Los Braceros Memories Of Bracero Workers 19421964

Lori A. Flores

Los Braceros Memories Of Bracero Workers 19421964:

Braceros Deborah Cohen,2011-02-15 At the beginning of World War II the United States and Mexico launched the bracero program a series of labor agreements that brought Mexican men to work temporarily in U S agricultural fields In Braceros Deborah Cohen asks why these migrants provoked so much concern and anxiety in the United States and what the Mexican government expected to gain in participating in the program Cohen creatively links the often unconnected themes of exploitation development the rise of consumer cultures and gendered class and race formation to show why those with connections beyond the nation have historically provoked suspicion anxiety and retaliatory political policies Los Braceros

José Rodolfo Jacobo,2004 Transcriptions of interviews conducted by The Bracero Oral History Project **Term Paper**

Resource Guide to Latino History Michael P. Moreno,Kristin C. Brunnemer,2010-09-02 This resource guide to 100 key events in Latino history provides students librarians and scholars with hundreds of original and compelling term paper ideas and the key print and electronic sources needed for research Latinos are the largest fastest growing minority group in the United States and the ways they have positively impacted our nation are significant and undeniable This book examines the contributions of Latinos to U S history providing hundreds of possible topics for term papers and research projects along with primary secondary web and multimedia sources of topical information Subjects such as the Treaty of Guadalupe Hidalgo 1848 the Bracero Program 1942 the United Farm Workers of America Is Formed 1962 and The Great American Boycott A Day Without Immigrants of 2006 are just a few samples of the topics included Each historical event is described briefly followed by direction toward specific research and writing topics for the student historian At least two alternative term paper suggestions complement these ideas allowing creative original approaches to historical inquiries *Encyclopedia of Immigrant Health*

Sana Loue,Martha Sajatovic,2014-06-20 There is increasing interest in the scientific literature on immigrant health and its impact on disease transmission disease prevention health promotion well being on an individual and population level health policy and the cost of managing all these issues on an individual institutional national and global level The need for accurate and up to date information is particularly acute due to the increasing numbers of immigrants and refugees worldwide as the result of natural disasters political turmoil the growing numbers of immigrants to magnet countries and the increasing costs of associated health care that are being felt by governments around the world Format and Scope The first portion of the encyclopedia contains chapters that are approximately 25 to 40 manuscript pages in length Each overview chapter includes a list of references and suggested readings for cross referencing within the encyclopedia The opening chapters are Immigration in the Global Context Immigration Processes and Health in the U S A Brief History Alternative and Complementary Medicine Culture Specific Diagnoses Health Determinants Occupational and Environmental Health Methodological Issues in Immigrant Health Research Ethical Issues in Research with Immigrants and Refugees Ethical Issues in the Clinical Context The second portion of the book consists of alphabetical entries that relate to the health

of immigrants Entries are interdisciplinary and are drawn from the following fields of study anthropology demographics history law linguistics medicine population studies psychology religion and sociology Each entry is followed by a listing of suggested readings and suggested resources and also links to related terms within the whole book Outstanding Features The book adopts a biopsychosocial historical approach to the topics covered in the chapters and the entries Each entry includes suggested readings and suggested resources The chapters and entries are written graduate level that is accessible to all academics researchers and professionals from diverse backgrounds We consider the audience for the entries to be well educated but a non expert in this area The primary focus of the book is on the immigrant populations in and immigration to magnet countries References are made to worldwide trends and issues arising globally In addition to the comprehensive subject coverage the text also offers diverse perspectives The editors themselves reflect the multidisciplinary nature of the topics with expertise in psychiatry law epidemiology anthropology and social work Authors similarly reflect diverse disciplines

They Saved the Crops Don Mitchell, 2012 At the outset of World War II California agriculture seemed to be on the cusp of change Many Californians reacting to the ravages of the Great Depression called for a radical reorientation of the highly exploitative labor relations that had allowed the state to become such a productive farming frontier But with the importation of the first braceros guest workers from Mexico hired on an emergency basis after the United States entered the war an even more intense struggle ensued over how agriculture would be conducted in the state Esteemed geographer Don Mitchell argues that by delineating the need for cheap flexible farm labor as a problem and solving it via the importation of relatively disempowered migrant workers an alliance of growers and government actors committed the United States to an agricultural system that is in important respects still with us *They Saved the Crops* is a theoretically rich and stylistically innovative account of grower rapaciousness worker militancy rampant corruption and bureaucratic bias Mitchell shows that growers workers and officials confronted a series of problems that shaped and were shaped by the landscape itself For growers the problem was finding the right kind of labor at the right price at the right time Workers struggled for survival and attempted to win power in the face of economic exploitation and unremitting violence Bureaucrats tried to harness political power to meet the demands of as one put it the people whom we serve Drawing on a deep well of empirical materials from archives up and down the state Mitchell's account promises to be the definitive book about California agriculture in the turbulent decades of the mid twentieth century

Disability Studies and the Environmental Humanities Sarah Jaquette Ray, Jay Sibara, 2017-06 Although scholars in the environmental humanities have been exploring the dichotomy between wild and built environments for several years few have focused on the field of disability studies a discipline that enlists the contingency between environments and bodies as a foundation of its scholarship On the other hand scholars in disability studies have demonstrated the ways in which the built environment privileges some bodies and minds over others yet they have rarely examined the ways in which toxic environments engender chronic illness and disability or how environmental

illnesses disrupt dominant paradigms for scrutinizing disability Designed as a reader for undergraduate and graduate courses Disability Studies and the Environmental Humanities employs interdisciplinary perspectives to examine such issues as slow violence imperialism race toxicity eco sickness the body in environmental justice ableism and other topics With a historical scope spanning the seventeenth century to the present this collection not only presents the foundational documents informing this intersection of fields but also showcases the most current work making it an indispensable reference

Latino History Day by Day Caryn E. Neumann, Tammy S. Allen, 2013-05-09 This title takes a calendrical approach to illuminating the history of Latinos and life in the United States and adds more value than a simple this day in history through primary source excerpts and resources for further research Latino a history has been relatively slow in gaining recognition despite the population s rich and varied history Engaging and informative Latino History Day by Day A Reference Guide to Events will help address that oversight Much more than just a this day in history list the guide describes important events in Latino a history augmenting many entries with a brief excerpt from a primary document All entries include two annotated books and websites as key resources for follow up The day to day reference is organized by the 365 days of the year with each day drawing from events that span several hundred years of Latino a history from Mexican Americans to Puerto Ricans to Cuban Americans With this guide in hand teachers will be able to more easily incorporate Latino a history into their classes Students will find the book an easy to use guide to the Latino a past and an ideal starting place for research

White Washing American Education Denise M. Sandoval, Anthony J. Ratcliff, Tracy Lachica Buenavista, James R. Marín, 2016-10-03 Recent attacks on Ethnic Studies revisionist actions in curriculum content and anti immigrant policies are creating a new culture war in America This important work lays out the current debates both in K 12 and higher education to uncover the dangers and to offer solutions In 2010 HB 2281 a law that bans ethnic studies in Arizona was passed in the same year Texas whitewashed curriculum and textbook changes at the K 12 level Since then the nation has seen a rise in the legal and political war on Ethnic Studies revisionist actions in curriculum content and anti immigrant policies creating a new culture war in America White Washing American Education demonstrates the value and necessity of Ethnic Studies in the 21st century by sharing the voices of those in the trenches educators students community activists and cultural workers who are effectively using multidisciplinary approaches to education This two volume set of contributed essays provides readers with a historical context to the current struggles and attacks on Ethnic Studies by examining the various cultural and political wars that are making an impact on American educational systems and how students faculty and communities are impacted as a result It investigates specific cases of educational whitewashing and challenges to that whitewashing such as Tom Horne s attack along with the State Board of Education against the Mexican American studies in the Tucson School District the experiences of professors of color teaching Ethnic Studies in primarily white universities across the United States and the role that student activists play in the movements for Ethnic Studies in their high schools universities and

communities Readers will come away with an understanding of the history of Ethnic Studies in the United States the challenges and barriers that Ethnic Studies scholars and practitioners currently face and the ways to advocate for the development of Ethnic Studies within formal and community based spaces *Grounds for Dreaming* Lori A.

Flores,2016-01-05 Known as The Salad Bowl of the World California s Salinas Valley became an agricultural empire due to the toil of diverse farmworkers including Latinos A sweeping critical history of how Mexican Americans and Mexican immigrants organized for their rights in the decades leading up to the seminal strikes led by Cesar Chavez this important work also looks closely at how different groups of Mexicans U S born bracero and undocumented confronted and interacted with one another during this period An incisive study of labor migration race gender citizenship and class Lori Flores s first book offers crucial insights for today s ever growing U S Latino demographic the farmworker rights movement and future immigration policy The Invisible Workers of the U.S.-Mexico Bracero Program Ronald L. Mize,2016-08-30 As the first and

largest guestworker program the U S Mexico Bracero Program 1942 1964 codified the unequal relations of labor migration between the two nations This book interrogates the articulations of race and class in the making of the Bracero Program by introducing new syntheses of sociological theories and methods to center the experiences and recollections of former

Braceros and their families The Invisible Workers Ronald L. Mize,2000 Mexicanos, Third Edition Manuel G.

Gonzales,2019-06-05 Responding to shifts in the political and economic experiences of Mexicans in America this newly revised and expanded edition of Mexicanos provides a relevant and contemporary consideration of this vibrant community Emerging from the ruins of Aztec civilization and from centuries of Spanish contact with indigenous people Mexican culture followed the Spanish colonial frontier northward and put its distinctive mark on what became the southwestern United States Shaped by their Indian and Spanish ancestors deeply influenced by Catholicism and often struggling to respond to political and economic precarity Mexicans play an important role in US society even as the dominant Anglo culture strives to assimilate them With new maps updated appendicxes and a new chapter providing an up to date consideration of the immigration debate centered on Mexican communities in the US this new edition of Mexicanos provides a thorough and balanced contribution to understanding Mexicans history and their vital importance to 21st century America **Defiant**

Braceros Mireya Loza,2016-09-02 In this book Mireya Loza sheds new light on the private lives of migrant men who participated in the Bracero Program 1942 1964 a binational agreement between the United States and Mexico that allowed hundreds of thousands of Mexican workers to enter this country on temporary work permits While this program and the issue of temporary workers has long been politicized on both sides of the border Loza argues that the prevailing romanticized image of braceros as a family oriented productive legal workforce has obscured the real diverse experiences of the workers themselves Focusing on underexplored aspects of workers lives such as their transnational union organizing efforts the sexual economies of both hetero and queer workers and the ethno racial boundaries among Mexican indigenous braceros

Loza reveals how these men defied perceived political sexual and racial norms Basing her work on an archive of more than 800 oral histories from the United States and Mexico Loza is the first scholar to carefully differentiate between the experiences of mestizo guest workers and the many Mixtec Zapotec Purhepecha and Mayan laborers In doing so she captures the myriad ways these defiant workers responded to the intense discrimination and exploitation of an unjust system that still persists today **Subject Guide to Books in Print** ,1971 Books in Print, 2005-2006 Michael Cairns,2005

Congressional Record United States. Congress,1985 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873
