three years worth of memory just such an opportunity is granted to Jonathan undone by his betrayal of this woman whom he professes to love above all While he begins to rewrite their history two other misfits an American sojourner and a luckless English actress knock about London each of them haunted by indelible memories they would much rather forget Eventually their hopes of redemption draw them toward Jonathan s house where Hazel has become a virtual prisoner Replete with compelling characters and extravagantly plotted The Missing World weaves together these separate quests for love and truth in a manner both thrilling and ultimately revealing about our imperfect lives
