*The Lord's Supper* Jonathan Black,2023-07-11 Do this in remembrance of Me From the very beginning the Lord s Supper has stood at the heart of Christian worship But over the years we ve trivialized it squeezing it in between real worship If Jesus lives in us and the Holy Spirit is poured out on us why do we need to eat bread and drink grape juice or wine Does it really matter It does matter and it s life changing says leading Pentecostal theologian Jonathan Black With warmth and depth he explores not only how the table is still a powerful place of transformation and encounter with Jesus but also how we can experience Christ s promise of presence glory healing forgiveness victory and intimacy when we answer His call to come to the table Whether you re feeling the lack of His presence are ashamed of sin in your life or have never felt anything during Communion Christ s invitation to partake in His feast is your invitation to taste and see that the Lord is good **He Should**

**'The Real Scriptures' of God** James Platter, 2012-08 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn't in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language      *Catholic Holy Bible Reader's Edition* Tyndale, Tyndale House Publishers Staff, 2017 Tyndale is pleased to announce the NLT Catholic Holy Bible Readers Edition approved by the Catholic Church for reading and study and including the official Imprimatur The Bible includes the New Living Translation text with deuterocanonical books It also features book introductions to aid your personal study The Holy Bible New Living Translation communicates God's Word powerfully to all who read it The New Living Translation is an authoritative Bible translation rendered faithfully into today's English from the ancient texts by 90 leading Bible scholars The NLT's scholarship and clarity breathe life into even the most difficult to understand Bible passages There are powerful stories of how people's lives are changing as the words speak directly to their hearts      **The Wayfinding Bible NLT** Tyndale, Tyndale House Publishers Staff, 2013-10 ECPA 2014 Christian Book Award Finalist What if you had a trusted friend to guide you through God's Word every day Whether you want a fast overview of the grand story of the Bible or a deeper exploration of the riches of Scripture The Wayfinding Bible is that guide With an innovative full color visual guide at the top of each reading The
