He remembered everything remembered that he was Perceval Gordon an actor of the submerged tenth a wretched penniless barn stormer who for the moment came near to being an object of charity When he had bidden Lesley goodbye he was a splendid being who looked down from his heights and though loving her saw her impossible as a wife Their friendship had begun by being somewhat of a condescension on his part from his own point of view at least and she half amused half angry had seen that point of view quite clearly nor had she ever attempted to change it to the last At the thought that the curtain would ring up and show him as he was now to the astonished eyes of Lesley Dearmer he could have run away out of the theatre anywhere it mattered
