Loss Of Faith

Fred P. Edie, Mark A. Lamport

Loss Of Faith:

The Mid-Victorian Literature and Loss of Faith Krishan Lal Kalla, 1989 *Faith Lost: Faith Regained* James Atkinson, 2019-05-21 A holistic positive answer to modernist and post modernist challenges to Christian faith Recent trends in theology have adapted to what has been assumed to be universally valid scientific thinking thereby contributing to the erosion of traditional protestant belief Pointing to parable as a tool of understanding and appealing to aesthetic appreciation as an analogy the author makes an impassioned call for a return to an assured biblical faith The answer lies in a fuller epistemology and a profounder ontology to explain the universe and man s place in it **Outlook** Alfred Emanuel Smith, Francis Walton, 1906 **Loss** Lucinda Mosher, 2007 A book to help Christians understand the complex attitudes toward illness and death among the many faiths of their neighbors It includes quick guides to various religions glossary recommended reading list It is intended for interfaith education in both parish and classroom **Living Faith** Susan Crawford Sullivan, 2012-03-15 Scholars have made urban mothers living in poverty a focus of their research for decades These women s lives can be difficult as they go about searching for housing and decent jobs and struggling to care for their children while surviving on welfare or working at low wage service jobs and sometimes facing physical or mental health problems But until now little attention has been paid to an important force in these women s lives religion Based on in depth interviews with women and pastors Susan Crawford Sullivan presents poor mothers often overlooked views Recruited from a variety of social service programs most of the women do not attend religious services due to logistical challenges or because they feel stigmatized and unwanted at church Yet she discovers religious faith often plays a strong role in their lives as they contend with and try to make sense of the challenges they face Supportive religious congregations prove important for women who are involved she finds but understanding everyday religion entails exploring beyond formal religious organizations Offering a sophisticated analysis of how faith both motivates and at times constrains poor mothers actions Living Faith reveals the ways it serves as a lens through which many view and interpret their worlds **Walking Away from Faith** Ruth Tucker, 2002 Why do some people lose their faith Why do some choose to abandon religious beliefs that were once meaningful to them And what happens when they do In this no holds barred book Ruth Tucker tackles the tough questions about losing faith Providing historical perspective she looks at the stories of prominent Christians like Chuck Templeton and Billy Graham who have struggled with faith She grapples with difficult philosophical and theological issues exploring the intractable questions that bring people to the point of losing faith suffering science answer to prayer hypocrisy in the church and more Throughout the book she explores the testimonies of some who have made the choice to walk away and some who have returned Tucker writes not just as a detached observer but as one who has also struggled with doubt and disappointment In Walking Away from Faith she shares her from her experience and tells you why she continues to choose faith Reading her story and her interviews of others you will find help for working through your own questions and doubts

You will also find insight for ministering to your friends family coworkers and neighbors who stumble between belief and unbelief

Repair My House Michael H. Crosby, 2012 Repair my house From a crucifix in a ruined chapel St Francis heard this instruction which set him on a mission of evangelical renewal In the light of unprecedented crisis afflicting the Catholic church Michael Crosby calls us all to undertake a wholesale project of repair and renewal The crisis is visible in the sex abuse scandal and the questions it has raised about internal structures of authority and clerical culture Meanwhile a spate of new atheists has challenged traditional worldviews The percentage of those identifying themselves as former Catholics grows at an alarming rate In response Fr Crosby sees a challenge to return to the core evangelical message of Jesus Christ This message is supported not contradicted by discoveries in science and cosmology He envisions a new way of being Catholic and a set of practices that draws on the contemplative compassionate and life giving spirit of the Kingdom that God's will may be realized on earth as it is in heaven
