Boot Hill DAVID A. COOK, David Fuller Cook, 1982-01-01 **Lost Texas Treasure: Sunken Ships, Rawhide Maps and Buried Plunder** W. Craig Gaines, 2022 Track pirate gold and misplaced riches across 168 counties in this comprehensive guide to the lost treasures of Texas Countless fortunes have disappeared into the vast expanse of the Lone Star State The history of the coast is cluttered with shipwrecks like that of the 1554 Spanish fleet Even when pirates such as Jean Laffite managed to get their ill gotten gains ashore their loot vanished just as completely as if it had sunk beneath the waves Entire mines including the ventures of Jim Bowie and San Saba Presidio have been reclaimed by the earth The unmarked caches of bandits like Jesse James and Pancho Villa still bedevil the dreams of treasure seekers today W Craig Gaines reveals what has been lost what has been found and what remains to be recovered **The Ozarks** Milton D. Rafferty, 2001-01-01 The Ozark Mountains reach into Missouri Arkansas Oklahoma and Kansas forming a region with great natural beauty and a distinctive cultural and historical landscape This comprehensive volume a fully updated edition of a beloved classic reaches into history anthropology economics and geography to explore the complex relationships between the Ozarks people and land through times of profound change Drawing on more than thirty years of research field observations and interviews Rafferty examines this subject matter through a range of topics the settlement patterns and material cultures of Native Americans French Scotch Irish Germans Italians African Americans Hispanics and Asians in the region population growth the guerrilla warfare and battles of the Civil War the cultural transformations wrought by railroads roads mass media and modern communication systems the discovery development and decline of the great mining districts the various forms of agriculture and the felling of the region s vast forests and the built landscape from log cabins to Victorian mansions to strip malls This new edition also explores the new and potent forces which have reshaped the region over the last twenty years tourism and the growing service industry suburbanization rapid population growth and retirement living and agribusiness Lavishly illustrated with historic and contemporary photographs maps and charts Publisher s description **Treasure Anthology; Stories of Lost Mines & Buried Treasures ...** E.
