Lords Of The Realm:

The Lords of the Realm John Helyar, 1995-03-01 The ultimate chronicle of the games behind the game The New York Times Book Review Baseball has always inspired rhapsodic elegies on the glory of man and golden memories of wonderful times But what you see on the field is only half the game In this fascinating colorful chronicle based on hundreds of interviews and years of research and digging John Helyar brings to vivid life the extraordinary people and dramatic events that shaped America s favorite pastime from the dead ball days at the turn of the century through the great strike of 1994 Witness zealous Judge Landis banish eight players including Shoeless Joe Jackson after the infamous Black Sox scandal the flamboyant A s owner Charlie Finley wheel and deal his star players Vida Blue and Rollie Fingers like a deck of cards the hysterical bidding war of coveted free agent Catfish Hunter the chain smoking romantic A Bartlett Giamatti locking horns with Pete Rose during his gambling days of summer and much more Praise for *The Lords of the Realm* A must read for baseball fans reads like a suspense novel Kirkus Reviews Refreshingly hard headed the only book you ll need to read on the subject Newsday Lots of stories well told amusing edifying The Washington Post *Much More Than a Game* Robert F. Burk, 2003-01-14 To most Americans baseball is just a sport but to those who own baseball teams and those who play on them our national pastime is much more than a game In this book Robert Burk traces the turbulent labor history of American baseball since 1921 His comprehensive readable account details the many battles between owners and players that irrevocably altered the business of baseball During what Burk calls baseball s paternalistic era from 1921 to the early 1960s the sport s management rigidly maintained a system of racial segregation established a network of southern based farm teams that served as a captive source of cheap replacement labor and crushed any attempts by players to create collective bargaining institutions In the 1960s however the paternal order crumbled eroded in part by the civil rights movement and the competition of television As a consequence in the inflationary era that followed both players and umpires established effective unions that successfully pressed for higher pay pensions and greater occupational mobility and then fought increasingly bitter struggles to hold on to these hard won gains **Lords of the Realm II** Bart Farkas, 1997 Life s tough in the 13th century The peasants demand food the blacksmith needs iron the battles are bloody Not to worry Get *Lords of the Realm II* The Official Strategy Guide and learn How to feed your people and forge your weapons Strategy options and their effects Details on weapons castles and terrain The art of diplomacy the velvet glove and the mailed fist The finer points of computer or head to head play About the Author Bart Farkas is Editor in Chief of *Inside Mac Games* and the author of *Wing Commander IV Unauthorized Secrets and Solutions Prima* **Child Life** , 1899 **Sessional Papers** Great Britain.
