Harbert,2013-11-13 The first in depth study of diverse and radical innovation in Arab music From jazz trumpeters drawing on the noises of warfare in Beirut to female heavy metallers in Alexandria the Arab culture offers a wealth of exciting challenging and diverse musics The essays in this collection investigate the plethora of compositional and improvisational techniques performance styles political motivations professional trainings and inter continental collaborations that claim the mantle of innovation within Arab and

Arab diaspora music While most books on Middle Eastern music making focus on notions of tradition and regionally specific genres The Arab Avant Garde presents a radically hybrid and globally dialectic set of practices Engaging the avant garde a term with Eurocentric resonances this anthology disturbs that presumed exclusivity drawing on and challenging a growing body of literature about alternative modernities Chapters delve into genres and modes as diverse as jazz musical theatre improvisation hip hop and heavy metal as performed in countries like Iraq Egypt Lebanon Syria Palestine and the United States Focusing on multiple ways in which the Arab avant garde becomes manifest this anthology brings together international writers with eclectic disciplinary trainings practicing musicians area studies specialists ethnomusicologists and scholars of popular culture and media Contributors include Sami W Asmar Michael Khoury Saed Muhssin Marina Peterson Kamran Rastegar Caroline Rooney and Shayna Silverstein as well as the editors
