

PRAYER for those GRIEVING the LOSS of LOVED ONES

Jehovah Jireh, there is none like You. Every day we want to praise You and worship Your glorious name. Today we weep at the death of our friends, family or loved one, but Blessed Father, we can rest assured knowing You are there for us, knowing we can find comfort and peace within You, in the midst of our tears and our grief. Lord, we shout Your praises, because You have turned our mourning into dancing.

McGee,2019-02-22 Losing a loved one is indeed the most tragic event a person can experience in my opinion If you are reading this book that means we are united by pain I want to start off by saying my condolences to you and your family I m sure there are a lot of people giving you advice on how you should deal with your grief The truth is most of them probably can only imagine what you are going through They usually mean well but the fact of the matter is that they can t identify with the pain and hurt associated with death because they have never really lost a close family member or loved one To look up and see that person who helped raise you in a coffin is a feeling I know too well I have lost my mom dad grandfather and two brothers It has taken me a while to get my mind in a happy place I would like to share with you some of the things that I do to help me move on while missing my loved ones *Letter to Those Who Have Lost a Loved One* Emma Luciani,2013-03-01 Bereavement hardly ever becomes an illness however it makes us feel intensely overwhelmingly ill The need to find understanding and empathy cannot be easily quelled through gratuitous recommendations and common sense advice which are much more helpful in soothing the anguish of those who provide them rather than in alleviating the mourner s suffering The aim of this text is precisely to provide a space of understanding and identification useful to those who personally suffer the loss of a loved one as well as to those who propose themselves as friends **Handbook of Death and Dying** Clifton D.
