Losing Isaiah:

Adoptive Families in a Diverse Society Katarina Wegar, 2006 Adoptive Families in a Diverse Society brings together twenty one prominent scholars to explore the experience practice and policy of adoption in North America While much existing literature tends to stress the potential problems inherent in non biological kinship the essays in this volume consider adoptive family life in a broad and balanced context Bringing new perspectives to the topics of kinship identity and belonging this path breaking book expands more than our understandings of adoptive family life it urges us to rethink the limits and possibilities of diversity and assimilation in American society **Jet**, 1995-03-27 The weekly source of African American political and entertainment news New York Magazine, 1995-04-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine, 1995-04-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine, 1995-03-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Divas on Screen** Mia Mask, 2010-10-01 This insightful study places African American women s stardom in historical and industrial contexts by examining the star personae of five African American women Dorothy Dandridge Pam Grier Whoopi Goldberg Oprah Winfrey and Halle Berry Interpreting each woman s celebrity as predicated on a brand of charismatic authority Mia Mask shows how these female stars have ultimately complicated the conventional discursive practices through which blackness and womanhood have been represented in commercial cinema independent film and network television Mask examines the function of these stars in seminal yet underanalyzed films She considers Dandridge s status as a sexual commodity in films such as Tamango revealing the contradictory discourses regarding race and sexuality in segregation era American culture Grier s feminist camp performances in sexploitation pictures Women in Cages and The Big Doll House and her subsequent blaxploitation vehicles Coffy and Foxy Brown highlight a similar tension between representing African American women as both objectified stereotypes and powerful self defining icons Mask reads Goldberg s transforming habits in Sister Act and

The Associate as representative of her unruly comedic routines while Winfrey's daily television performance as self-made self-help guru echoes Horatio Alger narratives of success Finally Mask analyzes Berry's meteoric success by acknowledging the ways in which Dandridge's career made Berry's possible **New York Magazine**, 1995-04-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award-winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Losing Isaiah Seth Margolis, 2015-06-14 A NATIONAL BESTSELLER AND FEATURE FILM STARRING HALLE BERRY AND JESSICA LANGE Riveting impossible to turn away from THE BOSTON GLOBE Losing Isaiah pushes all the current cultural buttons Margolis gets inside the head of every character THE WASHINGTON POST Engrossing and to its credit offers no pat answers to complicated issues PUBLISHER'S WEEKLY Three-year-old Isaiah has two mothers and they both want him Margaret Lewin adopted Isaiah as a newborn and she and her husband Charles give the boy all the love a child could want and everything that money can buy But can even the most loving caring white family be responsible for raising a black child Selma Richards is the boy's birth mother When Isaiah was born she was illiterate unemployed and a crack addict Giving up her son was the best thing for both of them at the time Now Selma has weaned herself off drugs has a responsible job caring for another couple's child and is learning to read She's not rich and she doesn't live in the best neighborhood but she's healed herself LOSING ISAIAH raises one of the most complex and emotional moral questions of our times and keeps you rooting for both women until the inevitable and heartrending conclusion in which one mother ends up losing her son *Gender Struggles* Constance L. Mui, Julien S. Murphy, 2002 Contemporary feminist theory and postmodernism have left significant marks on how we think about practical matters most notably the old and new forms of gender struggles that many women confront in their daily lives The essays collected in *Gender Struggles* are designed to highlight those influences by addressing the following questions What is practical feminism in a postmodern world How does rethinking the nature and boundaries of philosophy affect the way we understand practical issues that we confront daily What new forms of freedom autonomy subjectivity social welfare motherhood public and private space and political resistance have emerged from this new philosophical sense Together the sixteen essays in this volume represent many different voices of feminists who boldly take up familiar everyday concerns from unorthodox vantage points within new conceptual and theoretical frameworks The essays in *Gender Struggles* address a wide range of issues in gender struggles from the more familiar ones that for the last thirty years have been the mainstay of feminist scholarship such as motherhood beauty and sexual violence to new topics inspired by post-industrialization and multiculturalism such as the welfare state cyberspace hate speech and queer politics and finally to topics that traditionally have not been seen as appropriate subjects for philosophizing such as adoption care work and the home Incorporating the

latest most cutting edge material on feminism this volume aims at reaching a broad spectrum of readers by connecting postmodern feminist theory with concrete issues that are practical and relevant to their daily lives and experiences

Halle Berry Michael A. Schuman, 2013-01-01 Being thought of as a beautiful woman has spared me nothing in life says Halle Berry With her extraordinary beauty wealth and an Academy Award for Best Actress it seems as if Berry has it all Yet her life has been anything but a fairytale From the pain of an abusive father to the sting of racism from her peers Berry emerged as a high achiever beauty queen and model As an actor her beauty often kept her from being considered for meaningful roles and it took a while for her to achieve the success she deserved In 2002 Berry s Academy Award winning performance in the small budget art film *Monster s Ball* made history stirred controversy and launched her into superstardom Give your readers a powerful biography of this stellar talent
