Lords Of The Khyber The Story Of The North West Frontier:

Lords of the Khyber André Singer, 1984-01-01 Recounts the British attempts to conquer the Pushtuns of Afghanistan and offers profiles of the tribal leaders and their British foes **The Army in India and the Development of Frontier Warfare, 1849-1947** T. Moreman, 1998-08-10 This comprehensive study is the first scholarly account explaining how the British and Indian armies adapted to the peculiar demands of fighting an irregular tribal opponent in the mountainous no man s land between India and Afghanistan It does so by discussing how a tactical doctrine of frontier fighting was developed and passed on to succeeding generations of soldiers As this book conclusively demonstrates this form of colonial warfare always exerted a powerful influence on the organisation equipment training and ethos of the Army in India **The Return of a King** William Dalrymple, 2013-01-01 In 1839 18 000 British troops marched into Afghanistan Three years later only one man emerged to tell the tale A towering history of the first Afghan war by bestselling historian William Dalrymple

Empire and Tribe in the Afghan Frontier Region Hugh Beattie, 2019-09-19 Waziristan a region on the border between Afghanistan and Pakistan has in recent years become a flash point in the so called War on Terror Hugh Beattie looks at the history of this region examining British attempts to manage the tribes from 1849 until Pakistan s declaration of independence in 1947 He explores British attempts to divide the frontier region into separate British and Afghan spheres of influence In the minds of British policymakers this demarcation would secure the position of the Empire and so Beattie highlights the various policy initiatives towards the frontier region over the period in question Crucially he analyses how the British perceived the local tribes what constituted authority within tribal frameworks and the military and political ramifications of these perceptions As he also explores the contemporary relevance of this region taking into account the resurgence of the Taliban in Waziristan Beattie s analysis is vital for those interested in the history and security implications of the Afghan frontier with Pakistan The Khyber Rifles Jules Stewart, 2006-06-22 Recruited from the Pathan tribes that live in the no mans land between Pakistan and Afghanistan the Khyber Rifles fought for the British Raj against their own kith and kin Jules Stewart tells the story of Colonel Sir Robert Warburton the man who raised the Khyber Rifles in 1878 and describes the Khyber Rifles in action **Hero of the Empire** Candice Millard, 2017-05-30 From the bestselling author of Destiny of the Republic this thrilling biographical account of the life and legacy of Winston Churchill is a nail biter and top notch character study rolled into one The New York Times At the age of twenty four Winston Churchill was utterly convinced it was his destiny to become prime minister of England He arrived in South Africa in 1899 valet and crates of vintage wine in tow to cover the brutal colonial war the British were fighting with Boer rebels and jumpstart his political career But just two weeks later Churchill was taken prisoner Remarkably he pulled off a daring escape traversing hundreds of miles of enemy territory alone with nothing but a crumpled wad of cash four slabs of chocolate and his wits to guide him Bestselling author Candice Millard spins an epic story of bravery savagery and chance encounters with a cast of historical characters including

Rudyard Kipling Lord Kitchener and Mohandas Gandhi with whom Churchill would later share the world stage But Hero of the Empire is more than an extraordinary adventure story for the lessons Churchill took from the Boer War would profoundly affect twentieth century history Look for Candice Millard s latest book River of the Gods Anderson's Travel Companion Compiled by Sarah Anderson,2016-12-05 A selection of the best in travel writing with both fiction and non fiction presented together this companion is for all those who like travelling like to think about travelling and who take an interest in their destination It covers guidebooks as well as books about food history art and architecture religion outdoor activities illustrated books autobiographies biographies and fiction and lists books both in and out of print Anderson s Travel Companion is arranged first by continent then alphabetically by country and then by subject cross referenced where necessary There is a separate section for guidebooks and comprehensive indexes Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects She is known by well known travel writers such as Michael Palin and Colin Thubron Michael Palin chose her bookshop as his favourite shop and Colin Thubron and Geoffrey Moorhouse among others made suggestions for titles to include in the Travel Companion **Cultural Anthropology of the Middle East** ,1992 During the last two decades the number of anthropological studies on the Middle East has increased exponentially This partially annotated bibliography offers a comprehensive survey of studies written in English French and German and covers the period from 1965 to 1987 Armies of the Raj Byron Farwell,1989 With a profusion of anecdotes conveying the character of India under British rule Farwell offers a panoramic survey of the Indian army during the 90 years between the Sepoy Revolt and the births of independent India and Pakistan **ISLAM'S PEACEFUL WARRIOR: ABDUL GHAFFAR KHAN** Jeanne E.
