Magill, 2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography **Black Women's Liberation Movement Music** Reiland Rabaka, 2023-10-30 Black Women's Liberation Movement Music argues that the Black Women's Liberation Movement of the mid to late 1960s and 1970s was a unique combination of Black political feminism Black literary feminism and Black musical feminism among other forms of Black feminism This book critically explores the ways the soundtracks of the Black Women's Liberation Movement often overlapped with those of other 1960s and 1970s social political and cultural movements such as the Black Power Movement Women's Liberation Movement and Sexual Revolution The soul funk and disco music of the Black Women's Liberation Movement era is simultaneously interpreted as universalist feminist in a general sense and Black female focused This music's incredible ability to be interpreted in so many different ways speaks to the importance and power of Black women's music and the fact that it has multiple meanings for a multitude of people Within the worlds of both Black Popular Movement Studies and Black Popular Music Studies there has been a long standing tendency to almost exclusively associate Black women's music of the mid to late 1960s and 1970s with the Black male dominated Black Power Movement or the White female dominated Women's Liberation Movement However this book reveals that much of the soul funk and disco performed by Black women was most often the very popular music of a very unpopular and unsung movement The Black Women's Liberation Movement Black Women's Liberation Movement Music is an invaluable
