### **Pampa Grande and the Mochica Culture** Izumi

Shimada, 2010-07-05 Pampa Grande the largest and most powerful city of the Mochica Moche culture on the north coast of Peru was built inhabited and abandoned during the period A D 550 700 It is extremely important archaeologically as one of the few pre Hispanic cities in South America for which there are enough reliable data to reconstruct a model of pre Hispanic urbanism This book presents a biography of Pampa Grande that offers a reconstruction not only of the site itself but also of the sociocultural and economic environment in which it was built and abandoned Izumi Shimada argues that Pampa Grande was established rapidly and without outside influence at a strategic position at the neck of the Lambayeque Valley that gave it control over intervalley canals and their agricultural potential and allowed it to gain political dominance over local populations Study of the site itself leads him to posit a large resident population made up of transplanted Mochica and local

non Mochica groups with a social hierarchy of at least three tiers      Research Reports on Ancient Maya Writing ,1985

George A. Kubler and the Shape of Art History Thomas F. Reese,2023-04-04 An illuminating intellectual biography of a pioneering and singular figure in American art history Art historian George A Kubler 1912 1996 was a foundational scholar of ancient American art and archaeology as well as Spanish and Portuguese architecture During over five decades at Yale University he published seventeen books that included innovative monographs major works of synthesis and an influential theoretical treatise In this biography Thomas F Reese analyzes the early formation broad career and writings of Kubler casting nuanced light on the origins and development of his thinking Notable in Reese s discussion and contextualization of Kubler s writings is a revealing history and analysis of his *Shape of Time* a book so influential to students scholars artists and curious readers in multiple disciplines that it has been continuously in print since 1962 Reese reveals how pivotal its ideas were in Kubler s own thinking rather than focusing on problems of form as an ordering principle he increasingly came to sequence works by how they communicate meaning The author demonstrates how Kubler who professed to have little interest in theory devoted himself to the craft of art history discovering and charting the rules that guided the propagation of structure and significance through time      **Mesoamerican Osteobiographies** Gabriel D. **Maya Christian Murals of Early Modern Yucatán** Amara Solari,Linda K. Williams,2024-11-12 The first study of Christian murals created by indigenous artists in sixteenth and seventeenth century Yucatán In the sixteenth and seventeenth centuries Maya artists painted murals in churches and conventos of Yucatán using traditional techniques to depict iconography brought from Europe by Franciscan friars The fragmentary visual remains and their placement within religious structures embed Maya conceptions of sacredness beyond the didactic imagery Mobilizing both cutting edge technology and tried and true analytical methods art historians Amara

Solari and Linda K Williams reexamine the Maya Christian murals centering the agency of the people who created them The first volume to comprehensively document the paintings Maya Christian Murals of Early Modern Yucatán collects new research on the material composition of the works made possible by cutting edge imaging methods Solari and Williams investigate pigments and other material resources as well as the artists and historical contexts of the murals The authors uncover numerous local innovations in form and content including images celebrating New World saints celestial timekeeping and ritual processions Solari and Williams argue that these murals were not simply vehicles of coercion but of cultural grafting that allowed Maya artists to shape a distinctive and polyvocal legacy in their communities **Concise**

Jorge Gutierrez, 2022-01-11 A vibrant oversized hardcover showcasing the concept and production art from the beautiful Netflix series by visionary animator and filmmaker Jorge R Gutierrez Meet Maya the eagle warrior princess and all the dazzling characters that breathe life into lush and detailed landscapes magically inspired by Mesoamerican Incan and Caribbean cultures Behold the original vision for the series taken from early sketches to final animated wonders with detailed storyboards color scripts and in depth bilingual English and Spanish commentary Welcome to the vivid world of Maya and the Three Bilingual Captions in English and Spanish Teotihuacan Matthew Robb, 2017-09-26 Founded in the first century

BCE near a set of natural springs in an otherwise dry northeastern corner of the Valley of Mexico the ancient metropolis of Teotihuacan was on a symbolic level a city of elements With a multiethnic population of perhaps one hundred thousand at its peak in 400 CE it was the cultural political economic and religious center of ancient Mesoamerica A devastating fire in the city center led to a rapid decline after the middle of the sixth century but Teotihuacan was never completely abandoned or forgotten the Aztecs revered the city and its monuments giving many of them the names we still use today Teotihuacan City of Water City of Fire examines new discoveries from the three main pyramids at the site the Sun Pyramid the Moon Pyramid and at the center of the Ciudadela complex the Feathered Serpent Pyramid which have fundamentally changed our understanding of the city's history With illustrations of the major objects from Mexico City's Museo Nacional de Antropología and from the museums and storage facilities of the Zona de Monumentos Arqueológicos de Teotihuacan along with selected works from US and European collections the catalogue examines these cultural artifacts to understand the roles that offerings of objects and programs of monumental sculpture and murals throughout the city played in the lives of Teotihuacan's citizens Published in association with the Fine Arts Museums of San Francisco Exhibition dates de Young San Francisco September 30 2017 February 11 2018 Los Angeles County Museum of Art LACMA March June 2018 Picture Worlds

David Saunders, Megan E. O'Neil, 2024-05-07 This abundantly illustrated volume is the first to explore the painted pottery of the ancient Greek Moche and Maya cultures side by side Satyrs and sphinxes violent legumes and a dancing maize deity figure in the stories painted on the pottery produced by the ancient Greek Moche and Maya cultures respectively Picture Worlds is the first book to examine the elaborately decorated terracotta vessels of these three distinct civilizations Although the cultures were separated by space and time they all employed pottery as a way to tell stories explain the world and illustrate core myths and beliefs Each of these painted pots is a picture world But why did these communities reach for pottery as a primary method of visual communication How were the vessels produced and used In this book experts offer introductions to the civilizations exploring these foundational questions and examining the painted imagery Readers will be rewarded with a better understanding of each of these ancient societies fascinating insights into their cultural commonalities and differences and fresh perspectives on image making and storytelling practices that remain vibrant to this day This volume is published to accompany an exhibition on view at the J Paul Getty Museum at the Getty Villa from April 10 to July 29 2024 and at the Michael C Carlos Museum at Emory University from September 14 to December 15 2024 **To Be Like**

**Gods** Matthew G. Looper, 2010-01-01 Winner Association for Latin American Art Book Award 2010 The Maya of Mexico and Central America have performed ritual dances for more than two millennia Dance is still an essential component of religious experience today serving as a medium for communication with the supernatural During the Late Classic period AD 600 900 dance assumed additional importance in Maya royal courts through an association with feasting and gift exchange These performances allowed rulers to forge political alliances and demonstrate their control of trade in luxury goods The aesthetic values embodied in these performances were closely tied to Maya social structure expressing notions of gender rank and status Dance was thus not simply entertainment but was fundamental to ancient Maya notions of social religious and political identity Using an innovative interdisciplinary approach Matthew Looper examines several types of data relevant to ancient Maya dance including hieroglyphic texts pictorial images in diverse media and architecture A series of case studies illustrates the application of various analytical methodologies and offers interpretations of the form meaning and social significance of dance performance Although the nuances of movement in Maya dances are impossible to recover Looper demonstrates that a wealth of other data survives which allows a detailed consideration of many aspects of performance To Be Like Gods thus provides the first comprehensive interpretation of the role of dance in ancient Maya society and also serves as a model for comparative research in the archaeology of performance **History of Humanity**

Since the publication of Volume 1 in 1964 the Handbook of Middle American Indians has provided the most complete information on every aspect of indigenous culture including natural environment archaeology linguistics social anthropology physical anthropology ethnology and ethnohistory. Culminating this massive project is Volume 16 divided into two parts. Part I Sources Cited by Margaret A. L. Harrison is a listing in alphabetical order of all the bibliographical entries cited in Volumes 1-11. Volumes 12-15 comprising the Guide to Ethnohistorical Sources have not been included because they stand apart in subject matter and contain or constitute independent bibliographical material. Part II Location of Artifacts Illustrated by Marjorie S. Zengel details the location at the time of original publication of the owner of each pre-Columbian American artifact illustrated in Volumes 1-11 of the Handbook as well as the size and the catalog accession and or inventory number that the owner assigns to the object. The two parts of Volume 16 provide a convenient and useful reference to material found in the earlier volumes. The Handbook of Middle American Indians was assembled and edited at the Middle American Research Institute of Tulane University with the assistance of grants from the National Science Foundation and under the sponsorship of the National Research Council Committee on Latin American Anthropology.
