Susan I. Bubbers, 2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters **Trinitarian Doxology** Kevin J.

Navarro, 2023-01-26 Liturgical theology tends towards the anthropocentric focussing primarily on the behaviour of the worshippers The theology of Thomas F and James B Torrance however provides an alternative approach a Trinitarian and Christocentric study of liturgy which decentralises the worshippers position in liturgy and focusses instead on Christ the One who is worshipped In Trinitarian Doxology Kevin J Navarro examines the Torrances theology explicating and illuminating their work whilst simultaneously providing critical analysis which provides a lens for deeper understanding *Covenant Theology* Guy Prentiss Waters, J. McGraw,2023-01-23 Most scholars of Reformed orthodoxy devote little attention to the nineteenth century and most students of nineteenth century Reformed thought bypass the influence of Reformed orthodox ideas on their subjects Aligning himself with Reformed theology in nineteenth century America Charles Hodge's writings are an ideal place to bring such studies together Hodge's American context and Reformed identity illustrate the persistence and change of Reformed ideas in a post Enlightenment context Encompassing philosophy science and theology Ryan M McGraw traces the development of Hodge's ideas with an eye both to Reformed orthodoxy and to American thought The Sabbath Complete Terrence D.

O'Hare,2011-12-01 The Sabbath Lord's Day controversy exists because of a lack of faithful hermeneutics and attempts to validate denominational traditions with Scripture Terrence O Hare has studied this topic for a decade and presents his findings with the hope of attaining a consensus among professing Christians The Sabbath Complete is thoroughly researched and comprehensive in its scope In a readable and instructional manner O Hare analyzes the full range of biblical texts on this topic two millennia of church history and literature from Jewish Catholic and many Protestant varieties thus providing a comprehensive and unique answer that should appeal to a wide range of interested readers Engraved Upon the Heart

Hwarang Moon,2015-07-17 How does liturgy impact the formation of faith The Protestant Church has traditionally emphasized human reason and doctrinal knowledge But there is another method with great formative power participation in liturgy Human beings gain important knowledge not only through traditional cognitively focused learning but also through practice and participation And because knowledge is wholistic an inability to express an idea in language does not necessarily signify an absence of knowledge This book shows how liturgy transmits knowledge that transcends human reason We repeat the liturgy in weekly public worship and its contents are inscribed on our minds and bodies Contrary to common

belief this is also true for children and cognitively challenged individuals They may be unable to verbally express the contents of their faith in a way that satisfies normal adult expectations but these two groups of people are capable of rich religious experiences This book explores how welcoming them into experience and practice of worship and sacrament can benefit children cognitively challenged church members their families and the church community as a whole and makes us all a more inclusive community in Christ *Truth We Can Touch* Tim Chester,2020-01-07 Baptism and the Lord's Supper are more than just water bread and wine They are God's promises to us in physical form What is happening when someone passes through the waters of baptism What's the significance of eating bread and drinking wine together as a church on Sunday mornings What's the point of these physical substances Tim Chester guides us through the Bible explaining how the sacraments embodying the promises of God in physical form were given to us to strengthen our faith and shape our lives The physical bread wine and water are a confirmation of our union with Christ Chester aims to help us treasure baptism and Communion and approach them rightly so we can receive the full benefit God intends them to physically bring us **Holy Ground** L. Charles Jackson,2024-02-21 Jesus did not say take and think He said take and eat This is embodied worship It includes gestures rites kneeling raising hands and of course eating and drinking a holy meal with God These activities are liturgies Liturgy is the physical embodied activity of worship it's what we do in worship everyone has a liturgy As such worship is the church's primary means of discipleship Instead of fearing to kneel because it's Roman Catholic or fearing to raise your hands because it's Pentecostal perhaps we should simply see what God recommends in the Scriptures then without fear and by faith at the appropriate time start kneeling raising our hands and eating a covenant meal with God on a weekly basis The hope is to replace a fear driven approach to worship with a faith driven embodied worship that offers deep robust and beautiful worship experiences combined with the hope of great blessings In doing so we hope for nothing less than a new reformation a reformation in worship *Family Worship* John D. Garr,2013-12-04 Family Worship offers solid solutions to the increasingly dysfunctional family in today's secularized society and it provides constructive suggestions to those who want to reestablish their homes on biblical foundations The Hebraic foundations for the Christian faith establish the home as a small temple This insight dramatically changes the dynamics of the home for those who believe in the God of the Bible and in his will for their lives The Christian family was always designed by God to be the center for social educational and spiritual growth and maturity a place of fellowship study and prayer Now you too can experience these same powerful dynamics that made the home the center of sanctity and security that it was for the biblical peoples Family Worship presents these vivid images of a rich biblically Hebraic tradition for Christians today The Domestic Temple A Temple of Blessing The Family Altar A House of Prayer A House of Study Temples in Time The Domestic Priesthood and The Domestic Church As you read this book you'll be amazed at how your own family life will be revolutionized and enriched simply by restoring biblically Hebraic dynamics to your home **Understanding Four Views on the Lord's Supper** Russell

Moore,2007 Four different ways Christians understand the Lord's Supper Baptist view memorialism Reformed spiritual presence Lutheran consubstantiation and Roman Catholic transubstantiation are fairly represented and debated to provide readers with an opportunity to draw their own conclusion on this important Christian institution *Sanctus* David T Williams,2010-12-06 Even a cursory glance at the moral state of society and regrettably often including the Church shows a remarkable lack of holiness Yet God commanded us to be holy as he is holy Is not the lack of holiness at the root of much of the weakness of today's church This in depth study of sanctification centres on what God Father Son and Holy Spirit has done to make us holy and what the Christian response should be It understands sanctification as both demanded by and dependent upon justification an ongoing process coupled with distinct events of grace Christ has died for us to enable forgiveness sanctification is the development of the life of Christ in us A feature of the book is its provision of several illustrations of the path of Christian sanctification **Understanding Four Views on the Lord's Supper**

Zondervan,2009-05-26 The Lord's Supper has been the central and characteristic action of the church at worship But there are still many ways of understanding it and many questions surrounding this meal Who should participate in the Lord's Supper How frequently should we observe it What does this meal mean What happens when we eat the bread and drink from the cup What do Christians disagree about and what do they hold in common These and other questions are explored in this volume of the fair minded informative Counterpoints series Contributors make a case for one of the following views Baptist view memorialism Reformed view spiritual presence Lutheran view consubstantiation Roman Catholic view transubstantiation All contributors use Scripture to present their views and each responds to the others essays Included are resources for understanding the topic further such as A listing of statements on the Lord's Supper from creeds and confessions Quotations from noted Christians A resource listing of books on the Lord's Supper Discussion questions for each chapter to facilitate small group and classroom use The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

**Complementarian Spirituality** Natalie Brand,2013-10-09 In this work Dr Brand seeks to contribute a unique complementarian expression of Reformed spirituality in order to stimulate a spiritual renewal in the contemporary Reformed tradition Using a distinctively feminine approach in a theological arena largely monopolized by male theologians the author anchors corporate and personal spirituality upon the *unio mystica* so returning to a Calvinistic appreciation of the Christian life Grounding Reformed spirituality on the marital union between Christ and the church a corporate portrait of the church is explored Critical of the neglect of women in Reformed church life and practice the author calls the tradition to reform proposing an intentional complementarian use of women that can practically and spiritually profit the whole church body The book culminates with an initial tracing of a Reformed feminine spirituality which is pastorally relevant to women as well as

encouraging a renewed experiential enjoyment of Christ for both men and women
