**Antagonist** Gordon R. Dickson, David W. Wixon, 2008-03-04 Gordon R. Dickson's Childe Cycle of novels depicting the future of the human race has been one of the grand epics of science fiction At the time of his death in 2001 Dickson was writing Antagonist the tale of Bley's Ahrens turn toward darkness Now Dickson's assistant David W. Wixon has brilliantly finished the long awaited book working from Dickson's copious notes Antagonist is a fitting capstone to one of the most ambitious series in SF history The Childe Cycle is the story of a new human evolution the development of a real hardwired sense of responsibility shared by all human beings Donal Graeme was a Dorsai a mercenary soldier and also a mutant gifted with insight into the path forward for the human race Through his gifts Donal would come to bend time and live three lifetimes and in the process run into problems he had not expected first his own flaws and second the existence of another mutant Bley's Ahrens Following Young Bley's and Other Antagonist advances the story of the formidably powerful Bley's Ahrens Bley's is a man with a clear vision of the struggle in which he's involved but an increasingly deficient sense of human values He and his organization the Others are tracking down an elusive interplanetary opposition Meanwhile Bley's own intricate conspiracies and devisings and his quest for power which began with the best of motives have become something darker and fiercer He's committed to his plans They may bring about the advent of Homo superior And they may destroy the human race

**Other** Gordon R. Dickson, 1995-12-15 Bley's Ahrens is now a political power on the planet Association home of the Friendlies His people his Others not Dorsai or Friendly or Exotic but hybrids are in place on all the new worlds and are ready to take his message to the greater human public But within his inner circle is Henry McLean Soldier of God and a True Faith Holder Henry fears for the soul of his nephew Bley's and while he guards he also watches and judges And beyond Bley's Ahrens control is Hal Mayne the one man in all the human worlds who might successfully challenge Bley's in his bid for power For Hal Mayne is the true culmination of the Cycle's grand design Bley's would give anything to convert Hal Mayne to his cause or failing that to destroy him

**Soldier, Ask Not** Gordon R. Dickson, 1998-02-15 On the sixteen colonized worlds mankind had changed evolved into something that was slightly more than human and slightly less Men of War on the Dorsai worlds men of Faith on the Friendly Worlds of Harmony and Association men of Science the Exotics of Kultis and Mara and the Splinter cultures which had produced even stranger new talents Those who knew said it was the Dorsai who supplied soldiers to the sixteen worlds The Friendlies supplied cannon fodder common soldiers who could be relied on to obey orders at all times But even cannon fodder can sometimes produce genius Jamethon Black is a true soldier and a true man of faith Now he must face a deadly enemy an enemy whose defeat will forever separate Black from the only woman he has ever loved
