Lord Of The Crooked Paths:

Lord of the Crooked Paths Patrick H. Adkins, 1987 *The Lord of the Crooked Paths* Patrick H. Adkins, Nancy Mayberry, Copyright Paperback Collection (Library of Congress), 1987 The Path of Life Vincent Lato, 2010 There are so many worrying situations in the world today that draws man's attention. For instance the world has become a play ground for wars, hunger, diseases, poverty, killings, injustices and other tragedies putting man at the receiving end of these unfriendly experiences. As a result it becomes man's desire to free himself from these situations in his journey through life. Therefore the book *The Path of Life* is designed as a resource for man to bring his worries in his petitions to God who is the only hope for solutions to his problems. It is designed to be the Petitioners verses which readers could use as resource to bring their cases to God's attention on individual basis. This is why every title in the book is classified under Introduction, Petition, Message and Prayers with the aim that as they use this book readers will become more intimate with God even in the face of their problems and realise that God is closer than they ever thought. Indeed this will become very evident as their petitions are answered to change their lives all to the Glory of God. Check out some of the titles in the book like *In the beginning* and *as you go*.
